mrs simcoes diary voyageur classics: Revisiting "Our Forest Home" Jodi Lee Aoki, 2011-06-21 Frances Stewart arrived in Upper Canada from Ireland in 1822 with her husband, three children, and two servants. The family settled in Douro Township on the bank of the Otonabee River in 1823. Spanning three-quarters of a century, her letters represent the immigrant experience of one of the first pioneer women in the Peterborough, Ontario, area. Included are transcripts of the extant collection. They chronicle the three stages of Frances life: the years of her childhood in Ireland to her departure for North America; her voyage across the Atlantic and her life in Upper Canada to the time of her husband's death in 1847; and the period of widowhood until her death in 1872. The chapter summaries, annotations, and key passages extracted from letters written by others further the story of Frances nineteenth-century immigrant life. Advance Praise for Revisiting Our Forest Home Presenting the perspective of a cultivated immigrant who refrained from publication, Frances Stewarts articulate letters to her family and friends nicely complement the narratives of her Peterborough neighbours, Susanna Moodie and Catharine Parr Traill. Jodi Aoki's intelligent approach to the editorial complexities of the Stewart archive has given us a reliable and welcome volume that makes an important contribution to our understanding of women's lives on the Upper-Canadian frontier. Carole Gerson, University Professor, English Department, Simon Fraser University Revisiting Our Forest Home is a welcome addition to the scholarly record of nineteenth-century writing and letters by immigrant gentlewomen to Upper Canada. To have this well-edited and thoughtful record of Stewarts struggles available is a boon to scholars, old and new. With precision

mrs simcoes diary voyageur classics: The Yellow Briar Patrick Slater, 2009-07-06 Folktale, memoir, fiction, literary hoax, The Yellow Briar is all of these. Ostensibly the charming remembrance of an Irish orphan who escapes the Great Famine of 1840s Ireland and comes to the New World to seek a fresh start on the streets of Toronto and in the pioneer hinterland of Canada West (Ontario), the book was actually a fictional humbug perpetrated by John Mitchell, a Toronto lawyer, who first published the tale in 1933. Patrick Slater, the protagonist of the memoir, is said to have died in 1924 but not before setting his saga down on paper. And what an account it is! The Globe and Mail felt that the book gives a picture of Ontario to be found in no other work of fiction we know and has won for itself a permanent place in Canadian literature. If nothing else, Slater/Mitchell captures perfectly the lilt of the Irish and the wry wisdom of an old soul to paint an affecting portrait of trials and tribulations in a long-age time.

mrs simcoes diary voyageur classics: The Town Below Roger Lemelin, 2013-03-30 The Town Below changed the face of Québécois literature. The Town Below takes place in St. Joseph Parish of Quebec City's Saint-Sauveur suburb. Saint-Sauveur is a parochial and provincial place where narrow piety and corruption can be found in every corner, and Denis and Lise, two adolescents in love, scandalize the town with their affair. Scheming politicians and clergymen and grasping social climbers mix with salt-of-the-earth citizens in a rough-and-tumble satiric assault on pre-Quiet Revolution Quebec mores and attitudes. The Town Below won the Prix David and the Prix de la langue française. Lemelin was also awarded Guggenheim and Rockefeller fellowships. A bestseller in Quebec when it originally appeared, The Town Below has been called the pioneer novel of working-class Quebec and exploded, with great controversy, the smothering social and religious strictures prevalent among postwar Québécois. The novel was first published in English by Reynal & Hitchcock in 1948.

mrs simcoes diary voyageur classics: Narratives of Fugitive Slaves in Canada Benjamin Drew, 2008-06-30 In the early 1850s, white American abolitionist Benjamin Drew was commissioned to travel to Canada West (now Ontario) to interview escaped slaves from the United States. At the time the population of Canada West was just short of a million and about 30,000 black people lived in the colony, most of whom were escaped slaves from south of the border. One of the people Drew interviewed was Harriet Tubman, who was then based in St. Catharines but made several trips to the U.S. South to lead slaves to freedom in Canada. In the course of his journeys in Canada, Drew visited Chatham, Toronto, Galt, Hamilton, London, Dresden, Windsor, and a number of other communities. Originally published in 1856, Drew's book is the only collection of first-hand interviews of fugitive slaves in Canada ever done. It is an invaluable record of early black Canadian experience.

