American Literature in the 1920s: A Journey Through the Jazz Age's Literary Landscape

**american literature in the 1920s** captures a fascinating and transformative era in the cultural history of the United States. This decade, often referred to as the Roaring Twenties or the Jazz Age, was marked by remarkable social change, economic prosperity, and a deep sense of experimentation in the arts. American writers during this time both reflected and challenged the shifting values of society, producing works that continue to resonate today. Exploring this vibrant period reveals how literature became a mirror to the hopes, disillusionments, and complexities of post-World War I America.

## The Cultural Context Behind American Literature in the 1920s

The 1920s was a decade of dynamic contrasts. On one hand, it was a time of unprecedented economic growth and modernization. On the other, it saw lingering social tensions, such as racial inequality and the struggle for women's rights. The aftermath of World War I left many Americans questioning traditional norms and searching for new identities. This restless energy influenced the literary scene profoundly.

The rise of jazz music, the flapper culture, Prohibition, and the Harlem Renaissance all served as backdrops to the literary innovations of the time. Writers were experimenting with form and content, pushing boundaries in narrative style, and tackling themes like alienation, materialism, and the quest for meaning.

## Key Movements and Themes in 1920s American Literature

### The Lost Generation: Voices of Disillusionment

One of the most notable literary groups of the 1920s was the Lost Generation—a term popularized by Ernest Hemingway and Gertrude Stein to describe a cohort of American expatriate writers living primarily in Paris. These authors grappled with feelings of disillusionment following the horrors of World War I, often portraying protagonists who felt disconnected from traditional American values.

Authors such as Ernest Hemingway, F. Scott Fitzgerald, and T. S. Eliot crafted works that exemplified this theme. Hemingway's minimalist style and terse prose captured the emotional detachment of his characters, while Fitzgerald's novels explored the decadence and moral ambiguity of the Jazz Age. T. S. Eliot's poetry, meanwhile, introduced modernist sensibilities with its fragmented structure and allusive depth.

# **The Harlem Renaissance: A Flourishing of African American Voices**

Another crucial aspect of American literature in the 1920s was the Harlem Renaissance, a cultural and intellectual movement centered in Harlem, New York. This period marked a significant emergence of African American writers, poets, and thinkers who celebrated Black identity, history, and culture.

Figures like Langston Hughes, Zora Neale Hurston, and Claude McKay brought fresh perspectives and vibrant voices to American letters. Their work often intertwined themes of racial pride, social injustice, and the search for self-expression. The Harlem Renaissance expanded the literary landscape and challenged mainstream narratives, making it an essential chapter in understanding 1920s literature.

## **Modernism and Experimentation in Narrative Form**

The 1920s saw a surge in modernist literature, characterized by a break from conventional storytelling and an embrace of innovative techniques. Writers experimented with stream of consciousness, non-linear narratives, and symbolic imagery to delve deeper into psychological and existential themes.

For example, William Faulkner's works, though emerging slightly later, were rooted in the modernist impulse that took hold during the 1920s. His complex narrative structures illuminated the fractured nature of Southern identity and history. Similarly, Gertrude Stein's avant-garde prose challenged readers to rethink language and meaning.

## **Prominent Works and Authors Defining American Literature in the 1920s**

### **F. Scott Fitzgerald and *The Great Gatsby***

No discussion of American literature in the 1920s is complete without mentioning F. Scott Fitzgerald's masterpiece, *The Great Gatsby*. Published in 1925, the novel captures the spirit of the Jazz Age through its portrayal of wealth, ambition, and the elusive American Dream. Gatsby's parties, his yearning for Daisy, and the moral decay lurking beneath the glittering surface provide a sharp critique of 1920s society.

Fitzgerald's lush prose and incisive social commentary made this work a definitive novel of the decade and a staple of American literary studies.

