

alter ego a2 french

Alter Ego A2 French: Mastering the Foundations of the French Language

alter ego a2 french represents a significant step for learners venturing beyond the basics of French. It's more than just a textbook; it's a carefully crafted resource designed to help students develop solid communication skills at the A2 level of the Common European Framework of Reference for Languages (CEFR). Whether you're a beginner eager to move forward or a teacher seeking effective materials, understanding what Alter Ego A2 offers can make your French learning journey both enjoyable and productive.

What is Alter Ego A2 French?

Alter Ego is a well-known series of French language textbooks published by Hachette, tailored to different proficiency levels. The A2 level corresponds to a basic user who can understand and use everyday expressions and simple sentences. Alter Ego A2 French is specifically designed to help learners reach this threshold, focusing on practical communication skills, grammar, vocabulary, and cultural insights.

Unlike many traditional textbooks that emphasize rote memorization, Alter Ego embraces a communicative approach. This means learners are encouraged to actively use French in realistic situations, which can enhance retention and boost confidence. The lessons are structured around topics relevant to daily life, such as shopping, travel, family, and work, making the material relatable and engaging.

Key Features of Alter Ego A2 French

Interactive and Communicative Approach

One of the standout features of the Alter Ego A2 French course is its emphasis on interaction. The textbook includes dialogues, role-plays, and activities that simulate real-life conversations. This approach helps learners practice speaking and listening skills in context rather than just learning isolated grammar rules or vocabulary lists.

Balanced Skill Development

Alter Ego A2 French carefully balances the four essential language skills: listening, speaking, reading, and writing. The exercises encourage learners to listen to authentic audio recordings, read short texts, write simple messages, and engage in spoken exchanges. This well-rounded approach prepares students for practical communication in French-speaking environments.

Comprehensive Grammar and Vocabulary

At the A2 level, learners are expected to handle familiar topics and express themselves in simple terms. Alter Ego A2 provides clear explanations of fundamental grammar points such as the present tense, passé composé, and basic pronouns. Vocabulary is introduced thematically, aiding memorization and application in context.

Cultural Insights

Language learning is not just about grammar and words; it's also about understanding culture. Alter Ego A2 French includes cultural notes, traditions, and everyday customs from French-speaking countries. These insights enrich the learning experience, fostering a deeper appreciation of the language.

How to Make the Most of Alter Ego A2 French

Create a Consistent Study Schedule

Consistency is key when learning a new language. Setting aside regular time for studying Alter Ego A2 French helps maintain momentum and reinforces learning. Even 20-30 minutes daily can lead to steady progress.

Engage with the Audio Materials

Listening comprehension is vital for language acquisition. The Alter Ego A2 course provides audio recordings that bring the dialogues and exercises to life. Make sure to listen actively, repeat sentences aloud, and mimic pronunciation to improve your accent and understanding.

Practice Speaking Regularly

Don't just passively read or listen. Try to speak French as much as possible, even if it's just practicing dialogues from the book out loud. If possible, find language exchange partners or join French conversation groups to apply what you've learned in real interactions.

Use Supplementary Resources

While Alter Ego A2 French is comprehensive, supplementing your studies with additional tools can be beneficial. Consider apps like Duolingo or Memrise for vocabulary practice,

online forums for questions, or French films and podcasts for immersion.

Understanding the A2 Level Through Alter Ego

The A2 level, as defined by the CEFR, signifies an elementary understanding of French. With Alter Ego A2 French, learners can expect to:

- Understand frequently used expressions related to immediate relevance (e.g., basic personal and family information, shopping, local geography).
- Communicate in simple and routine tasks requiring a direct exchange of information.
- Describe in simple terms aspects of their background, immediate environment, and matters in areas of immediate need.

Alter Ego A2's structure aligns perfectly with these goals, ensuring learners build the necessary skills to meet these competencies confidently.

Who Should Use Alter Ego A2 French?

Self-Learners

If you're studying French independently, Alter Ego A2 French is an excellent resource. Its clear layout, combined with exercises and audio content, offers a near-classroom experience. The book's explanations cater to learners without immediate access to a teacher.

Teachers and Educators

For language instructors, Alter Ego A2 provides a reliable curriculum framework. The thematic units and progressive difficulty make lesson planning straightforward. Additionally, the cultural notes enrich classroom discussions and foster student engagement.

