

hoodoo herb and root magic by catherine yronwode

****Unlocking the Secrets of Hoodoo Herb and Root Magic by Catherine Yronwode****

hoodoo herb and root magic by catherine yronwode is a fascinating gateway into the rich traditions of African American folk magic. This form of magic, deeply rooted in cultural history and practical spirituality, uses herbs, roots, and natural elements to manifest desires, protect against harm, and influence the energies around us. Catherine Yronwode, a respected authority on hoodoo and folk magic, has brought clarity and accessibility to these ancient practices through her detailed writings and teachings.

If you've ever been curious about how everyday plants and roots can wield spiritual power, exploring hoodoo herb and root magic by Catherine Yronwode is an excellent place to start. From the meaning behind specific roots to the ways in which they can be combined with other ritual tools, Yronwode's insights illuminate the path for both beginners and seasoned practitioners.

Understanding Hoodoo Herb and Root Magic by Catherine Yronwode

Hoodoo is a unique form of folk magic blending African, Native American, and European traditions, primarily practiced in the Southern United States. Unlike witchcraft, which often involves ceremonial or formal rituals, hoodoo is a practical and results-oriented tradition focused on everyday life. Central to hoodoo's effectiveness is the use of herbs and roots, each chosen for their specific magical properties.

Catherine Yronwode's work stands out because she combines thorough research with hands-on experience. Her book "Hoodoo Herb and Root Magic" is often considered one of the definitive resources for anyone interested in this area. She delves into the history of each herb and root, explains their symbolic meanings, and offers guidance on how to prepare and use them in spells, mojo bags, and spiritual baths.

What Makes Hoodoo Herbs and Roots Special?

In hoodoo, herbs and roots are not just plants but living spirits imbued with power. Each has a dual role: their physical properties and their spiritual resonance. For example, high John the Conqueror root symbolizes strength, victory, and protection, making it a staple in many hoodoo practices. Similarly, herbs like basil or sage serve both as cleansing agents and carriers of specific magical intentions.

Yronwode emphasizes that the effectiveness of herb and root magic depends on understanding their correspondences and how to combine them with other elements like candles, oils, and written petitions. This holistic approach is what makes hoodoo so adaptable and powerful.

Essential Herbs and Roots in Hoodoo as Highlighted by Catherine Yronwode

One of the most exciting aspects of studying hoodoo herb and root magic by Catherine Yronwode is the extensive catalog of plants she discusses. Here are a few foundational herbs and roots and their uses according to her teachings:

- **High John the Conqueror Root:** Known for courage, luck, and overcoming obstacles. It's often carried in mojo bags or used in anointing oils.
- **Dittany:** A protective herb that wards off evil and negative influences.
- **Devil's Shoe String:** Used to bind and stop harmful actions directed at you.
- **Seven Root:** A combination of seven roots to bring luck, love, and prosperity.
- **Angelica Root:** For protection, healing, and spiritual power.

Yronwode's approach encourages practitioners to not only use these roots but to respect the energies they represent. This respect ensures that the magic remains ethical and effective.

How to Incorporate Herbs and Roots into Your Hoodoo Practice

According to Catherine Yronwode, simply owning an herb or root is not enough. Intent, preparation, and knowledge shape the magic's success. Here's a simple guide inspired by her methods:

1. **Choose the Right Herb or Root:** Identify your goal—whether it's protection, love, or financial success—and select the corresponding herb or root.
2. **Cleanse and Prepare:** Physically clean your herbs and roots, then spiritually cleanse them using smoke (like sage) or prayer.

3. **Combine with Other Magical Tools:** Use candles, oils, or personal items to amplify the root's power in your spellwork.
4. **Carry or Place Strategically:** Keep mojo bags with roots on your person or place herbs in your home to influence your environment.
5. **Maintain the Magic:** Refresh your mojo bags or herb sachets regularly to keep the energy strong.

This hands-on approach, detailed by Yronwode, helps practitioners connect deeply with their work and see tangible results.

The Role of Mojo Bags and Sachets in Hoodoo Herb and Root Magic by Catherine Yronwode

One of the most iconic practices in hoodoo is creating mojo bags—small pouches filled with specific herbs, roots, minerals, and personal items. Catherine Yronwode thoroughly explains how herb and root magic integrates into these powerful spiritual tools.

