guy doing math meme: **GOD AS AN OLD BEARDED WHITE GUY IN THE SKY** Norm Daploom Ann Awnimusz, 2013-10-06 What's modern Christianity got to do with Christ? His meaning, his WORD (of God) accomplishes so little compared to the self-sanctification assumed by so many. I'll live forever in Heaven because Jesus is my personal savior. With Biblical referencing, this book reveals the extent that images and icons have become idols. Religious art is an aspect of ascendent man, such a creative creation. But the substantive representations (statues, etc.) usurp the spiritual and conceptual essence of what religion, especially Christianity, should be. God is a guy in the sky? Bible says God's invisible!! As for Jesus? What if we took away the handsome (almost Nordic) guy-image? What if no crucifix, even plain cross? Would the born-again really reveal much that's Christ-like? Beyond extensive Biblical-based critique, I've included excerpts from my other writings that concern various aspects of religion.
