

wish you were here postcard

****The Timeless Charm of the Wish You Were Here Postcard****

wish you were here postcard—just those simple words can evoke a flood of nostalgia, warmth, and connection. In an era dominated by instant messaging and social media, the wish you were here postcard remains an enduring symbol of thoughtful communication, a tangible way to share moments from afar. Whether sent from a sun-drenched beach, a bustling city, or a quiet mountain cabin, these postcards carry more than just images—they carry feelings, memories, and heartfelt wishes.

The Enduring Appeal of the Wish You Were Here Postcard

In today's digital age, why does the wish you were here postcard still matter? The answer lies in its unique ability to convey emotion through something physical and personal. Unlike a fleeting text or a generic emoji, a postcard is something you can hold, display, and treasure. It's a snapshot of a place and a moment, coupled with a personal message that says, "I'm thinking of you."

Postcards have been around for over a century, and their popularity surged during the golden age of travel in the early 1900s. Back then, sending a postcard was the easiest and most affordable way to share travel experiences. Today, they serve as a charming alternative to digital communication, offering a break from screens and algorithms.

What Makes a Wish You Were Here Postcard Special?

A Window Into Your Journey

The front image of a postcard typically showcases iconic landmarks, scenic vistas, or cultural highlights from your destination. This visual element gives the recipient a glimpse of where you are and what you're experiencing. It's like sharing a tiny piece of your trip without the need for lengthy explanations or photos.

Personalized Messages That Connect

The magic of the wish you were here postcard lies in the message written on the back. This space is precious real estate for sharing anecdotes, inside jokes, or simply expressing how much you wish the recipient could join you. The handwritten note adds a layer of intimacy that no digital message can replicate.

How to Craft the Perfect Wish You Were Here Postcard

Sending a postcard might seem straightforward, but a little thought can turn it from a casual greeting into a meaningful keepsake.

Choose the Right Postcard

Selecting a postcard that resonates with your destination and your recipient's interests makes the message more impactful. For example, if your friend loves art, picking a postcard featuring a local museum or artwork can add a special touch.

Write a Heartfelt Message

Avoid generic phrases. Instead, share a specific moment or feeling from your trip. Something like, "The sunset over the ocean reminded me of our beach days together. Wish you were here to see it!" feels genuine and personal.

Add a Personal Touch

Consider including small doodles, stickers, or even a pressed flower if you have one from your travels. These little details make your postcard stand out and show extra effort.

The Cultural and Historical Significance of Postcards

Postcards have played an important role in cultural exchange and communication throughout history. During war times, families sent postcards to keep in touch with soldiers, often with coded messages or simple reassurances. Travel postcards helped to introduce people to new places and cultures long before the internet made global exploration commonplace.

Today, vintage postcards are collectors' items, valued for their artistic design and historical context. They offer a glimpse into the past, showing how people saw and shared the world decades ago.

Where to Find Unique Wish You Were Here Postcards

If you're looking to send a postcard that stands out, consider these sources:

- **Local Artisan Shops:** Many cities have small shops selling postcards created by local artists, often featuring unique perspectives and designs.
- **Online Marketplaces:** Websites like Etsy offer handmade or vintage postcards that can add a personal flair.
- **Custom Postcard Printing:** Services allow you to upload your own photos and create personalized postcards, perfect for sharing your unique travel moments.

Tips for Sending Postcards While Traveling

Sending postcards while on the go can sometimes be trickier than it sounds. Here are some practical tips:

- **Buy Early:** Pick up postcards soon after you arrive, so you have time to write and send them before you leave.
- **Check Postal Services:** Research the local postal system to ensure your postcard reaches its destination. Some countries may have different mailing procedures or delays.

- ****Use Clear Addresses:**** Write the recipient's address legibly and include the country name if sending internationally.
- ****Stamp it Right:**** Don't forget to buy the correct postage, which is often available at post offices or tourist information centers.

Digital vs. Physical: The Unique Role of the Wish You Were Here Postcard

While digital photos and messages make sharing travel experiences instantaneous, they often lack permanence. A wish you were here postcard can be pinned to a corkboard, slipped into a scrapbook, or displayed on a mantelpiece. This physicality creates a lasting memory that digital images can't replicate.