Mojo bags serve as portable charm containers that carry your intentions with you. The careful selection of roots and herbs for these bags is crucial. For example, combining High John the Conqueror root with a piece of lodestone can attract luck and success, while mixing angelica root with protective oils can ward off evil.

Yronwode also stresses the importance of personalizing mojo bags. Adding your hair, a photograph, or a written petition can strengthen the connection between you and the magical ingredients.

Tips for Beginners Creating Mojo Bags

- Start small: Use just a few herbs and roots that align with your goal.
- Research thoroughly: Understand each plant's significance to avoid conflicting energies.
- Focus on your intention: Keep your goal clear and focused while assembling the bag.
- Charge your mojo bag: Use prayer, meditation, or candlelight to empower your creation.
- Carry it close: Keep your mojo bag in your pocket or handbag to maintain its influence.

These practical tips come from Yronwode's deep knowledge and experience, making the process approachable for newcomers.

The Cultural and Historical Context of Hoodoo Herb and Root Magic by Catherine Yronwode

Catherine Yronwode doesn't just present hoodoo as a set of magical recipes; she places it within its rich cultural and historical framework. Hoodoo emerged from the blending of African spiritual traditions, Native American herbal knowledge, and European folk magic. This syncretism reflects the resilience and creativity of African American communities.

Understanding this context adds depth to the use of herbs and roots in hoodoo. Each plant carries not only magical properties but also stories, symbolism, and ancestral power that have been passed down through generations. Yronwode's work honors these origins and encourages respect for the tradition's roots.

Respecting Tradition While Practicing Hoodoo

In her writings, Yronwode often reminds practitioners to approach hoodoo with humility and respect. This means:

- Learning about the cultural history behind the practices.
- Avoiding cultural appropriation by acknowledging hoodoo's African American origins.
- Using herbs and roots ethically, avoiding harm to others.
- Honoring the spiritual significance of plants beyond their physical uses.

This respectful mindset ensures that hoodoo remains a living, evolving tradition grounded in community and spiritual integrity.

Expanding Your Practice with Hoodoo Herb and Root Magic by Catherine Yronwode

For those who want to dive deeper, Yronwode's teachings offer a path to advanced understanding. She encourages experimentation within the tradition's framework, combining roots with oils, candles, and ritual acts like baths and candle spells.

Exploring her work also reveals how to source authentic roots and herbs, the importance of timing (such as moon phases), and how to keep a magical journal to track your results and refine your practice.

By following her guidance, you can develop a personalized hoodoo practice that feels both powerful and connected to a rich cultural lineage.

Whether you're drawn to hoodoo for spiritual growth, protection, or practical magic, the insights found in hoodoo herb and root magic by Catherine Yronwode provide invaluable guidance. Her blend of scholarly research and hands-on wisdom invites you to explore the natural world's magical potential with confidence and respect. Through her work, the ancient art of hoodoo remains vibrant and accessible for modern practitioners eager to connect with the earth's healing and transformative energies.

Frequently Asked Questions

What is the main focus of Catherine Yronwode's book 'Hoodoo Herb and Root Magic'?

The main focus of 'Hoodoo Herb and Root Magic' by Catherine Yronwode is to provide detailed information on the use of herbs, roots, and other natural materials in traditional Hoodoo folk magic practices.

How does Catherine Yronwode categorize herbs and roots in her book?

Catherine Yronwode categorizes herbs and roots by their magical properties and their uses in various Hoodoo spells, including love, protection, money drawing, and spiritual cleansing.

Can beginners use 'Hoodoo Herb and Root Magic' as a practical guide?

Yes, 'Hoodoo Herb and Root Magic' is written in a clear and accessible style, making it suitable for both beginners and experienced practitioners interested in Hoodoo traditions.

Does the book include recipes or instructions for making Hoodoo charms or oils?

Yes, the book includes numerous recipes and instructions for creating Hoodoo charms, oils, incense, and other magical preparations using herbs and roots.

What cultural background does 'Hoodoo Herb and Root Magic' draw from?

