This Is Just to Say Poem Analysis: Unpacking William Carlos Williams' Iconic Work

this is just to say poem analysis invites readers into a deceptively simple yet deeply evocative piece by William Carlos Williams. Often hailed as a quintessential example of modernist poetry, "This Is Just to Say" combines everyday language with profound emotional resonance. In this article, we'll explore the layers beneath the surface of this brief poem, examining its themes, style, and why it continues to captivate readers and poets alike.

Understanding the Context of "This Is Just to Say"

Before diving into the poem itself, it's helpful to consider its background. Written in 1934, William Carlos Williams was part of the Imagist movement, which emphasized clear, sharp language and imagery over ornate or abstract expression. His poetry frequently drew from ordinary life—mundane moments, simple objects—and transformed them into art.

"This Is Just to Say" is a note left on a kitchen table, confessing to eating someone else's plums. The poem's origins suggest a domestic setting, making it relatable and intimate. This context is crucial for appreciating how Williams blurs the line between poetry and everyday communication.

Breaking Down the Poem: Text and Structure

The poem reads as follows:

I have eaten
the plums
that were in
the icebox

and which
you were probably
saving
for breakfast

Forgive me
they were delicious
so sweet
and so cold

At first glance, the poem resembles a casual apology note. However, its structure and word choice reveal much more.

Minimalist Style and Free Verse

Williams employs free verse—no rhyme or set meter—which was revolutionary at the time. This choice mirrors natural speech, lending authenticity and immediacy. The short lines and simple diction emphasize the straightforwardness of the message, yet the spacing and line breaks create pauses that invite reflection.

Imagery and Sensory Appeal

Despite its simplicity, the poem is rich in sensory details: “so sweet / and so cold.” These words evoke tactile and gustatory sensations, engaging the reader’s senses. The plums become a symbol of temptation and pleasure, highlighting the tension between desire and guilt.

Exploring Themes in This Is Just to Say Poem Analysis

When we delve into the themes, it’s clear this poem operates on multiple levels. It’s not just about eaten fruit; it’s about human relationships, communication, and even the nature of poetry itself.

Temptation and Forgiveness

The confessional tone reveals a moment of temptation overcome. The speaker admits to eating the plums, knowing they were reserved for someone else. The line “Forgive me” suggests an appeal for understanding rather than strict apology. This dynamic mirrors everyday moral complexities, where desires conflict with social expectations.

Everyday Life as Poetry

Williams’ poem champions the beauty in everyday moments. The mundane act of eating plums becomes poetic when observed closely. This approach challenges traditional notions that poetry must be grand or epic, instead celebrating the small, personal experiences that shape our lives.

Ambiguity and Reader Interpretation

One of the reasons this poem remains popular in literary circles is its open-endedness. Is the speaker genuinely remorseful, or is there a playful teasing tone? The poem leaves room for multiple interpretations, encouraging readers to project their own emotions and

experiences onto it.

Literary Devices and Techniques in *This Is Just to Say*

A deeper look at the poem's craftsmanship reveals several literary devices that enhance its impact.

- **Enjambment:** The poem's lines flow into each other without punctuation, reflecting the natural cadence of speech and creating a sense of continuity.
- **Imagism:** Clear, precise images of plums "in the icebox" ground the poem in concrete reality.
- **Irony:** The polite apology contrasts with the act of indulgence, creating subtle humor.
- **Minimalism:** The sparse language forces readers to focus on each word's significance.

The Role of Tone

Tone in "*This Is Just to Say*" is crucial. It can be read as repentant, playful, or even seductive. The ambiguity invites readers to explore their own reactions, making the poem interactive in a way.

Why "*This Is Just to Say*" Matters in Modern Poetry

This poem's influence extends beyond its brevity. It represents a turning point in poetry, where ordinary speech and subject matter became valid poetic materials. Williams' work paved the way for contemporary poets to explore new forms and voices.

Moreover, the poem's accessibility makes it a favorite in classrooms and writing workshops. It demonstrates how poetry can be approachable without sacrificing depth.

Using "*This Is Just to Say*" as a Writing Model

For aspiring poets, this poem offers valuable lessons:

1. **Focus on the concrete:** Use tangible images to evoke emotions.
2. **Embrace simplicity:** Don't overcomplicate language; clarity can be powerful.
3. **Play with tone:** Let readers discover multiple meanings.
4. **Use form creatively:** Experiment with line breaks and spacing to control rhythm.