Moreover, receiving a postcard in the mail feels special in a world where most communication is virtual. It breaks through the clutter of emails and notifications, offering a moment of surprise and delight.

Creative Ways to Use Wish You Were Here Postcards Beyond Travel

You don't have to be on vacation to send a wish you were here postcard! Here are some creative ideas:

- ****Virtual Travel:**** Send postcards featuring places you hope to visit someday as a way to share your dreams and plans.
- ****Special Occasions:**** Use postcards as invitations or thank-you notes for weddings, birthdays, or other celebrations.
- ****Art Projects:**** Incorporate postcards into collages, journals, or DIY home décor.
- ****Pen Pal Connections:**** Start a postcard exchange with friends or family to keep in touch in a fun, old-fashioned way.

The Emotional Impact of Receiving a Wish You Were Here Postcard

Few things brighten a day quite like finding a postcard in the mailbox. It's a reminder that someone took the time to think of you, to choose or create something meaningful, and to share a part of their life. This simple act can strengthen relationships and create a sense of closeness despite physical distance.

In a world that moves fast, a wish you were here postcard slows things down, inviting us to appreciate the beauty of connection, place, and time.

Whether you're a seasoned traveler or someone who simply enjoys meaningful communication, sending or receiving a wish you were here postcard is a small but powerful way to share joy and connection. It's a charming tradition that blends the visual and the personal, reminding us that sometimes, the simplest messages carry the deepest feelings.

Frequently Asked Questions

What is a 'Wish You Were Here' postcard?

A 'Wish You Were Here' postcard is a type of postcard typically sent from a travel destination, featuring the phrase to express that the sender wishes the recipient could share the experience with them.

Where did the phrase 'Wish You Were Here' on postcards originate?

The phrase 'Wish You Were Here' became popular on postcards in the early 20th century as a simple, heartfelt message travelers used to convey their longing for loved ones to join them.

What occasions are suitable for sending a 'Wish You Were Here' postcard?

These postcards are ideal for vacations, holidays, business trips, or any travel where the sender wants to share their experience and express missing the recipient.

Are 'Wish You Were Here' postcards customizable?

Yes, many companies and online platforms allow you to customize 'Wish You Were Here' postcards with your own photos, messages, and designs to make them more personal.

Can I send a 'Wish You Were Here' postcard internationally?

Absolutely. 'Wish You Were Here' postcards can be sent internationally, but you should check postage requirements and delivery times for the destination country.

What are some popular designs for 'Wish You Were Here' postcards?

Popular designs often include scenic landscapes, famous landmarks, beach scenes, vintage travel themes, or humorous illustrations paired with the 'Wish You Were Here' message.

How do 'Wish You Were Here' postcards compare to digital greetings?

Physical postcards have a nostalgic and personal touch that digital greetings often lack, making them

cherished keepsakes despite the convenience of digital messages.

Where can I buy 'Wish You Were Here' postcards?

You can find these postcards at gift shops, tourist attractions, bookstores, and online retailers specializing in stationery and travel souvenirs.

Is it environmentally friendly to send 'Wish You Were Here' postcards?

While traditional postcards use paper and postage, some companies offer eco-friendly options made from recycled materials or digital postcards to reduce environmental impact.

Can 'Wish You Were Here' postcards be used for marketing or business purposes?

Yes, businesses sometimes use customized 'Wish You Were Here' postcards as promotional materials to engage customers, especially in the travel and hospitality industries.

Wish You Were Here Postcard: A Timeless Gesture in the Digital Age

wish you were here postcard—this phrase evokes nostalgia for a time when communication was tangible, personal, and often artistic. Despite the rise of instant messaging and social media, the wish you were here postcard remains a cherished symbol of travel, connection, and sentimentality. This article delves into the enduring appeal of the wish you were here postcard, its evolution, and its relevance in a rapidly digitizing world.