Students Preparing for DELF A2

The DELF (Diplôme d'Études en Langue Française) is an official French proficiency certification. Alter Ego A2 French aligns well with the DELF A2 exam requirements, covering

the necessary grammar, vocabulary, and communicative functions. Using this textbook can boost your confidence and test readiness.

Tips for Success When Using Alter Ego A2 French

Don't Rush Through Lessons

Language learning is a marathon, not a sprint. Take your time with each unit, ensuring you understand grammar explanations and vocabulary before moving on.

Make Notes and Review Regularly

Writing down new words and phrases helps retention. Periodically review your notes to reinforce memory and track your progress.

Immerse Yourself Outside the Book

Watch French movies, listen to French music, or follow French social media accounts. Exposure outside structured lessons complements your study and keeps motivation high.

Use the Workbook and Online Resources

Many editions of Alter Ego come with workbooks and access to online exercises. These additional practices are invaluable for reinforcing what you learn in the main textbook.

Learning French at the A2 level opens doors to more meaningful conversations and cultural experiences. With Alter Ego A2 French, you have a trusted companion on this exciting journey, guiding you through foundational grammar, practical vocabulary, and real-life communication. Whether you're stepping into a French café, chatting with locals, or preparing for an exam, the skills you develop here will serve as a solid base for further language mastery.

Frequently Asked Questions

What is 'Alter Ego A2' in the context of learning French?

'Alter Ego A2' is a popular French language textbook designed for learners at the A2 (elementary) level, focusing on developing communication skills and grammar through thematic units.

How is the 'Alter Ego A2' textbook structured?

'Alter Ego A2' is structured into thematic units that include vocabulary, grammar explanations, listening, speaking, reading, and writing exercises to build comprehensive language skills.

Is 'Alter Ego A2' suitable for self-study?

Yes, 'Alter Ego A2' can be used for self-study as it provides clear explanations and exercises, but it is often more effective when supplemented with audio materials and a teacher or language partner.

Where can I find audio resources for 'Alter Ego A2'?

Audio resources for 'Alter Ego A2' are usually available on the publisher's website or included in the textbook package, and sometimes on educational platforms or language learning apps.

What are some key grammar topics covered in 'Alter Ego A2'?

Key grammar topics in 'Alter Ego A2' include present tense verbs, past tenses (passé composé and imparfait), pronouns, prepositions, and basic sentence structures.

Can 'Alter Ego A2' help prepare for the DELF A2 exam?

Yes, 'Alter Ego A2' covers many skills and topics relevant to the DELF A2 exam, making it a useful resource for exam preparation.

Are there online exercises available to complement 'Alter Ego A2'?

Yes, many educational websites and platforms offer online exercises that align with the 'Alter Ego A2' curriculum to help reinforce learning.

How long does it typically take to complete 'Alter Ego A2'?

The time to complete 'Alter Ego A2' varies depending on study pace, but generally, learners spend around 3 to 6 months working through the material with regular practice.

Additional Resources

Alter Ego A2 French: A Thorough Examination of Its Role in Language Learning

alter ego a2 french stands as a prominent resource in the landscape of French language education, particularly for learners seeking to consolidate their skills at the A2 level as

defined by the Common European Framework of Reference for Languages (CEFR). This textbook and associated learning materials have garnered attention for their structured approach to teaching French, blending communicative competence with cultural insights. An analytical review of Alter Ego A2 French reveals its pedagogical strengths, content organization, and suitability for diverse learner profiles.

Understanding Alter Ego A2 French in Context

Alter Ego A2 French is part of the broader Alter Ego series, designed to guide learners through progressive stages of language acquisition from beginner to intermediate levels. At the A2 stage, learners are expected to handle everyday situations, understand basic conversations, and express simple opinions. This particular edition focuses on consolidating foundational grammar and vocabulary while introducing more complex linguistic structures.

The A2 level demands a balance between receptive skills (listening and reading) and productive skills (speaking and writing). Alter Ego addresses this by integrating exercises that encourage active usage of French in realistic contexts. Its emphasis on communicative tasks aligns with contemporary language teaching methodologies that prioritize interaction and practical application over rote memorization.