Interpreting the Poem's Emotional Layers

Beyond the literal apology lies a nuanced emotional landscape. The poem touches on themes of desire, guilt, intimacy, and communication breakdowns within relationships. The act of eating someone else's plums becomes a metaphor for small betrayals we all commit.

The poem's brevity accentuates these feelings, as much is left unsaid. Readers sense the unspoken dynamics between the speaker and the addressee, making the poem feel both personal and universal.

Connection to Everyday Human Experience

One reason "This Is Just to Say" resonates is its relatability. Everyone has experienced moments of minor transgression and the delicate dance of apology. The poem captures this with humor and tenderness, reminding us that poetry is not removed from life but deeply entwined with it.

This natural connection to human experience is why the poem remains a staple in literary studies and a touchstone for understanding modern poetry's evolution.

Whether you're reading "This Is Just to Say" for the first time or returning to it with fresh eyes, this poem offers a rich tapestry of meaning beneath its simple surface. Through careful attention to language, tone, and context, we uncover a work that celebrates the poetry of everyday moments and the complexity of human emotions.

Frequently Asked Questions

What is the central theme of the poem 'This Is Just to Say' by William Carlos Williams?

The central theme of the poem is the tension between temptation and guilt, as the speaker confesses to eating plums that were saved for someone else, highlighting human desires

and the complexity of apology.

How does William Carlos Williams use imagery in 'This Is Just to Say'?

Williams uses simple, vivid imagery of the plums described as 'sweet' and 'cold,' which appeals to the senses and creates a tangible, relatable moment, emphasizing the poem's everyday subject matter.

What is the tone of 'This Is Just to Say' and how is it conveyed?

The tone is casual and intimate, conveyed through the poem's straightforward language and conversational style, resembling a note left for someone, which adds to the personal and confessional nature.

Why is 'This Is Just to Say' considered a modernist poem?

It is considered modernist because it breaks traditional poetic forms, uses everyday language, focuses on ordinary moments, and emphasizes brevity and simplicity to capture a slice of life.

How does the structure of 'This Is Just to Say' contribute to its meaning?

The poem's free verse structure and lack of punctuation mimic a casual apology note, reinforcing the spontaneous and informal tone, which contrasts with the underlying complexity of guilt and desire.

What role does ambiguity play in the poem 'This Is Just to Say'?

Ambiguity allows multiple interpretations—whether the poem is a sincere apology, a playful tease, or a confession—engaging readers to explore the nuances of human relationships and communication.

How does 'This Is Just to Say' reflect William Carlos Williams' poetic philosophy?

The poem reflects Williams' belief in using everyday language and subjects ('no ideas but in things') to convey deeper meaning, focusing on ordinary experiences to reveal universal emotions.

****This Is Just To Say Poem Analysis: Unpacking William Carlos Williams' Modernist Masterpiece****

this is just to say poem analysis invites readers into a deceptively simple yet profoundly evocative work by William Carlos Williams. Published in 1934, the poem has since become a staple in the canon of American modernist poetry, admired for its minimalist style and emotional ambiguity. At first glance, it reads like a casual note of apology, but a closer investigation reveals layers of meaning that challenge conventional notions of guilt, desire, and communication. This article delves deeply into the nuances of "This Is Just To Say," exploring its language, structure, and thematic richness, while situating it within the broader context of 20th-century poetry.

In-depth Analysis of "This Is Just To Say"

Williams' poem is brief, composed of only three short stanzas, each consisting of four lines. The poem reads:

I have eaten
the plums
that were in
the icebox

and which
you were probably
saving
for breakfast

Forgive me
they were delicious
so sweet
and so cold

Despite its brevity and seemingly mundane subject matter, the poem embodies a complexity that invites multiple interpretations. The speaker confesses to eating plums that someone else was saving, and simultaneously offers a plea for forgiveness, tempered by a vivid sensory description of the plums' taste and texture.

The Language and Tone

One of the defining features in this poem is its plainspoken diction. Williams employs everyday language, avoiding elaborate metaphors or ornate imagery. This stylistic choice aligns with the modernist emphasis on clarity and economy of expression. The tone is conversational, intimate, and slightly playful, which creates an impression of a private note left between close individuals, perhaps lovers or family members.