The Enduring Appeal of the Wish You Were Here Postcard

The wish you were here postcard has long served as a bridge between distant places and loved ones. Historically, postcards emerged in the late 19th century as a convenient way to send short messages with imagery representing the sender's location. The phrase itself captures a universal sentiment—though miles apart, the sender desires the recipient to share in the experience.

In an era dominated by digital communication, the physical postcard offers a unique tactile experience. The tangible nature of a postcard, with its handwritten notes and often vibrant photographs or artwork, provides a sense of authenticity and intimacy that digital messages struggle to replicate. This physicality fosters a deeper emotional connection, making the wish you were here postcard not just a message but a keepsake.

Evolution of the Wish You Were Here Postcard

The design and usage of the wish you were here postcard have evolved considerably over the decades. Early postcards were simple and utilitarian, often featuring monochrome images or basic illustrations. As printing technologies advanced, postcards began to showcase vivid color photography and artistic illustrations, making them collectible items.

With the rise of mass tourism in the 20th century, postcards became a staple souvenir, often depicting iconic landmarks, natural scenery, or cultural motifs. The phrase "wish you were here" became a standard message, sometimes pre-printed, symbolizing the sender's desire to share their journey.

Today, modern postcards blend traditional charm with contemporary aesthetics. Customized postcards allow travelers to print personal photos coupled with the classic wish you were here message, bridging nostalgia with personalization.

Comparing Traditional and Digital Postcards

The emergence of digital postcards and e-cards offers convenience and immediacy, but how do they compare with their traditional counterparts?

- **Physical Presence:** Traditional postcards are tangible artifacts that can be held, displayed, or stored, whereas digital postcards exist only virtually.
- **Sentimental Value:** Handwritten notes on postcards carry emotional weight; the sender's handwriting and choice of message add layers of personal touch.
- **Delivery Time:** Digital postcards arrive instantly, while physical postcards require postal service, which can sometimes take weeks depending on the destination.
- **Environmental Impact:** Digital postcards are more eco-friendly, eliminating paper use and transportation emissions associated with mailing.

While digital postcards excel in speed and environmental considerations, the wish you were here postcard remains unmatched in its capacity to evoke nostalgia and tangible connection.

Features That Make Wish You Were Here Postcards Popular

Several factors contribute to the ongoing popularity of wish you were here postcards:

1. **Visual Appeal:** High-quality images of travel destinations captivate recipients and offer a glimpse into the sender's experience.

2. **Personalization:** Handwritten messages and customized designs make each postcard unique and meaningful.
3. **Affordability:** Postcards are generally inexpensive to purchase and mail, making them accessible souvenirs.
4. **Collectibility:** Many people enjoy collecting postcards from various places, creating physical travel diaries.
5. **Sentimental Communication:** The phrase “wish you were here” conveys warmth and longing, enhancing emotional resonance.

Psychological and Social Aspects of Sending Postcards

Sending a wish you were here postcard is more than a simple communication act; it carries psychological and social significance. The act of selecting a postcard, writing a message, and mailing it involves deliberate thought, reinforcing social bonds.

Research into communication psychology suggests that tangible correspondence, like postcards, can strengthen interpersonal relationships by demonstrating effort and care. Receiving a postcard often triggers positive emotions, nostalgia, and a sense of being valued, which digital messages may lack.

Moreover, postcards provide an opportunity for travelers to reflect on their experiences, contributing to mindful travel and memory consolidation.

Challenges and Limitations

Despite their charm, wish you were here postcards come with some limitations:

- **Delivery Delays:** Postal systems can be slow or unreliable, particularly when sending postcards internationally.
- **Risk of Loss or Damage:** Physical postcards can be lost or damaged en route, potentially disappointing both sender and recipient.
- **Limited Space:** The small writing area restricts the amount of information or sentiment that can be conveyed.
- **Environmental Concerns:** Paper production and mailing contribute to environmental impact, which may deter eco-conscious travelers.

These factors have prompted some to adopt hybrid approaches, such as sending physical postcards alongside digital messages or opting for eco-friendly postcard materials.