mrs simcoes diary voyageur classics: The Donnelly's James Reaney, 2008-05-12 Based on the true story of an Irish family with seven sons and one daughter immigrating to Biddulph Township near London, Ontario, in 1844, *The Donnelly's* tells the tale of mystery and truths stranger than fiction. It is the story of a secret society and a massacre that shocked the Canadian public, a story overlooked by the artistic community until Reaney's play elevated the events to the level of legend. First published in 1975, this script takes its place among other true Canadian classics on university and college course listings and in the hearts of drama lovers everywhere. *The Donnelly's* is a trilogy comprised of *Sticks & Stones*, *St. Nicholas Hotel* and *Handcuffs*, three tense and mythic tragedies that garnered critical praise at the 1973 Tarragon Theatre opening and continue to acquire accolades from professors, actors and artistic directors across the country. As with the drama of Yeats, Eliot, O'Neill, Brecht and Beckett, this rendering of a generation of Irish settlers and their brutal murder at the hands of more than thirty vigilante killers is controversial and exciting to this day. Foreword, Afterword and Chronology by James Noonan.

mrs simcoes diary voyageur classics: God's Sparrows Philip Child, 2017-03-04 A new edition of Philip Child's great Canadian novel of the First World War. A horrifying description of war, specifically embodied in the vain and inglorious futility of the First World War, *God's Sparrows* is a novel rich in compassion and firm in its faith in the human spirit. Philip Child created a Canadian family saga, a modern pilgrim's progress in which individuals surmount the corrosive effects of brutality, maintaining their ability to love and endure under the most agonizing circumstances. His book, first published in 1937, remains as a stirring testimony to that ability. It offers profound insight into the experience of the First World War, not just as a catastrophe affecting his characters but as a crucible in which the whole of this nation found itself tried.

mrs simcoes diary voyageur classics: Pauline Johnson Pauline Johnson, 2013-06-29 Half-Mohawk, half-English author Pauline Johnson astounded Canada with her unique poetry, prose, and presentations. Pauline Johnson was an unusual and unique presence on the literary scene during the late 19th and early 20th centuries. Part Mohawk and part European, she was a compelling female voice in the midst of an almost entirely male writing community. Having discovered her talent for public recitation of poetry, Johnson relied on her ancestry and gender to establish an international reputation for her stage performances, during which she appeared in European and native costume. These poems were later collected under the title of *Flint and Feather* (1912) and form the source of the selections appearing in this volume. Later, suffering from ill health, Pauline Johnson retired from the stage and devoted herself to the writing of prose, collected in *Legends of Vancouver*, *The Moccasin Maker* (1913), and *The Shagganappi* (1913), gleanings from which form part of this collection.

mrs simcoes diary voyageur classics: In Flanders Fields and Other Poems John McCrae, 2015-03-28 "In Flanders Fields," the iconic poem which gives its title to this collection of poems and selected prose, is one of Canada's — and the world's — best known poems of the Great War. It was written in 1915 by Canadian John McCrae, an artillery man, poet, and medical doctor, upon the death of a friend and fellow soldier during the Second Battle of Ypres in 1915. This is a faithful reissue of the Canadian first edition of McCrae's writings, originally issued by his friends in 1919 in his honour and memory. It includes the best of his poetry and selections of his letters from the front lines together with a thoughtful essay of appreciation by his friend and fellow medical officer, Sir Andrew Macphail.