However, the tone also carries an undercurrent of ambivalence. The speaker's admission is not entirely remorseful; the phrase "Forgive me" is immediately followed by a celebration of the plums' deliciousness. This juxtaposition raises questions about the sincerity of the apology and the nature of desire and transgression.

Structure and Form

Williams' poem eschews traditional poetic forms and rhymes, reflecting his commitment to free verse and the idea that poetry should mimic natural speech rhythms. The lack of capitalization and punctuation, except for line breaks, emphasizes spontaneity and informality. This structural minimalism allows the reader to focus on the emotional subtext rather than formal constraints.

The poem's three stanzas can be seen as a progression: the first states the action, the second acknowledges the other person's perspective, and the third issues the apology coupled with sensory appreciation. This progression mimics the stages of confession, understanding, and emotional response.

Contextualizing "This Is Just To Say" within Modernist Poetry

William Carlos Williams was a prominent figure in the modernist movement, which sought to break away from Victorian conventions and explore new modes of expression. His poetry often focused on everyday objects and moments, elevating the mundane to the level of art through concentrated observation.

"This Is Just To Say" exemplifies Williams' Imagist leanings, prioritizing precise imagery and economy of language. Compared to contemporaries like T.S. Eliot or Ezra Pound, who employed dense allusions and complex symbolism, Williams' approach is more accessible yet equally profound.

Comparison with Other Works by Williams

When compared to Williams' epic poem "Paterson," which explores the urban landscape and human experience in great detail, "This Is Just To Say" is strikingly intimate and personal. Both poems, however, share a focus on the immediacy of experience and the power of simple images.

Similarly, "The Red Wheelbarrow," another of Williams' iconic poems, shares the minimalist style and attention to everyday objects. Both poems challenge readers to find significance in ordinary moments, highlighting Williams' innovative contribution to American poetry.

Interpretive Perspectives

Critics and readers have debated the poem's meaning for decades. Some interpret it as a straightforward apology, emphasizing human fallibility and forgiveness. Others see it as a subtle exploration of temptation and guilt, where the speaker's enjoyment undermines the request for pardon.

Another layer of interpretation considers the poem as a comment on communication itself. The note acts as a gesture of connection, blending confession and affection. The poem's form—a written note—also reflects the tension between public and private discourse.

- **Literal Interpretation:** A simple apology for eating someone else's breakfast.
- **Psychological Interpretation:** The complex interplay of guilt, desire, and justification.
- **Philosophical Interpretation:** Reflection on the nature of forgiveness and human interaction.

Impact and Legacy of “This Is Just To Say”

The poem's enduring popularity lies in its universality and subtlety. It has been widely taught in classrooms as an example of how poetry can capture everyday life with elegance and depth. Additionally, it has inspired countless parodies, adaptations, and reinterpretations, underscoring its cultural resonance.

From an SEO perspective, “this is just to say poem analysis” remains a highly searched phrase, reflecting ongoing interest in understanding the poem's significance. The poem's accessibility combined with its interpretive richness ensures it continues to attract readers, scholars, and students alike.

Pros and Cons of the Poem's Minimalism

- **Pros:** The simplicity invites multiple readings; the conversational tone makes it relatable; focus on sensory detail enhances emotional impact.
- **Cons:** The lack of explicit context can confuse some readers; the ambiguity might frustrate those seeking clear moral or narrative resolutions.

The Poem's Relevance Today

In an era dominated by fast communication and digital notes, "This Is Just To Say" resonates as an early example of intimate written dialogue. Its themes of apology, temptation, and sensory pleasure continue to be relevant, highlighting the timeless human conflicts between desire and responsibility.

By analyzing how Williams encapsulates these themes in a mere twelve lines, readers gain insight into the power of brevity and subtlety in poetic expression.

