

luli and the language of tea

Luli and the Language of Tea: A Journey Through Flavor and Tradition

luli and the language of tea is more than just a phrase; it represents a captivating exploration into how tea transcends its role as a simple beverage to become a universal communicator of culture, emotion, and connection. Whether you're a seasoned tea lover or just beginning to discover the joys of this ancient drink, understanding the language of tea through the lens of Luli's experiences opens a door to appreciating tea in a whole new light.

Discovering Luli and the Language of Tea

Luli, a passionate tea enthusiast and cultural storyteller, has dedicated years to exploring the diverse traditions and meanings embedded in tea ceremonies around the world. Her journey reveals that tea is not just about taste but also about the stories it tells, the moments it creates, and the bonds it nurtures. The language of tea, as Luli describes it, is a subtle dialogue between nature, tradition, and human connection.

Through her travels and research, Luli has uncovered the rich symbolism and rituals that vary from region to region. In many cultures, tea serves as a gesture of hospitality, respect, and mindfulness—a way to say “welcome” or “let’s pause and share.” Understanding these nuances enriches the tea-drinking experience far beyond the cup.

The Origins of Tea and Its Cultural Significance

Tea's history dates back thousands of years, originating in ancient China before spreading across Asia and eventually to the rest of the world. Each culture has adapted tea to its own traditions, creating a tapestry of customs that reflect local values and philosophies.

- In China, tea ceremonies emphasize harmony, respect, purity, and tranquility.
- Japanese tea culture highlights simplicity and mindfulness through the formalized chanoyu ritual.
- In India, chai represents warmth, community, and everyday comfort.
- British afternoon tea combines elegance with social interaction.

Luli's exploration into these diverse practices illustrates how tea serves as a universal language that transcends borders but also carries unique regional dialects.

The Language of Tea: More Than Just Words

What does it mean to speak the language of tea? According to Luli, it's about tuning into the subtle messages conveyed through tea's aroma, flavor, preparation, and even the way it's served. Each element tells a story and invites the drinker to participate in a shared cultural narrative.

Tea as a Sensory Conversation

When you brew a cup of tea, you engage in a sensory dialogue.

- The scent awakens memories and emotions.
- The taste reveals the terroir—the soil, climate, and care that nurtured the tea leaves.
- The warmth of the cup in your hands connects you physically and emotionally.

Luli encourages tea lovers to slow down and savor these moments, allowing the tea to “speak” through their senses. This mindful approach deepens appreciation and creates a personal connection to the tea's origin and story.

Symbolism and Rituals in Tea Ceremonies

In many traditions, tea ceremonies are carefully choreographed to convey respect, gratitude, and balance. Luli highlights that understanding these rituals can unlock a richer sensory and emotional experience.

For instance, the Japanese tea ceremony involves precise movements and a serene environment designed to foster mindfulness and mutual respect. The act of preparing and sharing tea becomes a form of silent communication, emphasizing presence and intention.

Similarly, in Moroccan culture, serving mint tea is a symbol of hospitality and friendship. The pouring technique—raising the teapot high to aerate the tea—also adds a visual element to the conversation, showing care and skill.

Practical Tips from Luli on Embracing the Language of Tea

If you're inspired by Luli's insights and want to deepen your own tea experience, here are some practical tips to help you engage with the language of tea more fully:

Choose Quality Tea and Learn Its Story

Start by selecting high-quality loose-leaf teas or artisanal blends. Each tea has a backstory—its region, processing method, and harvest season can all shape its character. Luli suggests researching the origins and traditional uses of your chosen tea to appreciate its cultural context.

Create a Mindful Tea Ritual

Set aside time to prepare and enjoy your tea without distractions. Pay attention to each step, from boiling water to steeping leaves. Notice the colors, aromas, and flavors as they unfold. This ritual can become a peaceful moment of self-care and reflection.

Experiment with Different Tea Traditions

Explore tea ceremonies from around the world. You might try brewing matcha in the Japanese style or preparing a Moroccan mint tea. Each method introduces new elements to the language of tea, enriching your understanding and enjoyment.

Share Tea and Stories

Tea is inherently social. Invite friends or family to join you in a tea session, encouraging conversation and connection. Sharing tea stories, traditions, and personal experiences adds layers of meaning and warmth to the experience.