Modern Innovations in Postcard Sending

Technology has introduced creative ways to preserve the essence of the wish you were here postcard while addressing some of its drawbacks. Services now enable travelers to create custom postcards using their own photos, which are then printed and mailed on their behalf. This streamlines the process and ensures timely delivery.

Additionally, augmented reality (AR) postcards are emerging, where scanning the postcard with a smartphone can reveal videos or interactive content, enriching the recipient's experience.

Social media platforms also allow users to share virtual postcards, combining images and text with interactive features, though these often lack the personal touch of a handwritten note.

Tips for Crafting the Perfect Wish You Were Here Postcard

To maximize the impact of a wish you were here postcard, consider the following tips:

- **Choose a meaningful image:** Select a postcard that reflects the destination's unique character or the sender's experience.
- **Personalize your message:** Go beyond the cliché and include specific details or anecdotes to make the recipient feel involved.
- **Use clear handwriting:** Legibility ensures the message is easily read and appreciated.
- **Mind postage requirements:** Ensure correct postage to avoid delays or return to sender scenarios.
- **Consider eco-friendly options:** Opt for recycled paper or support postcard providers with sustainable practices.

These practices help maintain the postcard's significance while adapting to contemporary values.

In an age where digital communication dominates, the wish you were here postcard stands as a testament to the enduring human desire for tangible connection and thoughtful expression. Whether as a collector's item, a sentimental gesture, or a creative outlet, the postcard continues to hold a respected place in travel culture and personal correspondence.

wish you were here postcard: Echoes Glenn Povey, 2007 From their gigs in tiny church halls to multimillion-selling albums--The Dark Side of the Moon, Wish You Were Here, and the rock opera The Wall--and elaborate stadium shows, this tome celebrates legendary rock band Pink Floyd. Lavishly illustrated with previously unpublished photographs and rare graphic memorabilia, including posters, advertisements, handbills, and tickets from every era of the band's remarkable history, this survey provides a comprehensive overview of the group, its members, and the times. In addition to a biographical account of the band's collective and individual careers--from their pre-Floyd times in the early 1960s to the present day and their music's evolution from psychedelic and space rock to progressive rock genres--this definitive reference presents a meticulously researched chronological listing of every Pink Floyd and solo concert with set lists, radio and television appearances, and a UK and U.S. discography.

wish you were here postcard: Postcards in the Library Norman D Stevens, 2014-01-09 Postcards, individually and collectively, contain a great deal of information that can be of real value to students and researchers. Postcards in the Library gives compelling reasons why libraries should take a far more active and serious interest in establishing and maintaining postcard collections and in encouraging the use of these collections. It explains the nature and accessibility of existing postcard collections; techniques for acquiring, arranging, preserving, and handling collections; and ways to make researchers and patrons aware of these collections. Postcards in the Library asserts that, in most cases, existing postcard collections are a vastly underutilized scholarly resource. Editor Norman D. Stevens urges librarians to help change this since postcards, as items for mass consumption and often with no apparent conscious literary or social purpose, are a true reflection of the society in which they were produced. Stevens claims that messages written on postcards may also reveal a great deal about individual and/or societal attitudes and ideas. Chapters in Postcards in the Library are written by librarians who manage postcard collections, postcard collectors, and researchers. Some of the authors have undertaken major research projects that demonstrate the ways in which postcards can be used in research, and that have begun to establish a standard methodology for the analysis of postcards. They write about: major postcard collections, including the Institute of Deltiology and the Curt Teich Postcard Archives the use of postcards for scholarly research postcard conservation and preservation, arrangement and organization, and importance and value Postcards in the Library describes the postcard collections in a variety of libraries of different kinds and sizes and indicates very real ways in which the effective use of postcard collections can result in and contribute to substantive, scholarly publications. It also offers advice and suggestions on the myriad issues that libraries face in handling these ephemeral fragments of popular culture. Special collections librarians, postcard collectors, postcard dealers, and historical societies will find the information in Postcards in the Library refreshing and practical. Libraries with established postcard collections or those thinking about developing postcard collections will use it as a valuable planning tool and start-to-finish guide.