Content Structure and Pedagogical Design

One of the defining features of Alter Ego A2 French is its modular content, organized into thematic chapters that reflect everyday life scenarios such as travel, shopping, health, and social interactions. Each unit typically includes a variety of components:

- **Dialogues:** Contextual conversations that introduce new vocabulary and grammatical points.
- **Grammar explanations:** Clear, concise rules accompanied by examples tailored to the A2 learner's level.
- **Vocabulary lists:** Thematic word groups to enhance lexical acquisition.
- **Exercises:** A mix of written and oral tasks designed to reinforce learning through practice.
- **Audio resources:** Listening materials to improve comprehension and pronunciation.

This multi-faceted design supports differentiated learning styles, catering to visual, auditory, and kinesthetic learners. The inclusion of cultural notes further enriches the learner's experience, providing context that extends beyond language mechanics to encompass Francophone traditions and social norms.

Comparative Analysis with Other A2 French Resources

When placed alongside other popular A2 French textbooks such as “Face à Face A2” or “Édito A2,” Alter Ego A2 French exhibits several distinctive qualities. Its integrated multimedia approach, combining print and audio, is particularly advantageous for self-directed learners or institutions seeking comprehensive course materials.

While “Face à Face A2” emphasizes oral interaction through pair work, Alter Ego tends to balance oral skills with written exercises more evenly. Compared to “Édito A2,” which focuses heavily on authentic texts and media, Alter Ego offers a more scaffolded approach, guiding learners step-by-step through grammar and vocabulary.

However, some critics argue that Alter Ego A2 French may appear somewhat traditional in its layout and pacing, potentially less engaging for learners accustomed to digital platforms with interactive features. Yet, this conventional structure can be a strength for those who benefit from clear, linear progression and consistent revision.

Features That Enhance Learning at the A2 Level

Alter Ego A2 French incorporates several elements that contribute to its effectiveness as a language learning tool:

1. Communicative Approach

The textbook emphasizes real-life communication scenarios to foster practical language use. Dialogue-based lessons simulate authentic exchanges, encouraging learners to use French in everyday contexts, which is essential for achieving fluency at the A2 level.

2. Balanced Skill Development

Listening, speaking, reading, and writing are all addressed with tailored activities. The audio recordings support listening comprehension, while writing exercises promote syntactic and lexical accuracy. This balanced focus ensures a holistic development of language skills.

3. Grammar Integration

Grammar is presented in digestible segments, contextualized within dialogues and exercises. This integration prevents grammar from becoming an isolated subject and helps learners understand its practical application.

4. Cultural Insights

Understanding language in isolation often limits communicative competence. Alter Ego A2 French includes cultural notes that familiarize learners with Francophone customs, etiquette, and societal norms, enriching the learning experience and encouraging cultural empathy.

5. Supplementary Digital Resources

Many editions of Alter Ego A2 come with online platforms or CDs offering additional exercises, interactive games, and listening materials. These resources complement classroom instruction and facilitate autonomous study.

Pros and Cons of Using Alter Ego A2 French

When evaluating Alter Ego A2 French for language instruction, it is essential to weigh its advantages against potential limitations.

- **Pros:**

- Comprehensive coverage of A2-level grammar and vocabulary.
- Systematic progression through thematic units.
- Inclusion of audio materials to enhance listening skills.
- Clear explanations suitable for learners with varying backgrounds.
- Integration of cultural content promotes contextual understanding.

- **Cons:**

- Less interactive compared to fully digital language apps.
- Some learners might find the pace slow or rigid.
- Limited advanced multimedia content in certain print editions.

Target Audience and Applicability

Alter Ego A2 French is particularly suited for learners who have completed the A1 level and are ready to build upon their basic knowledge. It is widely used in institutional settings such as universities and language schools, where structured curricula are preferred.

Self-learners who appreciate a methodical approach can also benefit, especially when supplemented with speaking practice in real-life or virtual conversation groups. However, those seeking gamified or highly interactive online experiences might need additional resources alongside Alter Ego.

Integration into Classroom and Self-Study

Educators often find Alter Ego A2 French a reliable backbone for lesson planning, thanks to its clear objectives and varied exercises. The teacher's guides accompanying the textbook provide tips on adapting activities to different class sizes and proficiency levels.

For self-study, the book's clear layout and comprehensive explanations support independent progress. The availability of audio tracks enables learners to practice pronunciation and listening outside the classroom.