Ultimately, the ongoing fascination with "This Is Just To Say" lies in its ability to transform a simple act—eating someone else's plums—into a multifaceted meditation on human relationships. This is just to say poem analysis reveals that beneath its surface lies a richly textured work, emblematic of modernist poetry's capacity to find meaning in the everyday.

this is just to say poem analysis: Poetry and the 3-11 Curriculum Virginia Bower, 2022-11-01 Poetry can enable learners to engage, learn and have fun, whatever their cognitive, linguistic or social levels and this book provides a great many examples of how this might be achieved. This exciting and innovative text provides a wide range of ideas for using poetry to enhance the early years and primary curricula, and therefore the learning experience of all children. Each chapter contains ideas for pedagogy and practice, underpinned by research and classroom experience ensuring that practitioners will come away feeling much more confident to teach this genre and better enjoy poetry themselves. Throughout, there are discussions around specific pedagogies and practices relating to the use of poetry across the curriculum, as well as resources - including a wide range of poems from diverse countries and cultures and poems in different languages - and activities which can immediately be used in the classroom. Ideas are provided in terms of how poems can be employed in different subject areas, to introduce or reinforce concepts, engage children in more challenging concepts, ensure that lessons are fun and engaging and develop children's awareness of other people and places beyond their immediate experience. This book is an extremely powerful combination of informed discussion - drawing on ideas from different theoretical perspectives including recent findings from neuroscience - and practical suggestions for

every classroom. Armed with this text, practitioners will not only have a very strong idea of how to use poetry to enhance their curriculum but also why this is such a compelling genre.

this is just to say poem analysis: Leavis and Lonergan Joseph Fitzpatrick, 2021-02-11 This book illustrates the value of the cross-fertilisation of literary criticism with philosophy, something Leavis advocated in his later writings. Lonergan's epistemology of Critical Realism supports Leavis's account of how we reach a valid judgment concerning the worth of a poem or literary text and his exploration of the relationship between subjectivity and objectivity illustrates how close engagement with serious literature can be considered morally beneficial, something Leavis passionately believed in. Leavis and Lonergan are at one in providing convincing arguments against Cartesian dualism and the dominant positivist philosophies of their times. And Leavis's method and practice as a literary critic, which he developed independently of Lonergan, exemplify Lonergan's epistemology as applied to literature and, in this way, illustrate its versatility and fruitfulness.

this is just to say poem analysis: Listening to Poetry Jeremy Trabue, 2025-09-01 A sad thing happens to most people somewhere between preschool and college: we unlearn our natural love of poetry, a love rooted in sound and surprise, pattern and play, discovery and delight. That loss is a tragedy that this book aims to reverse. Based on fifteen years of teaching, and dedicated to the belief that rigor and accessibility are compatible, *Listening to Poetry* takes nothing for granted, and builds students' confidence and skills from the ground up. It uses innovative, student-centered, and process-based approaches, including practical how-tos and skill-focused exercises for every subject covered. Poems don't have to be approached like riddles to be solved, codes to be cracked, or prisoners to be interrogated. There is a better way, and it starts right here. Don't take our word for it, though. Listen to students who've read this book: "I need to give full appreciation to this book for my new-found love of poetry... I have found myself a new hobby." "Before this book I was overwhelmed by poetry and felt I would never be artistic enough to create or analyze it. Now I feel very comfortable... and am excited to continue my appreciation for the art." "I have found my love for poetry from reading this book. I have learned how to read poetry and how to understand it."

this is just to say poem analysis: The Theory of Criticism Raman Selden, 2014-09-25 This book is divided into five parts and covers: representation; subjectivity; form, structure and system; history and society; morality, class and ideology. Each part contains several thematic sections in which extracts from different writers and periods are juxtaposed. The study of literary theory has tended to concentrate on very recent developments. This volume, however, establishes both a sense of the continuities from Plato to the present day as well as the discontinuities. These are presented through comparisons and contrasts across the entire field of critical history.

this is just to say poem analysis: Poem Central Shirley McPhillips, 2023-10-10 In everything we have to understand, poetry can help. Tony Hoagland, *Harper's* , April 2013 In *Poem Central: Word Journeys with Readers and Writers* , Shirley McPhillips helps us better understand the central role poetry can play in our personal lives and in the life of our classrooms. She introduces us to professional poets, teachers, and students---people of different ages and walks of life---who are actively engaged in reading and making poems. Their stories and their work show us the power of poems to illuminate the ordinary, to nurture, inspire and stand alongside us for the journey. *Poem Central* is divided into three main parts--weaving poetry into our lives and our classrooms, reading poems, and writing poems. McPhillips has structured the book in short sections that are easy to read and dip into. Each section has a specific focus, provides background knowledge, shows poets at work, highlights information on crafting, defines poetic terms, features finished work, includes classroom examples, and lists additional resources. In *Poem Central* -- a place where people and poems meet--teachers and students will discover how to find their way into a poem, have conversations around poems, and learn fresh and exciting ways to make poems. Readers will enjoy the dozens of poems throughout the book that serve to instruct, to inspire, and to send us on unique word journeys of the mind and heart.

