lord bless you and keep you lyrics: MORE THAN A PSALM Don Lowe, 2022-07-22 More Than a Psalm is a collection of devotions compiled over many years. The reader is encouraged to read the psalm referenced first, then the devotion. Many different styles of introductions are used to lay the groundwork for one theme from the psalm. The overarching theme of the book and of Psalms itself is praise to God in song. Each devotion is a single theme the author gleaned from reading and meditating on God's Word. The introduction to each devotion is created in such a way to capture the attention of the reader with a familiar quote, song title, or event from history. The following is a sample from the devotion entitled "Why Do the Wicked Prosper?" Open the daily newspaper and all you see is bad news, right? You read articles about how good people are afflicted with trouble and wicked people seemingly prosper in spite of their godless lifestyles. Gangs running rampant; sexual predators on the loose; corporate scandals, but the rich get richer, and the poor get poorer. How can God allow this to happen? Why do the wicked prosper? It's really very simple. If you perceive prospering as fortune, fame, and money, the natural conclusion is the wicked prosper. When you see things the way God does, it's a much different picture. It's all about your perspective. Do you have a biblical perspective or a worldly perspective? As the book is written by a layperson and not a biblical scholar, the themes are meant to resonate with any reader. If you've ever struggled with reading the book of Psalms, this devotional is for you. The simple themes and easy-to-understand language will touch your heart and help guide you through Psalms.

lord bless you and keep you lyrics: Finding JOY in Cancer Dennis Docheff, Ed.D., 2023-10-10 *Finding JOY in Cancer* chronicles my battle with cancer, spanning approximately one year—from diagnosis to treatment to recovery. Throughout the book, I share plenty of stories from my life and some meaningful quotes as well as selected Bible verses. I was healthy and happy most of my life. At the age of fifty-two, I was diagnosed with leukemia. Although we beat leukemia, ever since then, I seemed to always be sick. About thirteen years later, cancer stuck its nose into my life. It was cancer of the throat. Thinking like a lifelong sport coach and coach educator, I knew I needed a game plan. I decided that for me to survive this fight with throat cancer, I needed a positive mindset and a game plan with God by my side. I knew I needed Him to help me through this adversity. My focus was to be on a bit of Scripture from James 1:2-3: "Consider it pure joy, my brothers and sisters, whenever you face trials of many kinds, because you know that the testing of your faith produces perseverance." How was I going to find JOY in cancer? Somehow God grabbed my heart and, in essence, said, "Come along with me, son." I was determined to somehow find JOY in this killer. We fought it. We beat it. And I did find JOY throughout the entire cancer experience. That inspired me to share my story with others. The purpose is to communicate my experience to share how God took a hold of me and practically carried me through my treatment and recovery. It is hoped that this short book will allow the reader to think about how he or she might find JOY when encountering trials and adversity.

Our lives are rushed, overflowing, and we're low on joy, fulfillment, peace, and purpose. In our spare moments, we turn to our phones, social media, and a million other little things, desperate for relief, but over time, these distractions become an unhealthy diet for our souls--uplifting us for a moment but ultimately denying us the nourishment we need. We can become free of shame, disappointment, and anxiety. In *Starved*, popular author and teacher Amy Seiffert shows readers how to stop ingesting spiritual junk food and offers simple and replenishing practices like silence, service, and Sabbath that can bring us closer to Jesus. lord bless you and keep you lyrics: *From Grass to Grace* Nigel Waterman, 2024-11-11 Nigel Waterman's *From Grass to Grace*, the Life and times of Pastor Fitz Albert "Pappy" Waterman is a study of how to overcome the odds. It is about how ordinary people can make extra ordinary differences to their communities. This book chronicles a man's journey through his early turmoil at school and at work. It showed how history shaped him and the decisions he made because of history. It showed him as a family man who stayed married for over 50 years. This book documents a man of integrity, whose principled stand in 1944, set in motion the creation of a new church. The book chronicles his heroic actions in directing the building of a place of worship for his congregants. He would go on to be Pastor of this church for 49 unbroken years. The book contains testimonies from some of those he pastored. What makes the book a compelling read is because the author was able to provide excellent historic and social context whilst exploring all aspects of his father's life. You will not only enjoy this book, but at the end of it, you will be motivated to reach for your goals. You will be motivated to contribute to your surroundings; you would want to "brighten the corner where you are."

lord bless you and keep you lyrics: *The Story Behind the Mail* M. J. Washington, 2022-08-01 Sweet Mother of Christ, Hallelujah! Seems like an avalanche has rolled up to my door. The mailbox was stuffed with letters from several different organizations and a couple of catalogs, and being a Tuesday, there was also a wad of junk mail. Remembering the thick manila envelope, I received from the VFW (Veterans of Foreign Wars) in mid-January with an assortment of gifts a nice tablet-size calculator, all-occasion cards, address labels, a couple of notepads, a calendar, even a gift-bag. My conscience just wouldn't let me rest after receiving all these cool little gifts. I just had to send a donation to help with postage and handling. I think that's what caused the avalanche of mail that landed at my door. Deciding right then to keep a count of all incoming mail, I began to write down the names and contents of each envelope, thinking it couldn't possibly be too many more after this shipment. Boy was I ever wrong. I started receiving cards of all kind, prayer booklets, prayer relics, rosaries, crucifixes, and medals. Besides the letters, the phone calls started, so I started listing them too. Within a couple of weeks, I had accumulated several pages of organizations requesting help either by phone or postal service. And the brain being the peculiar organ that it is, my brain anyway it gets restless at times for more activity. Firing up the computer, I started a real list of all the charitable organizations I hear from daily and decided to make my list an open project.