Understanding Tea Types Through Luli's Perspective

Luli's journey through the language of tea also involves appreciating the diversity of tea types and how each communicates differently.

- **Green Tea:** Often symbolizes youth, health, and purity. It's delicate, fresh, and best enjoyed with mindful appreciation.
- **Black Tea:** Bold and robust, black tea can represent strength and endurance. It's often associated with social gatherings and energy.
- **Oolong Tea:** A balance between green and black, oolong embodies harmony and transformation, perfect for those seeking complexity.
- **White Tea:** Subtle and rare, white tea speaks of elegance and simplicity, inviting quiet reflection.

- ****Herbal Teas:**** Though not true teas, herbal infusions carry their own stories and medicinal traditions, connecting drinkers to nature's healing language.

Pairing Tea with Food

Luli also emphasizes that the language of tea extends to its pairing with food. The right combination can elevate both the tea and the dish, creating a dialogue on the palate.

- Light teas like white or green pair well with salads, seafood, and light desserts.
- Black teas complement hearty dishes such as roasted meats or rich pastries.
- Floral or fruity teas can enhance the flavors of spicy or exotic cuisine.

Experimenting with pairings can deepen your sensory experience and enhance your understanding of tea's expressive potential.

The Emotional and Spiritual Dimensions of Tea

Beyond the physical and cultural, Luli explores how tea touches the emotional and spiritual realms. The language of tea often involves slowing down, grounding oneself, and finding balance amid life's chaos.

Many find tea rituals to be meditative, providing a moment of calm and clarity. The act of preparing and drinking tea can become a form of mindfulness practice, helping to reduce stress and cultivate gratitude.

In some traditions, tea is viewed as a bridge between the human and natural worlds, a liquid embodiment of the earth's energy and spirit. Luli's reflections invite us to see tea as more than a drink, but as a medium for connection—to ourselves, each other, and the environment.

Exploring luli and the language of tea offers a rich tapestry of sensory pleasures, cultural insights, and personal growth. Whether through sipping a fragrant cup of jasmine tea or participating in a formal ceremony, embracing the language of tea invites us into a timeless conversation filled with warmth, respect, and shared humanity.

Frequently Asked Questions

What is 'Luli and the Language of Tea' about?

'Luli and the Language of Tea' is a heartwarming story that explores the cultural significance of tea, following the journey of Luli as she discovers the traditions, stories, and connections that tea brings to different communities.

Who is the author of 'Luli and the Language of Tea'?

The book is authored by Ann Martin, who is known for her engaging storytelling and deep appreciation for cultural traditions.

What themes are explored in 'Luli and the Language of Tea'?

The story explores themes such as cultural heritage, family bonds, mindfulness, and the universal language of sharing tea.

Is 'Luli and the Language of Tea' suitable for children?

Yes, the book is suitable for children and young readers, offering an educational yet captivating insight into tea culture and values like kindness and curiosity.

What makes 'Luli and the Language of Tea' unique compared to other cultural stories?

Its unique blend of storytelling with the sensory experience of tea rituals brings readers closer to understanding diverse cultures through a simple, everyday practice.

Are there any illustrations in 'Luli and the Language of Tea'?

Yes, the book features beautiful illustrations that complement the narrative and help bring Luli's journey and the tea ceremonies to life.

Can 'Luli and the Language of Tea' be used as an educational tool?

Absolutely, educators use the book to teach about cultural diversity, traditions, and the importance of community through engaging storytelling.

Where can I buy or read 'Luli and the Language of

Tea'?

'Luli and the Language of Tea' is available for purchase at major bookstores and online platforms like Amazon, as well as in some public libraries.

Does 'Luli and the Language of Tea' include recipes or tea preparation tips?

While primarily a storybook, it occasionally includes simple tea preparation tips and insights into different types of tea featured throughout Luli's adventures.

Luli and the Language of Tea: Exploring a Unique Cultural Dialogue

Luli and the language of tea represent a fascinating intersection of tradition, communication, and cultural expression. In a world increasingly dominated by rapid digital communication, the nuanced and deliberate language of tea offers a refreshing lens through which to explore human interaction, mindfulness, and heritage. The concept of "luli" within this context—whether as a cultural reference, a personal philosophy, or an artistic expression—adds a distinctive layer that invites both enthusiasts and casual observers to delve deeper into the intricate world of tea rituals and their communicative power.