this is just to say poem analysis: Speaking the Unspeakable Peter Michelson, 1993-01-01

This book studies the literary and cinematic functions of the pornographic as a development from a poetics of obscenity. It focuses on the developments of French, British, and American artistic pornography since the eighteenth century. Discussing female literary figures including Hall, Wharton, Nin, Reage, Jong, and Shulman; such men as Cleland, Sade, Beardsley, Lawrence, Joyce, and Miller; and film makers such as Brakhage, Jack Smith, Bruce Conner, Bertolucci, Oshima, and Wertmuller; Michelson analyzes both the use of aesthetic pornography and the philosophical, cultural, and legal implications of its use. He proposes that realizing the obscene --in the sense of speaking the unspeakable-- is the principle aesthetic function of pornography.

this is just to say poem analysis: Teaching Literature to Adolescents Richard Beach, Deborah Appleman, Bob Fecho, Rob Simon, 2016-03-10 This popular textbook introduces prospective and practicing English teachers to current methods of teaching literature in middle and high school classrooms. It underscores the value of providing students with a range of different critical approaches and tools for interpreting texts and the need to organize literature instruction around topics and issues of interest to them. Throughout the textbook, readers are encouraged to raise and explore inquiry-based questions in response to authentic dilemmas and issues they face in the critical literature classroom. New in this edition, the text shows how these approaches to fostering responses to literature also work as rich tools to address the Common Core English Language Arts Standards. Each chapter is organized around specific questions that English educators often hear in working with pre-service teachers. Suggested pedagogical methods are modelled by inviting readers to interact with the book through critical-inquiry methods for responding to texts. Readers are engaged in considering authentic dilemmas and issues facing literature teachers through inquiry-based responses to authentic case narratives. A Companion Website [<http://teachingliterature.pbworks.com>] provides resources and enrichment activities, inviting teachers to consider important issues in the context of their current or future classrooms.

this is just to say poem analysis: Purple Passages Rachel Blau DuPlessis, 2012-03-15 What is patriarchal poetry? How can it be both attractive and tempting and yet be so hegemonic that it is invisible? How does it combine various mixes of masculinity, femininity, effeminacy, and eroticism? At once passionate and dispassionate, Rachel Blau DuPlessis meticulously outlines key moments of choice and debate about masculinity among writers as disparate as Ezra Pound, T. S. Eliot, Louis Zukofsky, Charles Olson, Robert Creeley, and Allen Ginsberg, choices that construct consequential models for institutions of poetic practice. As DuPlessis writes, "There are no genderless subjects in any relationship structuring literary culture: not in production, dissemination, or reception; not in objects, discourses, or practices; not in reading experiences or in interpretations." And, as she reveals in careful and enthralling detail, for the poets at the center of this book, questions of masculinity loomed large and were continuously articulated in their self-creation as writers, in literary bonding, and in its deployment. These gender-laden choices, debates, and contradictions all have a striking influence today. In this empathic yet critical historical polemic, DuPlessis reveals the outcomes of these many investments in the radical reconstruction of masculinity, in their strains, incompleteness, tensions—and failures. At the heart of modernist maleness and poetic practices are contradictions and urgencies, gender ideas both progressive and defensive. In a striking book on male behavior in poetic dyads, the third book in a feminist critical trilogy, DuPlessis tracks the poetic debates and arguments about gender that continuously affirm patriarchal poetry.

this is just to say poem analysis: Harper's Weekly , 1892

this is just to say poem analysis: You Are Here James Pollock, 2012-11-15 Northrop Frye wrote that for Canadian poets the question of identity isn't so much 'Who am I?' as 'Where is here?' In his ground-breaking collection of essays, *You Are Here*, James Pollock gives his answer: that where we are as a literary culture has a great deal to do with our relationship to elsewhere. For far too long, Canadians have refused to read our poetry in the larger international context of poetry as an art, leaving our poets isolated and ignored. Pollock sets out to situate our verse on the map of world poetry – a map which, like one of those incomplete globes from the sixteenth century, still leaves Canada largely uncharted. Acutely intelligent and unflinchingly honest in its judgements, *You*