'Hoodoo Herb and Root Magic' draws from African American folk magic traditions, incorporating elements of African, Native American, and European herbal knowledge as practiced in the American South.

Where can I find authentic herbs and roots recommended in Catherine Yronwode's book?

Authentic herbs and roots can often be found at specialty metaphysical shops, herb stores, or online retailers that specialize in Hoodoo supplies, ensuring they are ethically sourced and suitable for magical use.

Additional Resources

Hoodoo Herb and Root Magic by Catherine Yronwode: A Deep Dive into Traditional Spiritual Botany

hoodoo herb and root magic by catherine yronwode stands as a seminal work in the realm of folk magic, particularly in the context of African American Hoodoo traditions. This book meticulously catalogs the use of various herbs, roots, and other natural elements in ritualistic and spiritual practices, providing both historical insight and practical applications. As a widely referenced resource, it bridges the gap between traditional knowledge and contemporary spiritual seekers interested in the botanical aspects of Hoodoo, making it a cornerstone for anyone exploring this unique magical system.

Understanding Hoodoo and Its Botanical Foundations

Hoodoo, often confused with Voodoo, is a distinct form of African American folk magic rooted in a blend of African, Native American, and European influences. Central to Hoodoo's practice is the use of natural materials—herbs, roots, minerals, and animal parts—which practitioners employ to affect change in health, love, luck, and protection. Catherine Yronwode's work delves into these botanical elements with a scholarly yet accessible approach, presenting an encyclopedic guide that has become indispensable for modern practitioners.

The book's foundation lies in detailed descriptions of numerous herbs and roots, detailing their magical properties, traditional uses, and preparation methods. This approach not only preserves ancestral knowledge but also provides a practical manual for those incorporating plant magic into their rituals.

In-Depth Analysis of Hoodoo Herb and Root Magic by Catherine Yronwode

Yronwode's text excels in combining ethnobotanical research with firsthand

accounts from Hoodoo practitioners, which lends the book both authenticity and depth. Unlike many other compendiums that may focus solely on the botanical or purely magical aspects, this work integrates cultural context, historical usage, and spiritual significance.

One of the most striking features of the book is its comprehensive cataloging of materials. Each herb or root is accompanied by its common names, botanical classification, and regional variations. This is critical in Hoodoo, where a single plant may have multiple aliases or diverse uses depending on geographic and cultural differences.

Moreover, Yronwode discusses the preparation techniques—such as making oils, waters, powders, and mojo bags—giving readers actionable knowledge. This practical component is essential for those wishing to engage in Hoodoo magic beyond theoretical study.

Key Features and Contributions

- **Extensive Herb and Root Profiles:** The book lists hundreds of herbs and roots, from Angelica to Witch Hazel, explaining their magical correspondences and traditional applications.
- **Historical and Cultural Context:** Yronwode situates the botanical magic within the larger framework of African American folk spirituality, providing insights into how these practices evolved.
- **Practical Ritual Instructions:** Readers gain step-by-step guidance on creating magical preparations, enhancing the book's utility for practitioners.
- **Cross-Referencing with Other Magical Traditions:** The text acknowledges overlaps with European folk magic, Native American herbalism, and African spiritual systems, enriching the reader's understanding.

Comparisons with Other Herbal Magic Texts

When placed alongside other herb-focused magical texts, such as Scott Cunningham's "Encyclopedia of Magical Herbs" or "The Complete Magician's Tables" by Stephen Skinner, Hoodoo Herb and Root Magic distinguishes itself through its cultural specificity and detailed ethnographic approach. While Cunningham's work is expansive and user-friendly, it tends to generalize herbal magic across Western traditions. Yronwode's text, however, centers Hoodoo's unique formulas and folk wisdom, making it more specialized.

Additionally, unlike more academic herbals or botanical guides, this book

maintains an accessible tone that balances scholarly rigor with practical advice, making it suitable for both beginners and seasoned practitioners.

Exploring the Use of Roots in Hoodoo Practices

Roots hold a particularly revered place in Hoodoo magic, often considered potent sources of spiritual energy. Yronwode's work shines in its exploration of roots like High John the Conqueror, Devil's Shoe String, and Bloodroot, each imbued with distinct magical attributes.