The Role of Alter Ego A2 French in Language Proficiency Progression

Mastering the A2 level is a critical milestone for French learners. It marks the transition from survival language skills to more confident, functional communication. Alter Ego A2 French contributes significantly to this transition by equipping learners with the necessary tools to interact in routine situations and express simple opinions.

By emphasizing communicative competence, the resource helps reduce learner anxiety associated with speaking a foreign language. The repeated exposure to vocabulary and grammatical structures within meaningful contexts fosters retention and fluency.

In sum, Alter Ego A2 French remains a valuable asset in the domain of French language education. Its structured approach, balanced skill development, and cultural integration make it a trustworthy choice for those navigating the complexities of intermediate beginner French.

alter ego a2 french: Alter Ego 2 Colin Carter, 2016-03-17 Deux mois se sont écoulés depuis le départ de Xavier et la vie de Mégan a repris son cours, enfin ... presque normalement. Mais voilà, hasard du calendrier ou pas, un vendredi 13 va encore tout bouleverser. Sera-t-elle prête à l'accepter ? Saura-t-elle être prête à le suivre et s'aventurer à nouveau dans un tourbillon d'émotions ? Venez découvrir l'épilogue de ce diptyque troublant où jamais rien ne se passe comme l'on s'y attend vraiment.

alter ego a2 french: Fremdsprachenunterricht im Spannungsfeld zwischen Sprachwissen und Sprachkönnen Thomas Tinnefeld, 2014-12-29 In dem vorliegenden Band wird der Fremdsprachenunterricht in den Mittelpunkt gerückt, wie es sich gegenwärtig zwischen den beiden Eckpunkten Sprachwissen und Sprachkönnen darstellt. Mit Blick auf drei verschiedene, einander jedoch oft komplementäre Bereiche – Fremdsprachendidaktik, Fachsprachendidaktik sowie Kommunikation und Interkulturalität – werden in internationaler Perspektive aktuelle Ansätze und Methoden dargestellt und hinterfragt, die das gesamte Spektrum des Fremdsprachenunterrichts abdecken – von seiner theoretischen Ausrichtung bis hin zu der praktischen Fremdsprachenvermittlung. Dabei reichen die hier behandelten Zielsprachen vom Englischen über das Französische, das Spanische und das Deutsche bis hin zum Chinesischen und Russischen. Bedingt durch die Breite und den Umfang der Darstellung bietet die vorliegende Publikation sowohl für Linguisten und Fremdsprachendidaktiker als auch für Fremdsprachenlehrer und Studierende der modernen Philologien zahlreiche Anregungen. Saarbrücker Schriften zu Linguistik und Fremdsprachendidaktik (SSLF) Herausgeber der Reihe: Prof. Dr. Thomas Tinnefeld

alter ego a2 french: Dictionnaire pratique de didactique du FLE Jean-Pierre Robert, 2008 Enseigner une langue étrangère exige des professeurs, actuels ou futurs, non seulement la possession de la langue qu'ils enseignent ou vont enseigner, mais également un bagage certain en didactique des langues. Ce savoir, acquis ou en cours d'acquisition à l'université ou dans une institution spécialisée, nombre d'entre eux le complètent régulièrement par des stages de formation. Certains n'ont pas la possibilité de mettre à jour leurs connaissances et leurs méthodes d'enseignement. Les plus courageux cherchent alors à s'informer grâce aux livres et aux revues spécialisés, rédigés souvent dans une langue difficile d'accès parce qu'assujettie au métalangage de leurs auteurs et de la science qu'ils représentent, obstacle qui décourage plus d'un lecteur. C'est à eux que s'adresse en priorité ce Dictionnaire pratique de didactique du FLE, écrit dans une langue simple, imagée, accessible et délivrée de tout métalangage inutile. L'ouvrage décrit, en 100 articles, l'essentiel de cette science sur laquelle repose leur enseignement, la didactique des langues (d'acte de parole à... véhiculaire), dessine, à la lumière de ces articles, un rapide panorama historique et contemporain de cette science (des méthodes traditionnelles aux... méthodes fondées sur l'approche actionnelle), montre clairement l'engagement de la didactique dans les pratiques de classe (de la théorie... à la pratique). Même si ce livre ne prétend pas rivaliser avec d'autres dictionnaires de référence comme le Dictionnaire de didactique des langues de R. Galisson et D. Coste, le Dictionnaire actuel de l'éducation de R. Legendre ou le Dictionnaire de didactique du français, langue étrangère et seconde de J.-P. Cuq, il a pour ambition d'aider dans leur tâche quotidienne les étudiants, les professeurs et tous ceux impliqués dans l'enseignement du Français langue étrangère ou langue seconde.

