lana del rey paradise songs: Handbook of Research on the Future of Advertising and Brands in the New Entertainment Landscape Miguélez-Juan, Blanca, Bonales-Daimiel, Gema, 2023-01-09 In a globalized world full of noise, brands are constantly launching messages through different channels. For the last two decades, brands, marketers, and creatives have faced the difficult task of reaching those individuals who do not want to watch or listen to what they are trying to tell them. lana del rey paradise songs: David Lynch's American Dreamscape Mike Miley, 2025-01-09 How are David Lynch's films as much in dialogue with literary and musical traditions as they are cinematic ones? By interrogating this question, David Lynch's American Dreamscape broadens the interpretive horizons of Lynch's filmography, calling for a new approach to Lynch's films that goes beyond cinema and visual art to explore how Lynch's work engages with literary and musical works that have shaped the American imagination. As much as Lynch stands as a singular artistic voice, his work arises from and taps into the cultural zeitgeist in a way that illuminates not only his approach to creativity but also the way works interact with each other in an age of mass media. From children's literature to teen tragedy ballads, Nathanael West and Cormac McCarthy to folk music

and mixtapes, David Lynch's *American Dreamscape* investigates the cultural frequencies Lynch's films tune into and positions Lynch's work as a conduit for American popular culture, a medium or channel through which the subconscious of American life finds its way into full view. The book expands upon this approach by discussing how artists such as David Foster Wallace and Lana Del Rey graft Lynch's affiliative, cinematic sensibility onto their own projects. Reading their work as intertextual engagements with Lynch's films further illustrates the versatile interactions among creators and audiences to generate more works, readers, and readings.

lana del rey paradise songs: Goodbye, Guns N' Roses Art Tavana, 2021-04-13 *Goodbye, Guns N' Roses* transports the reader into a mind-altering trip through the colors, scandals, nihilism, and mythology that make Guns N' Roses so much more than another "hair metal" band. A valentine and a breakup letter to one of rock's most controversial bands. *Goodbye, Guns N' Roses* is a genre-rattling attempt to explain the appeal of America's most divisive rock band. While it includes uncharted history and the self-lacerating connoisseurship of a Guns N' Roses fetishist, it is not a recycled chronicle — this book is a deconstruction of myth, one that blends high and low art

sketches to examine how Guns N' Roses impacted popular culture. Unlike those who have penned other treatments of what might be considered a clichéd subject, Art Tavana is not writing as a GNR patriot or former employee. His book aims to provide an untethered exploration that machetes through the jungle of propaganda camouflaging GNR's explosive appeal. After circling the band's three-decade plundering of American culture, *Goodbye, Guns N' Roses* uncovers a postmodern portrait that persuades its viewer to think differently about their symbolic importance. This is not a rock bio but a biography of taste that treats a former "hair metal" band like a decomposing masterpiece. This is the first Guns N' Roses book written for everyone; from the Sunset Strip to a hyper-digital generation's connection to "Woke Axl," it is a pop investigation that dodges no bullets.

The author explores their allure along with the mechanisms of iconicity.

lana del rey paradise songs: *FEMINISTISCHE PÄDAGOGIK und Unterricht* Frederik Durczok, 2022-01-26 Nachdem eine weitere neue Welle des Feminismus in den letzten Jahren breit diskutiert wurde, stellte das Jahr 2020 mit den in vielen Bereichen geschlechtsspezifischen Folgen der Corona-Pandemie und der entsprechenden Maßnahmen wieder vieles in Frage. Wie weit, wie drängend und wie notwendig ist der Feminismus für die anbrechenden 2020er Jahre? Der vorliegende Band richtet sich an Interessierte, die gern über Feminismus nachdenken, reflektieren und streiten oder gar feministisch denken. Insbesondere aber ist es auch eine Ideensammlung für praktische Umsetzungen im schulischen Unterricht und richtet sich an Lehrende. Die Unterrichtsideen decken ein gewisses Spektrum an Fächern ab, dabei gibt es – dem Thema geschuldet – einen gesellschaftswissenschaftlichen Schwerpunkt. Wir sind aber darüber hinaus der Überzeugung, dass die aufgeführten Beispiele auch Inspirationen für jeweils andere Fächer geben können. Dies mag auch daran liegen, dass Feministische Pädagogik im urpädagogischen Sinne stets mit Selbstreflexion, Rollenproblematisierung und Perspektivenwechsel in verschiedenste Richtungen zu tun hat. So ist sie immer Schüler*innen-orientiert und damit auch potenziell fächerübergreifend. Anders als die Modewellen und gesellschaftlichen Strömungen um die verschiedenen Feminismen bleibt feministisches Denken zeitlos.

lana del rey paradise songs: Eden E.M. Snow, 2022-01-11 At Angelview Academy, Saint Angelle is God. Trust me, I should know. I'm the girl who's watched him manipulate and ruin and break—the nobody he's done all those things and so much more to. Saint swears he had his reasons. He vows that he's not the enemy. He even promises to tear down kingdoms to keep me safe. To possess me. To keep me. I think he's wrong. Because we were star-crossed—the vicious god and the unsuspecting mortal—from the moment I stepped foot on campus. And there's only one way this will end. EDEN is a full-length, 110,000 word new adult/ mature high school romance with enemies-to-lovers and bullying themes. It is not recommended for readers under 17 as it contains dubious situations and triggers that some readers may find offensive. It is the third book in the Angelview Academy series and is the conclusion of the story line started in SAINT and MALICE.