Understanding the language of tea requires more than knowledge of brewing techniques or varietals; it demands an appreciation for the subtle signals, gestures, and shared meanings conveyed through the act of tea preparation and consumption. Luli, in this sense, can be interpreted as a metaphorical or literal element that enriches this tradition, bridging historical practices with contemporary interpretations.

The Language of Tea: A Cultural and Communicative Framework

Tea culture, spanning continents and centuries, embodies a unique form of non-verbal communication. Unlike spoken language, the language of tea is expressed through ritualized actions, sensory experiences, and symbolic gestures. These elements collectively craft messages of hospitality, respect, contemplation, and social bonding.

Historical Context and Global Variations

Tea ceremonies have evolved distinctly across regions—from the Japanese chanoyu, emphasizing simplicity and spiritual harmony, to the British afternoon tea, symbolizing social etiquette and leisure. Each tradition encodes specific meanings into the preparation, presentation, and consumption of tea.

The concept of luli may emerge as a thematic motif or identity marker within these traditions, reflecting localized interpretations or artistic endeavors inspired by tea culture. For example, in certain Asian cultures, luli could be associated with the delicate balance of flavors or the aesthetic presentation of tea sets, serving as a metaphor for harmony and elegance.

Non-Verbal Communication in Tea Rituals

Tea ceremonies rely heavily on body language, timing, and sensory engagement. The precise movement of hands, the choice of tea vessel, and the sequence of actions all contribute to a shared understanding between host and guest. This silent dialogue transcends verbal language, fostering connection and mindfulness.

In this framework, luli might function as a conceptual tool or narrative element that highlights the emotional or philosophical dimensions of tea. It can represent the unspoken stories conveyed through tea leaves, water temperature, or the quiet moments shared over a cup.

Luli's Role in Contemporary Tea Culture

The modern tea landscape is diverse, blending traditional practices with innovative approaches. Luli and the language of tea together inspire new forms of expression and community-building among tea aficionados, artists, and cultural historians.

Artistic Interpretations and Innovations

Artists and designers often draw on tea culture to explore themes of connection, nature, and time. Luli, as a concept or brand, might be used to create immersive experiences or products that emphasize the sensory and symbolic aspects of tea. This could include specialized tea blends, handcrafted teaware, or interactive installations where participants engage with tea as a medium of communication.

Such innovations serve to recontextualize the language of tea, making it accessible and relevant to contemporary audiences while preserving its depth and tradition.

Educational and Wellness Applications

Tea rituals have found a place in wellness and mindfulness practices worldwide. The deliberate pacing and attention inherent in tea preparation encourage presence and reflection. Programs or workshops themed around luli and the language of tea may focus on cultivating these skills, using tea as a gateway to mental clarity and emotional balance.

This integration highlights the functional benefits of tea beyond its cultural symbolism, aligning with broader trends in holistic health and wellness.

Comparative Analysis: Luli and Other Tea Traditions

To better understand the unique contributions of luli within the language of tea, it is useful to compare it with established tea traditions.

- **Japanese Chanoyu:** Centered on wabi-sabi aesthetics and spiritual mindfulness, emphasizing simplicity and natural imperfection.
- **Chinese Gongfu Tea Ceremony:** Focuses on technical precision and sensory exploration, highlighting the nuanced flavors of tea varieties.
- **British Afternoon Tea:** A social ritual underscored by etiquette, conversation, and comfort foods accompanying tea.
- **Luli's Perspective:** Potentially a fusion of artistic expression and mindful communication, inviting participants to explore tea as a dynamic language rather than a static ritual.

This comparative lens reveals how luli might serve both as an homage to traditional practices and as a platform for innovation.

Advantages and Challenges of Embracing Luli in Tea Culture

Pros:

1. **Enhanced Engagement:** Luli introduces fresh narratives that deepen appreciation for tea's communicative potential.

2. **Cultural Fusion:** It encourages blending diverse traditions, fostering inclusivity and creativity.
3. **Mindfulness Promotion:** Emphasizing the language of tea aligns with wellness trends, supporting mental health benefits.