Are Here is an eye-opening guide to the new world of Canadian poetry, sensitively exploring the work of such poets as Anne Carson, Daryl Hine, Jeffery Donaldson, Karen Solie and Eric Ormsby. The collection ends with a witty treatise on good criticism, and a passionate and learned reconsideration of poetic values, making You Are Here an essential companion for students and lovers of Canadian poetry everywhere.

this is just to say poem analysis: Literary Knowing and the Making of English Teachers

Larissa McLean Davies, Brenton Doecke, Philip Mead, Wayne Sawyer, Lyn Yates, 2022-09-29 At a time when knowledge is being 're-valued' as central to curriculum concerns, subject English is being called to account. *Literary Knowing and the Making of English Teachers* puts long-standing debates about knowledge and knowing in English in dialogue with an investigation of how English teachers are made in the 21st century. This book explores, for the first time, the role of literature in shaping English teachers' professional knowledge and identities by examining the impacts, in particular, of their own school teaching in their 'making'. The voices of early career English teachers feature throughout the work, in a series of vignettes providing reflective accounts of their professional learning. The authors bring a range of disciplinary expertise and standpoints to explore the complexity of knowledge and knowing in English. They ask: How do English teachers negotiate competing curriculum demands? How do they understand literary knowledge in a neoliberal context? What is core English knowledge for students, and what role should literature play in the contemporary curriculum? Drawing on a major longitudinal research project, they bring to light what English teachers see as central to their work, the ways they connect teaching with their disciplinary training, and how their understandings of literary practice are contested and reimaged in the classroom. This innovative work is essential reading for scholars and postgraduate students in the fields of teacher education, English education, literary studies and curriculum studies.

this is just to say poem analysis: I'm an English Major - Now What? Timothy Lemire, 2006-03-11 Find a Job You Love With Your English Degree What do Steven Spielberg, Alan Alda, Barbara Walters, Clarence Thomas, Diane Sawyer, and Stephen King have in common? That's right—they were English majors who now have successful careers. *I'm an English Major - Now What?* helps English majors and graduates understand their skills and talents so they can find satisfying jobs across a diversity of fields and dispels common fears and misconceptions that English majors will never make good money. In this book, you'll learn: • How an English major background can be very marketable • How an English major's skills can be applied to an array of jobs and careers (beyond teaching and writing) • How an English major can develop valuable skills and experience through school and extracurricular activities You'll also find answers to common questions such as: • Should I go to graduate school? Should I wait? • How do I begin a freelancing career? • Would I do well in a corporate setting? Authored by a former English major with professional experience across many areas, including corporate communications, journalism, publishing, teaching, and writing, this guide also features more than a dozen interviews with English majors who were able to translate their skills into satisfying careers.

this is just to say poem analysis: Outlook Alfred Emanuel Smith, Francis Walton, 1881

this is just to say poem analysis: *The Language of Criticism* (Routledge Revivals) John Casey, 2012-07-26 First published in 1966, *The Language of Criticism* was the first systematic attempt to understand literary criticism through the methods of linguistic philosophy and the later work of Wittgenstein. Literary critical and aesthetic judgements are rational, but are not to be explained by scientific methods. Criticism discovers reasons for a response, rather than causes, and is a rational procedure, rather than the expression of simply subjective taste, or of ideology, or of the power relations of society. The book aims at a philosophical justification of the tradition of practical criticism that runs from Matthew Arnold, through T.S.Eliot to I.A.Richards, William Empson,

F.R. Leavis and the American New Critics. It argues that the close reading of texts moves justifiably from text to world, from aesthetic to ethical valuation. In this it differs radically from the schools of theory that have recently dominated the humanities.

this is just to say poem analysis: *Critical Understanding* Wayne C. Booth, 1979 Critics will always disagree, but, maintains Wayne Booth, their disagreement need not result in critical chaos. In *Critical Understanding*, Booth argues for a reasoned pluralism—a criticism more various and resourceful than can be caught in any one critic's net. He relates three noted pluralists—Ronald Crane, Kenneth Burke, and M. H. Abrams—to various currently popular critical approaches. Throughout, Booth tests the abstractions of metacriticism against particular literary works, devoting a substantial portion of his discussion to works by W. H. Auden, Henry James, Oliver Goldsmith, and Anatole France.