### **Ernest Hemingway's Impact and Style**

Ernest Hemingway revolutionized American prose with his stripped-down, economical writing style

that conveyed powerful emotions through understatement. His 1926 novel, *\*The Sun Also Rises\**, exemplifies the Lost Generation's themes of postwar alienation and disillusionment.

Hemingway's approach to storytelling—often called the “iceberg theory”—influenced generations of writers and remains a cornerstone of modern American fiction.

## Langston Hughes and the Voice of Harlem

Langston Hughes, one of the central figures of the Harlem Renaissance, brought poetry and prose that celebrated Black culture with lyrical vibrancy. His works such as “The Weary Blues” and “Montage of a Dream Deferred” blend jazz rhythms with poignant social observations.

Hughes's accessible style and commitment to portraying the everyday lives of African Americans helped to democratize literature and broaden its cultural relevance.

## How American Literature in the 1920s Influences Today

Understanding American literature in the 1920s offers valuable insights into how literature can simultaneously reflect and shape societal values. The era's emphasis on innovation, cultural diversity, and social critique paved the way for many contemporary literary movements.

For readers and writers today, studying this period encourages an appreciation for narrative experimentation and the courage to address difficult social issues. Whether through the lens of the Lost Generation's existential angst or the Harlem Renaissance's celebration of identity, the 1920s continue to inspire new generations to explore complex human experiences through literature.

## Tips for Exploring 1920s American Literature

- **Start with landmark texts:** Dive into *\*The Great Gatsby\** or *\*The Sun Also Rises\** to get a feel for the major themes and styles.
- **Explore poetry and prose:** Look beyond novels to poetry by Langston Hughes or T. S. Eliot — their work offers unique insights into the period's mood.
- **Consider the historical context:** Understanding Prohibition, the Jazz Age, and the social dynamics of the 1920s enriches your reading experience.
- **Compare diverse voices:** Contrast the perspectives of expatriate writers with those from the Harlem Renaissance to appreciate the decade's cultural complexity.

American literature in the 1920s remains a testament to a decade defined by change, creativity, and a profound questioning of identity. Its legacy lives on in the enduring works and voices that continue

to challenge, entertain, and enlighten readers around the world. Whether you're a student, a casual reader, or a literary enthusiast, immersing yourself in this era opens a window into the heart of American cultural history.

## **Frequently Asked Questions**

### **What are the defining characteristics of American literature in the 1920s?**

American literature in the 1920s is characterized by modernism, a break from traditional forms, experimentation with style and narrative, and themes exploring disillusionment, the Jazz Age, the American Dream, and social change.

### **Who were some prominent American authors of the 1920s?**

Prominent American authors of the 1920s include F. Scott Fitzgerald, Ernest Hemingway, Langston Hughes, Zora Neale Hurston, and William Faulkner.

### **How did the Harlem Renaissance influence American literature in the 1920s?**

The Harlem Renaissance was a cultural movement centered in Harlem, New York, that celebrated African American culture and identity. It significantly influenced American literature by bringing African American voices, themes of racial pride, and social justice issues to the forefront through writers like Langston Hughes and Zora Neale Hurston.

### **What role did the Jazz Age play in shaping the literature of the 1920s?**

The Jazz Age, marked by jazz music's popularity and a vibrant social scene, inspired writers to depict the era's extravagance, freedom, and moral ambiguity. This is evident in works like Fitzgerald's "The Great Gatsby," which examines the decadence and disillusionment of the time.

### **How did the 1920s literary works reflect the social changes occurring in America?**

Literary works of the 1920s reflected social changes such as urbanization, changing gender roles, Prohibition, and racial tensions. Writers explored themes of alienation, the questioning of traditional values, and the complexities of modern life, mirroring the rapidly evolving American society.