Cons:

1. **Risk of Dilution:** Over-innovation may dilute core traditional values and meanings.
2. **Accessibility:** The abstract nature of luli might be challenging for newcomers to grasp fully.
3. **Commercialization:** There is potential for cultural commodification if the concept is exploited without respect for its roots.

Integrating Luli into Everyday Tea Practices

For individuals interested in exploring luli and the language of tea, practical steps can enhance the experience:

- **Mindful Preparation:** Focus on the sensory details—aroma, color, texture—when brewing tea.
- **Intentional Sharing:** Use tea as a medium to communicate gratitude, friendship, or reflection, embodying the language of tea.
- **Creative Experimentation:** Experiment with tea blends, brewing methods, or presentation styles inspired by the concept of luli.
- **Learning and Community:** Engage with tea workshops, cultural events, or online forums that explore tea's communicative and cultural dimensions.

By incorporating these elements, enthusiasts can deepen their connection to tea beyond mere consumption, embracing it as a form of expression and dialogue.

The exploration of luli and the language of tea opens a compelling dialogue between past and present, tradition and innovation. As tea culture continues to evolve globally, such concepts encourage a richer appreciation of the subtle ways in which tea communicates and connects. Whether through a quiet morning ritual or a shared ceremonial experience, the language of tea—and the

spirit of luli within it—remains a testament to the enduring power of mindful, meaningful interaction.

luli and the language of tea: *Luli and the Language of Tea* Andrea Wang, 2022 A beautiful testament to kindness, sharing and community, and to the power of tea (and cookies!) in overcoming language barriers--Publisher's description.

luli and the language of tea: Creative Readings of Multilingual Picturebooks Esa Christine Hartmann, Áine McGillicuddy, 2025-03-31 This edited volume offers fresh perspectives on linguistic and cultural diversity in multilingual picturebooks, examining their potential to support multilingual learning in different educational contexts. Drawing on international, transdisciplinary perspectives from over fifteen countries, the book provides a comprehensive view of this unique literary genre. The collection showcases a wide range of languages featured in multilingual picturebooks, including Chinese, Farsi, Georgian, Irish, Korean, Malagasy, Mexican Indigenous languages, Mirandese, Northern Sámi, Portuguese, Spanish, Te Reo Māori, Ukrainian, and Welsh. Various chapters examine how multilingual picturebooks foster language and literacy development for emergent bilinguals in multilingual and multicultural environments, highlighting benefits such as linguistic and semiotic code-switching, as well as their ability to stimulate intercultural awareness in readers. The book also considers the creation, translation, and complex publishing processes of multilingual picturebooks, while exploring modern technologies such as eye tracking to analyse the reading processes of these books. Reflecting current insights and innovations in picturebook research, this volume will appeal to scholars, academics, and researchers in language and literacy education, multilingual education, and early childhood education. Those involved in children's literature studies, multimodality, and bilingualism more broadly will also find this collection valuable.

luli and the language of tea: Antiracist Reading Revolution [Grades K-8] Sonja Cherry-Paul, 2024-05-09 When can we move beyond representation to liberation? This question from a young Black girl moved New York Times #1 bestselling author Dr. Sonja Cherry-Paul to offer a vision for antiracist teaching that goes far beyond adding diverse texts in a classroom library. Antiracist Reading Revolution provides an actionable antiracist teaching framework and models how K-8 educators can create opportunities for transformative reading and discussions in classrooms. Dr. Cherry-Paul offers six critical lenses that help educators to adopt an antiracist teaching stance, spotlighting the importance of instruction built around love, joy, community, justice, and solidarity. Educators are invited to reflect on their instructional practices, dismantle ideologies that are barriers to students' critical and creative thinking and cultivate identity-inspiring learning experiences where students can show up fully as themselves and recognize the full humanity of all people. This is what it means to move beyond representation to liberation. Chapters feature several children's books that center BIPOC characters and creators. Dr. Cherry-Paul provides prompts and pathways for each children's book that guide teachers toward putting into action the six critical lenses at the core of the Antiracist Reading Framework - affirmation, awareness, authorship, atmosphere, activism, and accountability. And she provides toolkits for students and teachers to use

when selecting and reading books on their own. Chapters in this book also ... Offer personal and insightful anecdotes, supported by research and scholarship, that illustrate the power of antiracist teaching in working toward equity, justice, and freedom Provide a clear and actionable guide for K-8 literacy educators including classroom teachers, instructional coaches, and librarians Encourage critical reflection, pausing to ask educators to examine their own identities and values, and how these influence their teaching Guide educators toward selecting and teaching with books that center the lived experiences of BIPOC students This book is a call to action. In Dr. Cherry-Paul's words, In an antiracist classroom, reading helps us to dream, experience joy, engage in collective struggle, liberate our minds, and love. Let's move forward together to realize our vision of an antiracist reading classroom rooted in love and liberation.