wish you were here postcard: New York Magazine , 1981-10-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

wish you were here postcard: »Wow, that's so postcard!« - De-/Konstruktionen des Tropischen in der zeitgenössischen Fotografie Hanna Büdenbender, 2022-09-01 Die Tropen sind gleichzeitig eine geografische Region und eine machtvolle und einflussreiche kulturelle Konstruktion, deren Geschichte eng mit dem europäischen Kolonialismus verbunden ist. Welche Zusammenhänge

bestehen zwischen der Kunstgeschichte, historischen Imaginationen der Tropen und heutigen Tropenbildern im Tourismus, in der Werbung und der Populärkultur? Anhand künstlerischer Positionen zeitgenössischer Fotografie geht Hanna Büdenbender den Konstruktionen und Dekonstruktionen der Tropen nach. Die Studie führt analog zum Orientalismus den Begriff des Tropikalismus ein, um damit die visuelle Konstruktion der Tropen als imaginäre Geografie offenzulegen.

wish you were here postcard: Postcards Lydia Pyne, 2021-10-13 A global exploration of postcards as artifacts at the intersection of history, science, technology, art, and culture. Postcards are usually associated with banal holiday pleasantries, but they are made possible by sophisticated industries and institutions, from printers to postal services. When they were invented, postcards established what is now taken for granted in modern times: the ability to send and receive messages around the world easily and inexpensively. Fundamentally they are about creating personal connections—links between people, places, and beliefs. Lydia Pyne examines postcards on a global scale, to understand them as artifacts that are at the intersection of history, science, technology, art, and culture. In doing so, she shows how postcards were the first global social network and also, here in the twenty-first century, how postcards are not yet extinct.

wish you were here postcard: *The Secret of Annexe 3* Colin Dexter, 2008-09-04 *The Secret of Annexe 3* is the seventh novel in the Oxford-set detective series from Colin Dexter. As portrayed by John Thaw in ITV's *Inspector Morse*. Morse sought to hide his disappointment. So many people in the Haworth Hotel that fateful evening had been wearing some sort of disguise - a change of dress, a change of make-up, a change of partner, a change of attitude, a change of life almost; and the man who had died had been the most consummate artist of them all . . . Chief Inspector Morse seldom allowed himself to be caught up in New Year celebrations. So the murder inquiry in the festive hotel had a certain appeal - it was a crime worthy of the season. With the corpse still in fancy dress - albeit bloodsoaked - and hardly a single guest at the Hadworth hotel having checked in under their real name, Morse is faced with his toughest mystery yet. *The Secret of Annexe 3* is followed by the eighth *Inspector Morse* book, *The Wench is Dead*.

wish you were here postcard: Gift Shop of Gratitude Peter Lovenheim, 2024-11-12 **WRITE YOUR LEGACY** Visit a museum, a national park, a castle in Europe, or even the local zoo these days, and you'll likely be directed to "exit through the gift shop." A gift shop can be a metaphor for life. And that's how award-winning journalist Peter Lovenheim found the inspiration for this book as a gift shop of gratitude. Through the lens of twenty common gift shop souvenirs, you are prompted to recall and organize all the things in life you're most grateful for. Consider the snow globes and ball caps, the T-shirts, postcards, and jewelry—and let them bring to mind the people, places, and life experiences you hold most dear. After reading a chapter about the evolution of scented candles, what do you remember about the aroma of your mother's cooking? Do key chains prompt memories of a friend or mentor who opened important doors for you? Does a bobblehead recall a beloved teacher or athletic coach? This special book will surprise and delight you with the memories it evokes. Then, by journaling your answers in the Gratitude Pages to these thought-provoking prompts, you'll create your own personal memory book. Perfect gift for parents and grandparents to chronicle their family legacy Evokes cherished memories that can be shared for generations Become

the co-author of this book about your own life Create a treasured family heirloom for children, grandchildren, and those you'll create your own personal memory book. People with Kindle Scribe will find it easy to write their memories