## **Additional Resources**

American Literature in the 1920s: A Decade of Innovation and Cultural Reflection

**american literature in the 1920s** represents a pivotal era marked by profound social change, artistic experimentation, and the emergence of distinct literary voices that reshaped the nation's cultural landscape. This decade, often referred to as the Jazz Age or the Roaring Twenties, witnessed writers grappling with the aftermath of World War I, economic prosperity, and shifting social norms. The literature of this period is characterized by a break from traditional forms, an exploration of modernist themes, and a vibrant depiction of the complexities of American identity.

## The Contextual Backdrop of American Literature in the 1920s

To understand american literature in the 1920s, one must first consider the historical and cultural forces at play. The conclusion of the First World War in 1918 left a generation disillusioned and questioning previously held beliefs about progress and morality. The economic boom of the decade fueled urbanization and consumer culture, while Prohibition and the Harlem Renaissance created fertile ground for new artistic expressions. These diverse influences converged to produce literature that was both a reflection and critique of contemporary society.

The 1920s also saw the migration of African Americans to northern cities, which invigorated cultural production and introduced new perspectives into mainstream literature. This period's literary output cannot be divorced from the broader social upheavals, including the struggle for civil rights, women's suffrage, and the tension between traditional values and modern lifestyles.

## Modernism and the Break from Tradition

One of the defining features of american literature in the 1920s is the rise of Modernism—a movement that emphasized experimentation with narrative structures, language, and themes. Writers rejected linear storytelling and conventional realism in favor of fragmented, symbolic, and often ambiguous prose and poetry. This shift mirrored the fragmented reality of the postwar world and the complexities of modern life.

Prominent modernist figures such as F. Scott Fitzgerald, Ernest Hemingway, and William Faulkner emerged during this decade. Their works frequently explored themes of alienation, the disillusionment of the American Dream, and the search for meaning in a rapidly changing world.

## Key Authors and Their Contributions

- **F. Scott Fitzgerald:** Often hailed as the quintessential chronicler of the Jazz Age, Fitzgerald's novel *The Great Gatsby* (1925) remains a critical exploration of wealth, decadence, and the elusive nature of the American Dream. His lyrical style and acute social commentary capture the spirit and contradictions of the 1920s.
- **Ernest Hemingway:** Known for his distinctive economical prose, Hemingway's works such as *The Sun Also Rises* (1926) portray the "Lost Generation," a cohort of expatriates grappling with

postwar disillusionment. His sparse style contrasted sharply with the ornate literary traditions that preceded him.

- **William Faulkner:** While his most celebrated works appeared later, Faulkner's early 1920s writings laid the foundation for his complex narrative techniques and exploration of the American South's social and psychological landscapes.
- **Zora Neale Hurston:** A pivotal figure in the Harlem Renaissance, Hurston's anthropological approach and vibrant storytelling in works like *Jonah's Gourd Vine* (1934) brought African American folklore and vernacular speech into mainstream literature.
- **Langston Hughes:** As a leading voice of the Harlem Renaissance, Hughes infused his poetry and prose with jazz rhythms and themes of racial pride, social justice, and the African American experience.

## The Harlem Renaissance: A Literary and Cultural Explosion

The Harlem Renaissance was arguably the most significant cultural movement influencing American literature in the 1920s. Centered in Harlem, New York City, this renaissance represented a flourishing of African American arts, including literature, music, and visual arts. Writers used their works to challenge prevailing racial stereotypes and to assert a new, empowered black identity.

This movement not only redefined African American literature but also influenced the broader literary scene by introducing new themes and styles. It emphasized the importance of racial pride, cultural heritage, and social equality, all of which were groundbreaking in a segregated society.

### Impact on American Literary Canon

The Harlem Renaissance writers expanded the American literary canon by highlighting voices that had been marginalized or ignored. Their contributions during the 1920s laid the groundwork for later civil rights literature and continued to inspire generations of writers worldwide.

## Literary Themes and Innovations of the 1920s

American literature in the 1920s is notable for its thematic diversity and formal innovation. Several recurring themes include:

- **The American Dream and Its Discontents:** Many authors examined the promises and failures of the American Dream, often portraying it as an unattainable ideal fraught with moral decay and social inequality.