luli and the language of tea: Literature and Literacy for Young Children Cyndi Giorgis, 2024-01-22 The 8th edition of this bestselling text provides a framework and instructional strategies for identifying, selecting, and teaching high-quality children's literature for ages 0-8. This new edition's emphasis on diverse literature will assist in positively impacting the lives of all young people. Effective instructional approaches for using literature as a teaching tool are coupled with developmentally appropriate methods for sharing literature with young children. This book is a foundational text for graduate and undergraduate students in early childhood education, early literacy, literacy methods, children's literature, and literature instruction.

luli and the language of tea: *The Meaning of Language* Hans Götzsche, 2018-11-07 The Meaning of Language illustrates the diversity of approaches in linguistics. The volume revolves around two main chapters authored by two internationally acknowledged Scandinavian scholars, Hans Basbøll and Stig Eliasson. Basbøll's contribution is the most detailed and coherent English-language presentation of the pioneering Danish 18th century linguist Jens Pedersen Høysgaard and his work, and Eliasson explores the intricacy of the issue of whether morphology can be borrowed between languages and the mechanisms of actual borrowings. The other contributions illustrate which topics may be taken up by language scholars today, from metaphor, regional phonology, morphology and syntax, language learning, discourse analysis, intensifier semantics, and Indo-European, to the interface between language and logic. The approaches invoke a wide spectrum of theoretical models and assumptions.

luli and the language of tea: *Luli Et Le Langage Du Thé* Andrea Wang, 2024-08-06 See below for English description. Bien qu'ils parlent des langues différentes, des enfants du monde entier se réunissent pour partager le plaisir du thé dans ce livre délicieux. Lorsque Luli, cinq ans, entre dans sa nouvelle classe d'anglais langue seconde, la salle de jeux est calme. Luli ne parle pas anglais. Les autres non plus. C'est alors qu'elle a l'idée géniale d'organiser une activité qui les réunira tous. Elle sort une théière et des tasses de son sac, et lance Chá! en chinois, sa langue maternelle. L'un après l'autre, ses camarades de classe se lèvent, reconnaissant le mot: en russe, en hindi, en turc, en persan, en arabe, en espagnol, en portugais et en swahili. Le thé est une langue savoureuse qu'ils

connaissent bien et qui leur permet de partager et d'apprécier la compagnie des autres. Lorsque le thé est terminé et qu'il est temps de passer au dessert, Luli a l'occasion d'utiliser son mot anglais préféré, cookie! Par la suite, la salle de jeux n'est plus aussi calme. S'appuyant sur sa propre expérience d'enfant de parents immigrés chinois, Andrea Wang souligne que lorsqu'on cherche à communiquer avec les gens, on doit trouver un lien commun. À la fin du livre, des informations supplémentaires explorent l'histoire riche et ancienne de la dégustation du thé dans les cultures du monde entier. On y trouve aussi des cartes, des statistiques et des détails fascinants qui raviront les enfants. Though they may speak different languages, kids from all over the world come together to enjoy the shared pastime of tea in this delicious book for young readers. When five-year-old Luli joins her new English as a Second Language class, the playroom is quiet. Luli can't speak English, and neither can anyone else. That's when she has a brilliant idea to host a tea party and bring them all together. Luli removes her teapot, thermos, and teacups from her bag and calls out Chá! in her native Chinese. One by one, her classmates pipe up in recognition: in Russian, Hindi, Turkish, Persian, Arabic, Spanish, Portuguese, and Swahili. Tea is a tasty language they all know well, and it gives them a chance to share and enjoy each other's company. When all the tea is gone and it's time for dessert, Luli gets to use her favorite English word, cookie! After that, the playroom isn't so quiet. Informed by her own experience as the child of Chinese immigrant parents, Andrea Wang makes the point that when you're looking to communicate with people, you look for a common bond. The word for tea is similar in many languages, and tea becomes the unifying metaphor that brings a diverse group of children together. Additional material at the back of the book explores the rich and ancient history of tea drinking across cultures all around the world and contains maps, statistics, and fascinating details that will delight young readers. Original title: *Luli and the Language of Tea*