alter ego a2 french: Channeling Jon Klimo, 1998-04-17 In this study of channeling, earlier called spirit communication or mediumship, Klimo, who teaches at Rosebridge Graduate School in the San Francisco Bay Area, writes with clarity about the communication of information to or through a physically embodied human being from a source...on some other level or dimension of reality other than the physical as we know it. He profiles recent channels and their sources, goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as

Moses, Solomon, Muhammad, Merlin, Nostradamus, Swedenborg and Edgar Cayce. He discusses the sorts of people who are channels, kinds of information channeled, sources of information channeled and varieties of channeling like clairvoyance and automatic writing. According to Klimo, few people tap into their abilities to perform channeling and for those who think they can, he serves as guide.

alter ego a2 french: *Infographic Guide to Movies* Karen Krizanovich, 2024-07-16 An informative and entertaining collection of statistics about movies, from the era of silent films to the present day. Charts and graphs of information such as box office sales, stars' salaries, and awards won are presented in colorful illustrations that make discovering facts about favorite movies a fun experience that can be enjoyed in easy-to-digest chunks--

alter ego a2 french: *A Shorter Ego: Ego, Ego 2, Ego 3* James Agate, 1945

alter ego a2 french: *New Directions in Arthurian Studies* Alan Lupack, 2002 Eleven essays bring Arthurian studies into the 21st century, including film and black popular culture. Eleven essays by leading Arthurians lead off with an overview of the field suggesting directions that Arthurian studies must take to remain vital. Other essays contain innovative approaches, overviews of specific areas of Arthurian studies, and suggestions for new ways to approach Arthurian material; they range over Malory, Latin Arthurian literature, Gawain and the Green Knight, Merlin in the twenty-first century, Tennyson's Idylls, Arthur in African-American culture, current trends in criticism, Arthurian fiction, and Arthurian film. Contributors: ROBERT BLANCH, DEREK BREWER, P.J.C. FIELD, SIAN ECHARD, PETER GOODRICH, KEVIN HARTY, NORRIS J. LACY, BARBARA TEPA LUPACK, DAVID STAINES, RAYMOND THOMPSON, JULIAN WASSERMAN, BONNIE WHEELER.

alter ego a2 french: *Harrap's French and English College Dictionary* Georges Pilard, Anna Stevenson, 2006-03-23 This flagship dictionary is the last word in reference for advanced learners, college students and teachers, and businesspeople. It has served as the standard work of bilingual reference for more than 60 years. The fully revised Harrap's French and English College Dictionary provides thorough, up-to-date coverage of all areas of vocabulary, including more than 305,000 references, 555,000 translations, and thousands of new words and expressions. Also featured are: More than 400 longer entries, with menus for easier navigation Comprehensive French and English grammars linked to the dictionary text A wealth of technical language, Internet terms, slang, and colloquial usage Hundreds of tinted usage notes to help avoid translation pitfalls A four-color illustrated supplement covering 400 essential French and English idioms

alter ego a2 french: *Gender and Citizenship* Claudia Moscovici, 2000-05-10 Moscovici proposes a new understanding of how gender relations were reformulated by both male and female writers in nineteenth-century France. She analyzes the different versions of gendered citizenship elaborated by Friedrich Hegel, George Sand, Honore de Balzac, Auguste Comte and Hercule Barbin revealing a shift from a single dialectical (or male-centered) definition of citizenship to a double dialectical (or bi-gendered) one in which each sex plays an important role in subject-citizenship and is defined as the negation of the other sex. Moscovici further argues that a double dialectical pattern of androgyny endows women with a (relational) cultural identity that secures their paradoxical roles as both representatives and outsiders to subject-citizenship in nineteenth-century French society and culture.

alter ego a2 french: *Iconoclasm and Iconoclasm* Willem van Asselt, Paul van Geest, Daniela Müller, Theo Salemink, 2007-09-30 This book focuses on iconoclastic controversies and, in particular, their impact on the creation of religious identities. In the history of Jewish, Christian and Muslim culture, religious identity was not only formed through historical claims, but also through the use of certain images: 'images of God', 'images of the others', and 'images of the self.' Moreover, in the struggle for religious identity these 'images' were time and again employed for the purpose of establishing distinct groups, both orthodox and deviant. At the same time, they supplied weapons in the theological debate and found explicit expression in certain rituals or liturgical traditions.