- **Alienation and Disillusionment:** Reflecting the postwar zeitgeist, writers explored feelings of estrangement from society, self, and traditional values.
- **Modernity and Urban Life:** The rapid growth of cities and the rise of consumer culture were frequent subjects, highlighting both their allure and their anxieties.
- **Race and Identity:** The exploration of racial identity, particularly through the Harlem Renaissance, challenged dominant narratives and enriched American literature's thematic scope.

Formally, the decade witnessed experimentation with narrative perspectives, stream-of-consciousness techniques, and fragmented structures, all hallmarks of literary modernism. These innovations allowed authors to delve deeper into psychological complexity and to represent reality in more nuanced ways.

## Comparisons with Previous Literary Periods

Unlike the realism and naturalism dominant in the late 19th and early 20th centuries, the 1920s embraced ambiguity and subjectivity. The transition from Victorian moral certainty to modernist skepticism represented a major shift in American letters. While earlier writers often focused on social issues through detailed depictions of everyday life, 1920s authors were more inclined to interrogate the internal experiences of their characters and the symbolic meanings of their settings.

## The Role of Women Writers in the 1920s

The decade also marked significant progress for women writers, who used literature to explore gender roles and female autonomy amid changing social conditions. The passage of the 19th Amendment in 1920, granting women suffrage, coincided with a surge in female literary voices.

Writers such as Edna St. Vincent Millay, Dorothy Parker, and Edith Wharton challenged traditional portrayals of women, addressing themes of independence, sexuality, and societal expectations. Their work contributed to the broader cultural conversations about modern womanhood and the evolving roles of women in American society.

## Pros and Cons of the Literary Shifts

- **Pros:** The modernist experimentation enriched American literature in the 1920s by fostering originality, psychological depth, and a willingness to confront difficult social realities. The inclusion of diverse voices, notably from the Harlem Renaissance and women writers, broadened the cultural perspective of American letters.
- **Cons:** The complexity and ambiguity of modernist texts sometimes alienated readers

accustomed to traditional narratives. Additionally, the focus on elite literary circles occasionally overshadowed popular or regional literary forms, limiting the immediate reach of some works.

## Legacy of American Literature in the 1920s

The literary innovations and cultural reflections of the 1920s left an indelible mark on the trajectory of American literature. The decade's authors pioneered narrative techniques and thematic explorations that continue to influence contemporary writers. Moreover, the decade's engagement with race, gender, and identity issues set the stage for the social and literary movements that followed.

In examining american literature in the 1920s, it becomes clear that this era was not merely a historical moment but a dynamic and transformative force. It offered a new language and vision for capturing the complexities of modern American life, one that resonates in literary studies and popular culture to this day.

**american literature in the 1920s: American Literature in Transition, 1920-1930** Ichiro Takayoshi, 2017-12-28 American Literature in Transition, 1920-1930 examines the dynamic interactions between social and literary fields during the so-called Jazz Age. It situates the era's place in the incremental evolution of American literature throughout the twentieth century. Essays from preeminent critics and historians analyze many overlapping aspects of American letters in the 1920s and re-evaluate an astonishingly diverse group of authors. Expansive in scope and daring in its mixture of eclectic methods, this book extends the most exciting advances made in the last several decades in the fields of modernist studies, ethnic literatures, African-American literature, gender studies, transnational studies, and the history of the book. It examines how the world of literature intersected with other arts, such as cinema, jazz, and theater, and explores the print culture in transition, with a focus on new publishing houses, trends in advertising, readership, and obscenity laws.