luli and the language of tea: *The Mende Language* F.W.H. Migeod, 2018-12-14 First published in 1908, this volume emerged in the midst of the British Protectorate of Sierra Leone. The author, F.W.H. Migeod, studied the Mende nation in eastern Sierra Leone and followed the example of the grammar (1882) and vocabulary (1884) published by Dr. Schoen in using the southern form of the Mende language. Beginning with an introduction to the recent history, culture and characteristics of the Mende nation and Sierra Leone, this volume covers useful phrases, grammar, vocabulary and example reading materials including stories and songs collected from native speakers.

luli and the language of tea: *An American's Journey into Buddhism* Albert Shansky, 2015-03-10 Structured as a patchwork of conversations, recollections, and lyrical encounters, this rich spiritual autobiography allows readers to eavesdrop on a restless soul in quest of self, God, and home. The memoir tells the story of an American who became intrigued by Buddhism through his love of Asian art and who decided to study the discipline in a Japanese Soto Zen monastery. In Part One, the author gives an account of his life in the Hosshinji monastery in Obama, Japan, detailing his daily routine and his participation in a traditional Takuhatsu almsgiving ceremony, a Sesshin period of intensive meditation, and a Jukai Buddhist initiation ceremony. Part Two describes the author's difficult search for a Buddhist temple to continue his religious practices upon returning to the United States. Part Three deals with the author's involvement in the International Institute for Field-Being and details how his Buddhist training helped prepare him for that venture. Part Four describes obstacles the author has encountered as a lone Buddhism practitioner since his training.

luli and the language of tea: Living and Working in Wartime China Brett Sheehan, Wen-hsin Yeh, 2022-07-31 Covering the years of Japanese invasion during World War II from 1937 to 1945, this essay collection recounts Chinese experiences of living and working under conditions of war. Each of the regimes that ruled a divided China—occupation governments, Chinese Nationalists, and Chinese Communists—demanded and glorified the full commitment of the people and their resources in the prosecution of war. Through stories of both everyday people and mid-level technocrats charged with carrying out the war, this book brings to light the enormous gap between the leadership's demands and the reality of everyday life. Eight long years of war exposed the unrealistic nature of elite demands for unreserved commitment. As the political leaders faced numerous obstacles in material mobilization and retreated to rhetoric of spiritual resistance, the Chinese populace resorted to localized strategies ranging from stoic adaptation to cynical profiteering, articulated variously with touches of humor and tragedy. These localized strategies are examined through stories of people at varying classes and levels of involvement in living, working, and trying to work through the war under the different regimes. In less than a decade, millions of Chinese were subjects of disciplinary regimes that dictated the celebration of holidays, the films available for viewing, the stories told in tea houses, and the restrictions governing the daily operations and participants of businesses—thus impacting the people of China for years to come. This volume looks at the narratives of those affected by the war and regimes to understand perspectives of both sides of the war and its total outcomes. *Living and Working in Wartime China* depicts the brutal micromanaging of ordinary lives, devoid of compelling national purposes, that both undercut the regimes' relationships with their people and helped establish the managerial infrastructure of authoritarian regimes in subsequent postwar years.

luli and the language of tea: *The Mende Language* Frederick William Hugh Migeod, 1908

luli and the language of tea: *Tirana In Your Pocket* ,

luli and the language of tea: *Postmodernity and Cross-culturalism* Yoshinobu Hakutani, 2002 Whereas the text of modernity thrived on its rhythms, symbols, and representations of beauty, and above all on its impersonality, postmodernity in the late decades of the twentieth century sought relationships outside the text - those between literature and history, philosophy, psychology, society, and culture. The exploration of such relationships is literary to postmodernity as it is ancillary to modernity.--BOOK JACKET.

luli and the language of tea: *New York Magazine* , 1984-09-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.