mrs simcoes diary voyageur classics: *The Firebrand* William Kilbourn, 2008-06-30 In *The Firebrand*, William Kilbourn brings to life the rebel Canadian hero William Lyon Mackenzie. A skilled historian and an entertaining writer, Kilbourn reveals Mackenzie's complex character: able political editor, shrewd recorder of his times, efficient first mayor of Toronto, and gadfly of the House of Assembly. Kilbourn vividly recreates the ill-fated Mackenzie-led march on Toronto during the Upper Canada Rebellion of 1837, an uprising of brave but comical farmers unprepared to meet musket and cannon, and deftly portrays the rebellion's aftermath and Mackenzie's subsequent escape and exile. A reprint of William Mackenzie's own account of the Upper Canada Rebellion is featured. This touching, frequently hilarious book was originally published by Clarke, Irwin in 1956 and remained in print through numerous reprintings and editions for several decades, garnering praise such as *The Firebrand* is a major step on the path to nationhood (*Globe and Mail*).

mrs simcoes diary voyageur classics: *The Scalpel, the Sword* Ted Allan, Sydney Gordon, 2009-05-11 Originally published in the early 1950s, *The Scalpel, the Sword* celebrates the turbulent career of Dr. Norman Bethune (1890-1939), a brilliant surgeon, campaigner against private medicine, communist, and graphic artist. Bethune belonged to that international contingent of individuals who recognized the threat of fascism in the world and went out courageously to try to defeat it. Born in Gravenhurst, Ontario, Bethune introduced innovative techniques in treating battlefield injuries and pioneered the use of blood transfusions to save lives, which made him a legend first in Spain during the civil war and later in China when he served with the armies of Mao Zedong in their fight against the invading Japanese. He is today remembered amongst the pantheon of Chinese revolutionary heroes. In Canada Bethune's strong left-wing views made him persona non grata, but this highly readable and engaging account has helped to sustain the memory of a great man.

mrs simcoes diary voyageur classics: *The Men of the Last Frontier* Grey Owl, 2011-02-25 In 1931 Grey Owl published his first book, *The Men of the Last Frontier*, a work that is part memoir, part history of the vanishing wilderness in Canada, and part compendium of animal and First Nations tales and lore. A passionate, compelling appeal for the protection and preservation of the natural environment pervades Grey Owl's words and makes his literary debut still ring with great relevance in the 21st century. By the 1920s, Canada's outposts of adventure had been thrust farther and farther north to the remote margins of the country. Lumbermen, miners, and trappers invaded the primeval forests, seizing on nature's wealth with soulless efficiency. Grey Owl himself fled before the assault as he witnessed his valleys polluted with sawmills, his hills dug up for hidden treasure, and wildlife, particularly his beloved beavers, exterminated for quick fortunes.

mrs simcoes diary voyageur classics: *The Silence on the Shore* Hugh Garner, 2011-02-14 Originally published in 1962, *The Silence on the Shore* is considered by many critics to be Hugh Garner's best, most ambitious novel. Truly, in the person of Grace Hill, the landlady of the Toronto rooming house where most of the book's events take place, Garner has created a fictional character never to be forgotten. Grace is a middle-aged snoop and an overweight nudist whose sexual release comes from watching wrestling matches at a hockey arena that is a thinly disguised Maple Leaf Gardens. Around Grace orbit her various boarders: alcoholic Gordon Lightfoot; Walter Fowler, an aspiring writer whose marriage has just broken up; Aline Garfield, a fundamentalist Christian grappling with various urges and torments; a Polish refugee woman; and a colourful cast of others whose lives intersect in drama that arises from arbitrary or coincidental encounters. According to scholar John Moss, the book is the best realistic novel of Canadian city life yet to be written.

mrs simcoes diary voyageur classics: *The Kindred of the Wild* Charles G. D. Roberts, 2013-09-07 Charles G.D. Roberts was a distinguished poet and novelist whose claim to fame rests on a series of very popular animal stories. Although not a professional naturalist, Roberts based his stories on observations made during time spent in natural surroundings, experiences that began with his boyhood in New Brunswick.

mrs simcoes diary voyageur classics: *The Deserter* Douglas LePan, 2019-02-16 A new edition of the classic novel by Douglas LePan. Returned from the ravages of war, met with a city that offers

Gripped with a restless passion for perfection, haunted by a brief and idealized experience of love, the hero of this poetic, experimental novel lives out in a modern context that most universal of myths: the descent into the underworld to experience initiations and ordeals, and the return with new understanding to the upper world.