**american literature in the 1920s: American Literature in Transition, 1910-1920** Mark W. Van Wienen, 2017-12-28 American Literature in Transition, 1910-1920 offers provocative new readings of authors whose innovations are recognized as inaugurating Modernism in US letters, including Robert Frost, Willa Cather, T. S. Eliot, Ezra Pound, Gertrude Stein, H. D., and Marianne Moore. Gathering the voices of both new and established scholars, the volume also reflects the diversity and contradictions of US literature of the 1910s. 'Literature' itself is construed variously, leading to explorations of jazz, the movies, and political writing as well as little magazines, lantern slides, and sports reportage. One section of thematic essays cuts across genre boundaries. Another section oriented to formats drills deeply into the workings of specific media, genres, or forms.

Essays on institutions conclude the collection, although a critical mass of contributors throughout explore long-term literary and cultural trends - where political repression, race prejudice, war, and counterrevolution are no less prominent than experimentation, progress, and egalitarianism.

**american literature in the 1920s:** *The Cambridge History of American Literature: Volume 3, Prose Writing, 1860-1920* Sacvan Bercovitch, Cyrus R. K. Patell, 1994 Multi-volume history of American literature.

**american literature in the 1920s: African American Literature in Transition, 1920-1930: Volume 9** Miriam Thaggert, Rachel Farebrother, 2022-04-07 African American Literature in Transition, 1920-1930 presents original essays that map ideological, historical, and cultural shifts in the 1920s. Complicating the familiar reading of the 1920s as a decade that began with a spectacular boom and ended with disillusionment and bust, the collection explores the range and diversity of Black cultural production. Emphasizing a generative contrast between the ephemeral qualities of periodicals, clothes, and décor and the relative fixity of canonical texts, this volume captures in its dynamics a cultural movement that was fluid and expansive. Chapters by leading scholars are grouped into four sections: 'Habitus, Sound, Fashion'; 'Spaces: Chronicles of Harlem and Beyond'; 'Uplift Renewed: Religion, Protest, and Education,' and 'Serial Reading: Magazines and Periodical Culture.'

**american literature in the 1920s:** *A People's History of English and American Literature* Eugene V. Moran, 2002 With special emphasis on literary merit, this book chronicles the literature of the great nations of Britain and America from their earliest origins to the twenty-first century.

**american literature in the 1920s:** *American Literature and the Academy* Kermit Vanderbilt, 1989-02 This book is a volume in the Penn Press Anniversary Collection. To mark its 125th anniversary in 2015, the University of Pennsylvania Press rereleased more than 1,100 titles from Penn Press's distinguished backlist from 1899-1999 that had fallen out of print. Spanning an entire century, the Anniversary Collection offers peer-reviewed scholarship in a wide range of subject areas.

**american literature in the 1920s:** *The Continuum Encyclopedia of American Literature* Steven R. Serafin, Alfred Bendixen, 2005-09-01 More than ten years in the making, this comprehensive single-volume literary survey is for the student, scholar, and general reader. The Continuum Encyclopedia of American Literature represents a collaborative effort, involving 300 contributors from across the US and Canada. Composed of more than 1,100 signed biographical-critical entries, this Encyclopedia serves as both guide and companion to the study and appreciation of American literature. A special feature is the topical article, of which there are 70.

**american literature in the 1920s: The Chronology of American Literature** Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge, check a favorite author's work, or see a year's bestsellers at a glance, The Chronology of American Literature is the perfect resource. At once an authoritative reference and an ideal browser's guide, this book outlines the indispensable information in America's rich literary past--from major publications to lesser-known gems--while also identifying larger trends along the literary timeline. Who wrote the first published book in America? When did Edgar Allan Poe achieve notoriety as a mystery writer? What was Hemingway's breakout title? With more than 8,000 works by 5,000 authors, The Chronology makes it easy to find answers to these questions and more. Authors and their works are grouped within each year by category: fiction and nonfiction; poems; drama; literary criticism; and publishing events. Short, concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career. The result is a fascinating glimpse into the evolution of some of America's most prominent writers. Perhaps most important, The Chronology offers an invaluable line through our literary past, tying literature to the American experience--war and peace, boom and bust, and reaction to social change. You'll find everything here from Benjamin Franklin's Experiments and Observations on Electricity, to Davy Crockett's first memoir; from Thoreau's Civil Disobedience to Edith Wharton's Ethan Frome; from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop. Also included here are seminal works by authors such as Rachel Carson, Toni