wish you were here postcard: *Whisperin' Bill Anderson* Bill Anderson, 2016-09 *Whisperin' Bill: An Unprecedented Life in Country Music* presents a revealing portrait of Bill Anderson, one of the most prolific songwriters in the history of country music. Mega country music hits like *City Lights*, (Ray Price), *Tips Of My Fingers*, (Roy Clark, Eddy Arnold, Steve Wariner), *Once A Day*, (Connie Smith), *Saginaw, Michigan*, (Lefty Frizzell), and many more flowed from his pen, making him one of the most decorated songwriters in music history. But the iconic singer, songwriter, performer, and TV host came to a point in his career where he questioned if what he had to say mattered anymore. Music Row had changed, a new generation of artists and songwriters had transformed the genre, and the Country Music Hall of Fame member and fifty-year Grand Ole Opry star was no longer relevant. By 1990, he wasn't writing anymore. Bad investments left him teetering at bankruptcy's edge. His marriage was falling apart. And in Nashville, a music town where youth often carries the day, he was a museum piece—only seen as a nostalgia act, waving from the stage of the Grand Ole Opry. Anderson was only in his fifties when he assumed he had climbed all the mountains he was intended to scale. But in those moments plagued with self-doubt, little did he know, his most rewarding climb lie ahead. A follow-up to his 1989 autobiography, this honest and revealing book tells the story of a man with an unprecedented gift, holding on to it in order to share it. Known as "Whisperin' Bill" to generations of fans for his soft vocalizations and spoken lyrics, Anderson is the only songwriter in country music history to have a song on the charts in each of the past seven consecutive decades. He has celebrated chart-topping success as a recording artist with eighty charting singles and thirty-seven Top Ten country hits, including "Still," 8 x 10, I Love You Drops, and "Mama Sang A Song." A six-time Song of the Year Award-winner and BMI Icon Award recipient, Anderson has taken home many CMA and ACM Award trophies and garnered multiple GRAMMY nominations. His knack for the spoken word has also made him a successful television host, having starred on "The Bill Anderson Show," "Opry Backstage," "Country's Family Reunion," and others. Moreover, his multi-faceted success extends far beyond the country format with artists like James Brown, Aretha Franklin, Dean Martin, and Elvis Costello recording his songs. Today, thanks to the support of musical peers and a few famous friends who believed in him, Anderson continues to forge the path of lyrical integrity in music, harnessing his ability to craft a song that tells a familiar story, grabs you by the heart and moves you. Modern day examples include *Whiskey Lullaby* (Brad Paisley and Allison Krauss), *Give It Away* (George Strait), *A Lot of Things Different* (Kenny Chesney), and *Which Bridge to Cross* (Vince Gill). A product of a long-gone Nashville, Anderson worked to reinvent himself, and this biography documents Anderson's fifty-plus-year career—a career he once thought unattainable. Richly illustrated with black-and-white photos of Anderson interacting with the superstars of American music, including such legends as Patsy Cline, Vince Gill, and Steve Wariner, this book highlights Anderson's trajectory in the business and his influence on the past, present, and future of this dynamic genre.

wish you were here postcard: *The Secrets of Bell River* Kathleen O'Brien, 2014-05-01 Always an outsider... Armed with only her suitcases and secrets, Tess Spencer arrives at Bell River Ranch. She'll work temporarily at their spa and never tell the Wright sisters her true connection to them. Meeting gorgeous carpenter Jude Calhoun challenges those plans, however. Strong and capable, Jude makes Tess want to share the burden of what she knows.... That confession may come sooner than she wants when her past intrudes at the ranch. But if she reveals the reasons she's here, she will definitely be the outsider—unwelcomed and alone. And leaving Bell River could cost her the one man she wants....

wish you were here postcard: *Beginning PHP5, Apache, and MySQL Web Development* Elizabeth Naramore, Jason Gerner, Yann Le Scouarnec, Jeremy Stolz, Michael K. Glass, 2005-02-04 This update to a Wrox bestseller dives in and guides the reader through the entire process of creating dynamic, data-driven sites using the open source AMP model: Apache Web server, the