These conference proceedings include a discussion of the role of images in society, politics, theology and liturgy, in particular addressing the 'iconoclasm' of physical, mental and verbal images on the construction of religious identity.

alter ego a2 french: Chronicle of the Horse , 1985-10

alter ego a2 french: *Le doublage* Thierry Le Nouvel, 2011-07-07 Destiné aux étudiants en cinéma et aux professionnels débutants ou en reconversion, cet ouvrage passe en revue les différents métiers du doublage et donne les clés pour faire ses premiers pas dans la profession. Après un rapide panorama de l'industrie du doublage, ce livre en aborde les notions techniques essentielles puis décrit, sous forme de fiches métiers, en quoi consiste l'intervention de chacun - détecteur, adaptateur dialoguiste, calligraphie, directeur artistique, comédien. Un carnet d'adresses complet, en annexes, indique les meilleures formations, référence les principaux studios de doublage et liste les organismes incontournables (SACEM, AGESEA, etc.). Émaillé de, nombreuses astuces de terrain données par des professionnels en activité et d'outils de synthèse indispensables, ce petit ouvrage pratique et accessible aidera les débutants ou futurs acteurs de la chaîne du doublage à s'insérer sur le marché de l'emploi et à être efficaces dès leurs premiers films.

alter ego a2 french: Routledge Library Editions: Lacan Various, 2021-07-28 A major influence on French intellectuals in the twentieth century, Jacques Lacan has been referred to as 'the most controversial psychoanalyst since Freud'. Routledge Library Editions: Lacan offers a selection of titles, which examine the influence of Lacan's theories in a number of disciplines and includes an annotated bibliography of his works. It brings together as a set, or individual volumes, a series of previously out-of-print titles, originally published between 1983 and 1991.

alter ego a2 french: **Coll. F - Le fait culturel en classe de FLE (Ebook)** Evelyne Argaud, 2021-02-26 Comment peut-on apprendre et enseigner une culture étrangère ? L'évolution des besoins sociétaux a renouvelé en profondeur la didactique des langues et des cultures. Celle-ci se conçoit désormais dans la perspective d'une éducation plurilingue et interculturelle. Le rôle de l'enseignant s'en trouve modifié et son travail complexifié. Comment, dans ce nouveau cadre, repenser la notion de culture et l'enseignement des faits culturels ? Comment aborder dans la classe de langue une dimension culturelle omniprésente, quels que soient les documents utilisés ? L'ouvrage présenté ici propose un large choix de possibilités didactiques parmi lesquelles l'enseignant pourra sélectionner celles qui conviendront à sa situation d'enseignement. Il a pour vocation de l'aider à déterminer des objectifs d'apprentissage, à sélectionner des supports et des pratiques pédagogiques, à réfléchir aux modes d'évaluation. Des fiches pédagogiques viennent illustrer les différentes démarches possibles, en fonction des publics concernés, des compétences à travailler et des finalités visées.

alter ego a2 french: **Chasing Empire Across the Sea** Kenneth J. Banks, 2002 Drawing on a vast array of official correspondence, merchant's letters, ship's logs, and graphic material from archives and research libraries in Canada, France, and the United States, Kenneth Banks details how France, as the most powerful nation on the Continent and possessing a tradition of maritime interest in the Americas and West Africa dating back to the earliest years of the sixteenth century, seemed destined to take a leading role in exploiting and settling the Americas and establishing posts in West Africa. That it largely failed to do so can be explained in large part by problems emanating from information exchange in an early modern authoritarian state. Banks provides a historical context for the role of communications in the development of the imperial nation-state and offers an Atlantic World perspective on the growing body of literature revising the historical role of absolutism.

alter ego a2 french: **Derrick Puffett on Music** Kathryn Bailey Puffett, 2017-07-05 'I listen to a piece and ask myself what has made the greatest impression on me. What has moved me the most about it, what has excited me the most, what it is I want to write about, what sets my mind working, what sets off my imagination.' Derrick Puffett's description to a group of Cambridge graduate students of his approach to listening and writing about music is clearly evident in the articles reprinted in this collection. For the first time, the book makes available in one place writings