Morrison, John Updike, and Arthur Schlesinger, Jr. Lavishly illustrated--and rounded out with handy bestseller lists throughout the twentieth century, lists of literary awards and prizes, and authors' birth and death dates--The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast. It is the essential link to our literary past and present.

**american literature in the 1920s: *Philanthropic Discourse in Anglo-American Literature, 1850-1920*** Frank Q. Christianson, Leslee Thorne-Murphy, 2017-10-19 "Offers . . . a clearer insight into the scope and function of philanthropy in political and private life and the impacts that women writers and activists had." —Edith Wharton Review From the mid-nineteenth century until the rise of the modern welfare state in the early twentieth century, Anglo-American philanthropic giving gained an unprecedented measure of cultural authority as it changed in kind and degree. Civil society took on the responsibility for confronting the adverse effects of industrialism, and transnational discussions of poverty, urbanization, and women's work, and sympathy provided a means of understanding and debating social reform. While philanthropic institutions left a transactional record of money and materials, philanthropic discourse yielded a rich corpus of writing that represented, rationalized, and shaped these rapidly industrializing societies, drawing on and informing other modernizing discourses including religion, economics, and social science. Showing the fundamentally transatlantic nature of this discourse from 1850 to 1920, the authors gather a wide variety of literary sources that crossed national and colonial borders within the Anglo-American range of influence. Through manifestos, fundraising tracts, novels, letters, and pamphlets, they piece together the intellectual world where philanthropists reasoned through their efforts and redefined the public sector.

**american literature in the 1920s: *A History of American Literature*** Richard Gray, 2011-09-23 Updated throughout and with much new material, *A History of American Literature*, Second Edition, is the most up-to-date and comprehensive survey available of the myriad forms of American Literature from pre-Columbian times to the present. The most comprehensive and up-to-date history of American literature available today Covers fiction, poetry, drama, and non-fiction, as well as other forms of literature including folktale, spirituals, the detective story, the thriller, and science fiction Explores the plural character of American literature, including the contributions made by African American, Native American, Hispanic and Asian American writers Considers how our understanding of American literature has changed over the past thirty years Situates American literature in the contexts of American history, politics and society Offers an invaluable introduction to American literature for students at all levels, academic and general readers

**american literature in the 1920s: *The Concise Oxford Companion to African American Literature*** William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15 A breathtaking achievement, this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades. It offers an enormous range of writers--from Sojourner Truth to Frederick Douglass, from Zora Neale Hurston to Ralph Ellison, and from Toni Morrison to August Wilson. It contains entries on major works (including synopses of novels), such as Harriet Jacobs's *Incidents in the Life of a Slave Girl*, Richard Wright's *Native Son*, and Lorraine Hansberry's *A Raisin in the Sun*. It also incorporates information on literary characters such as Big Boy Thomas, Coffin Ed Johnson, Kunta Kinte, Sula Peace, as well as on character types such as Aunt Jemima, Brer Rabbit, John Henry, Stackolee, and the trickster. Icons of black culture are addressed, including vivid details about the lives of Muhammad Ali, John Coltrane, Marcus Garvey, Jackie Robinson, John Brown, and Harriet Tubman. Here, too, are general articles on poetry, fiction, and drama; on autobiography, slave narratives, Sunday School literature, and oratory; as well as on a wide spectrum of related topics. Compact yet thorough, this handy volume gathers works from a vast array of sources--from the black periodical press to women's clubs--making it one of the most substantial guides available on the growing, exciting world of African American literature.