MySQL database system, and the PHP scripting language. The team of expert authors covers PHP scripting, database management, security, integration, and e-commerce functions and comes complete with a useful syntax reference. Showcases three fully functional Web site examples, with implementations for both Windows and Linux, that readers can incorporate into their own projects. Updates include a new chapter on PHP5 features and functions, a new example Web site application, and updates to PHP5 throughout the text

wish you were here postcard: Yorktown Linda G. Cooper, Adele Hobby, John Tegeder, Susan Hack-Lane, 2008-02-06 Yorktown is one of the northernmost towns in Westchester County. This volume of vintage postcards draws from a time when the railroad was a predominant fixture in the community and travelers flocked to summer hotels and lakeside bungalow colonies. Often thought of as ephemera, something to be used and thrown away, postcard images have proven over time to be a valuable document of a time and place. For those who were visitors and those who received postcards, these striking images capture the past in terms of Yorktowns architecture, entertainment, commerce, and community.

This edition contains an answer key.

wish you were here postcard: Maywood Douglas Deuchler, 2004-08-06 The character of this singular suburb is preserved and celebrated in Images of America: Maywood. A must-have for fans of Illinois history. Ten miles west of Chicago on the west bank of the Des Plaines River sits Maywood, a village that was founded in 1869 by seven New England businessmen who established the Maywood Land Company. This prairie community, carefully laid out along the railroad, experienced a population boom after the Great Chicago Fire of 1871. Soon industry arrived, followed by a variety of ethnic groups. Maywood was one of the few early suburban communities with an African-American neighborhood. Explore the fascinating history of Maywood, Illinois, with author Douglas Deuchler, a journalist, playwright, and historian who taught in the community for 34 years. Maywood transports readers back in time to meet the people and visit the places that provide the town with its unique heritage.

wish you were here postcard: Boom and Bust Colorado Thomas J. Noel, William J. Hansen, 2021-09-01 Promises of gold brought the first waves of European-Americans to Colorado in the 1850s. They found riches and built cities that never should have lasted. Readers will discover the golden beginnings of towns like Leadville and Boulder and meet the early settlers and miners who

brought them to life. The next promise was always right around the corner, and the optimistic pioneers who came west simply never gave up. Silver flooded the state with more riches and more people, until the bubble burst and Colorado faded from the forefront of the American dream. The state is booming again today, with a vibrant beer, marijuana and energy economy epitomizing the 21st century American dream. This is the history of Colorado through the lens of its uniquely mythic economy, from boom to boom and into the future.

wish you were here postcard: *Handmade Hellos* Eunice Moyle, Sabrina Moyle, 2010-07-01 Signed, sealed, delivered! In this delightful book, card-making mavens Eunice and Sabrina Moyle of Hello! Lucky letterpress gather together more than 25 projects from today's most talented paper artists. wish you were here postcard: *Postcards From Last Summer* Roz Bailey, 2013-10-15 Darcy, Tara and Lindsay are the best of friends who reconnect every summer for a few weeks of catching up and living easy. The summertime is anything but boring for these three strong women who indulge in the best of what's in season: romance, excitement and the time of their lives.

wish you were here postcard: Miss Manners' Guide to Excruciatingly Correct Behavior (Freshly Updated) Judith Martin, 2011-02-07 An indispensable manual to navigating life from birth to death without making a false move. Your neighbor denounces cellular telephones as instruments of the devil. Your niece swears that no one expects thank-you letters anymore. Your father-in-law insists that married women have to take their husbands' names. Your guests plead that asking them to commit themselves to attending your party ruins the spontaneity. Who is right? Miss Manners, of course. With all those amateurs issuing unauthorized etiquette pronouncements, aren't you glad that there is a gold standard to consult about what has really changed and what has not? The freshly updated version of the classic bestseller includes the latest letters, essays, and illustrations, along with the laugh-out-loud wisdom of Miss Manners as she meets the new millennium of American misbehavior head-on. This wickedly witty guide rules on the challenges brought about by our ever-evolving society, once again proving that etiquette, far from being an optional extra, is the essential currency of a civilized world.