**american literature in the 1920s: *Images of America in Scandinavia*** Poul Houe, Sven Hakon Rossel, 1998 The subject of *Images of America in Scandinavia*, the first comprehensive study of its

kind, is as multifaceted, complex, and overwhelming as America or the United States, itself. It concerns the nature and function, reality and fiction of such images in Denmark, Norway, and Sweden past and present. The book is intended to be a source of solid information as well as a starting point for further inquiries into its cultural territory. Part of its focus is on images of America rooted in printed sources, but, in addition, general surveys of other cultural signs of America in the Scandinavian countries present a broader picture and provide some of the background for the predominantly literary images. Issues such as government and politics, popular and vanguard music and art, and socio-cultural institutions intermittently come to the fore. Framing the volume's three pairs of national surveys is an introductory chapter, which addresses the entire subject from a bird's-eye view, and a concluding chapter, which, by contrast, delves into the cross-fire of sentiments defining people whose images of America, are both American and Scandinavian. The discussion of America as perceived in Scandinavia sheds new light on intriguing inter-Scandinavian cultural distinctions and borderlines. Countless books and articles, methods and theories, have been devoted to the study of national and cultural identity. Still, the exchanges between such identities and the images they engender - so indispensable for the participants in a global culture - remain clouded by many misconceptions. Images of America in Scandinavia whose editors and authors all have Scandinavian backgrounds, will contribute an improved understanding of the cultural interplay between Scandinavia and the United States of America.

**american literature in the 1920s: The Wiley Blackwell Anthology of African American Literature, Volume 2** Gene Andrew Jarrett, 2014-01-28 The Wiley Blackwell Anthology of African American Literature is a comprehensive collection of poems, short stories, novellas, novels, plays, autobiographies, and essays authored by African Americans from the eighteenth century until the present. Evenly divided into two volumes, it is also the first such anthology to be conceived and published for both classroom and online education in the new millennium. Reflects the current scholarly and pedagogic structure of African American literary studies Selects literary texts according to extensive research on classroom adoptions, scholarship, and the expert opinions of leading professors Organizes literary texts according to more appropriate periods of literary history, dividing them into seven sections that accurately depict intellectual, cultural, and political movements Includes more reprints of entire works and longer selections of major works than any other anthology of its kind This second volume contains a comprehensive collection of texts authored by African Americans from the 1920s to the present The two volumes of this landmark anthology can also be bought as a set, at over 20% savings.

**american literature in the 1920s: Ethnic American Literature** Emmanuel S. Nelson, 2015-02-17 Unlike any other book of its kind, this volume celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature. This culturally rich encyclopedia contains 160 alphabetically arranged entries on African American, Asian American, Latino/a, and Native American literary traditions, among others. The book introduces the uniquely American mosaic of multicultural literature by chronicling the achievements of American writers of non-European descent and highlighting the ethnic diversity of works from the colonial era to the present. The work features engaging topics like the civil rights movement, bilingualism, assimilation, and border narratives. Entries provide historical overviews of literary periods along with profiles of major authors and great works, including Toni Morrison, Maxine Hong Kingston, Maya Angelou, Sherman Alexie, *A Raisin in the Sun*, *American Born Chinese*, and *The House on Mango Street*. The book also provides concise overviews of genres not often featured in textbooks, like the Chinese American novel, African American young adult literature, Mexican American autobiography, and Cuban American poetry.

**american literature in the 1920s: The Oxford Companion to American Literature** James D. Hart, Phillip Leininger, 1995-10-12 For more than half a century, James D. Hart's *The Oxford Companion to American Literature* has been an unparalleled guide to America's literary culture, providing one of the finest resources to this country's rich history of great writers. Now this acclaimed work has been completely revised and updated to reflect current developments in the

world of American letters. For the sixth edition, editors James D. Hart and Phillip Leininger have updated the Companion in light of what has happened in American literature since 1982. To this end, they have revised the entries on such established authors as Saul Bellow, Norman Mailer, and Joyce Carol Oates, and they have added more than 180 new entries on novelists (T. Coraghessan Boyle, Tim O'Brien, Louise Erdrich, Don De Lillo), poets (Rita Dove, Weldon Kees), playwrights (Wendy Wasserstein, August Wilson), popular writers (Stephen King, Louis L'Amour), historians (James M. McPherson, David Herbert Donald, William Manchester), naturalists (Aldo Leopold, Edward Abbey), and literary critics (Camille Paglia, Richard Ellmann). In addition, the Companion boasts more women's, African-American, and ethnic voices, with new entries on such luminaries as Charlotte Perkins Gilman, M.F.K. Fisher, William Least Heat-Moon, Ursula Le Guin, and Oscar Hijuelos, among many others. These additions represent only some of the revisions for the new edition. Of course, the basic qualities of the Companion that readers have grown to know and love over the years are as superb as ever. With over 5,000 total entries, The Oxford Companion to American Literature reflects a dynamic balance between past and contemporary literature, surveying virtually every aspect of our national literature, from the Pulitzer Prize to pulp fiction, and from Walt Whitman to William F. Buckley, Jr. There are over 2,000 biographical profiles of important American authors (with information regarding their styles, subjects, and major works) and influential foreign writers as well as other figures who have been important in the nation's social and cultural history. There are more than 1,100 full summaries of important American novels, stories, essays, poems (with verse form noted), plays, biographies and autobiographies, tracts, narratives, and histories. The new edition provides historical background and astute commentary on literary schools and movements, literary awards, magazines, newspapers, and a wide variety of other matters directly related to writing in America. Finally, the book is thoroughly cross-referenced and features an extensive and fully updated index of literary and social history. Ranging from Captain John Smith to John Updike, and from Anne Bradstreet to Anne Rice, the sixth edition of The Oxford Companion to American Literature is up to date, accurate, and comprehensive, a delight for both the casual browser and the serious student.

**american literature in the 1920s: Twentieth Century American Literature** Warren French, 1980-11-01

**american literature in the 1920s: *Spirits of Defiance*** Kathleen Morgan Drowne, 2005

**american literature in the 1920s: *Encyclopedia of the Harlem Renaissance***: K-Y Cary D. Wintz, Paul Finkelman, 2004 An interdisciplinary look at the Harlem Renaissance, it includes essays on the principal participants, those who defined the political, intellectual and cultural milieu in which the Renaissance existed; on important events and places.

**american literature in the 1920s: *African American Culture*** Omari L. Dyson, Judson L. Jeffries Ph.D., Kevin L. Brooks, 2020-07-23 Covering everything from sports to art, religion, music, and entrepreneurship, this book documents the vast array of African American cultural expressions and discusses their impact on the culture of the United States. According to the latest census data, less than 13 percent of the U.S. population identifies as African American; African Americans are still very much a minority group. Yet African American cultural expression and strong influences from African American culture are common across mainstream American culture—in music, the arts, and entertainment; in education and religion; in sports; and in politics and business. *African American Culture: An Encyclopedia of People, Traditions, and Customs* covers virtually every aspect of African American cultural expression, addressing subject matter that ranges from how African culture was preserved during slavery hundreds of years ago to the richness and complexity of African American culture in the post-Obama era. The most comprehensive reference work on African American culture to date, the multivolume set covers such topics as black contributions to literature and the arts, music and entertainment, religion, and professional sports. It also provides coverage of less-commonly addressed subjects, such as African American fashion practices and beauty culture, the development of jazz music across different eras, and African American business.

**american literature in the 1920s: *Bibliography of English Language and Literature 1920*** ,

2016-07-28 Originally published in 1920, this book was compiled to provide scholars with a bibliography of works on English language and literature published during that year.