High John the Conqueror Root

Perhaps the most famous root in Hoodoo, High John the Conqueror symbolizes strength, luck, and overcoming adversity. Yronwode traces its use in mojo bags and spells designed to empower the user, highlighting its role as a symbol of resilience and spiritual protection.

Devil's Shoe String

Used primarily for binding and controlling situations or people, Devil's Shoe String is detailed with instructions on how to prepare it for effective spellwork. The root's significance is not only in its magical application but also in its cultural symbolism of restraining negative forces.

Bloodroot

Noted for its association with healing and protection, Bloodroot is examined for its dual role in both medical herbalism and mystical practices. Yronwode provides cautions on its toxicity, underscoring the importance of responsible use.

The Role of Herbal Oils and Waters in Hoodoo Magic

An essential aspect of Hoodoo herb and root magic is the creation of oils and waters, which serve as conduits for spiritual energy. Yronwode's book offers detailed recipes and explanations for producing these preparations, such as Van Van oil and Florida Water.

These concoctions are not only aromatic but are believed to carry specific

magical vibrations that can cleanse, attract, or repel energies. The precision with which Yronwode outlines the preparation methods allows practitioners to replicate traditional formulas with confidence.

Van Van Oil

Renowned for its use in clearing negativity and enhancing luck, Van Van oil is a staple in many Hoodoo practices. Yronwode provides insights into its historical origins and contemporary uses, emphasizing its versatility.

Florida Water

Serving both practical and magical purposes, Florida Water is used for spiritual cleansing and protection. Yronwode's analysis includes its adaptation from commercial colognes into a potent magical tool within Hoodoo.

Critiques and Limitations of the Work

While Hoodoo Herb and Root Magic by Catherine Yronwode is widely praised, some critiques emerge from both academic and practitioner communities. A few point out that the book occasionally blends folklore with historical facts without clear differentiation, which may cause confusion for readers seeking strictly academic content.

Moreover, the book's reliance on sourced anecdotal evidence, while enriching, sometimes lacks rigorous ethnographic methodology, raising questions about the universality of certain claims.

From a practical perspective, the sheer volume of information can be overwhelming for novices. The absence of a more structured beginner's guide or index might challenge those new to Hoodoo or herbal magic.

Impact on Modern Hoodoo Practice and Spiritual Botany

Despite these critiques, Hoodoo Herb and Root Magic has had a profound influence on both the preservation and dissemination of Hoodoo knowledge. Many contemporary practitioners cite it as a foundational text when building their personal libraries of spiritual and magical resources.

The book's detailed botanical descriptions have also contributed to a resurgence of interest in traditional plant magic, encouraging sustainable

harvest practices and respect for indigenous knowledge systems.

By providing a bridge between ancestral wisdom and modern spiritual needs, Catherine Yronwode's work continues to inspire a diverse audience, ranging from academic researchers to dedicated folk magicians.

In the evolving landscape of magical literature, Hoodoo Herb and Root Magic by Catherine Yronwode remains a vital resource for understanding the intricate relationship between plants and spiritual practice within Hoodoo. Its comprehensive approach, cultural sensitivity, and practical focus ensure its ongoing relevance for those seeking to explore or deepen their engagement with herb and root magic.

- Distinguish reputable ghost hunters from frauds and amateurs
- Recognize bewitched or possessed objects and remove their effects

hoodoo herb and root magic by catherine yronwode: *Traditional Hoodoo & Conjure* Miss Aida, 2025-10-24 In this illuminating guide, Miss Aida corrects widespread misconceptions about Hoodoo—a powerful African diaspora tradition rooted in African traditional religions. She reveals authentic practices, contrasts Hoodoo with related traditions like Santeria and Haitian Vodou, and reclaims this rich spiritual craft from misrepresentation, offering readers a genuine understanding of Hoodoo's true essence. Hoodoo and conjure may be household words, but the popular magical craft practiced by tens of thousands of individuals has been grossly misrepresented in many modern practices. *Traditional Hoodoo & Conjure* seeks to reverse these misconceptions and provide practitioners with the history, mechanics, and tools to understand not only how but why each magical action serves a greater purpose. Because Hoodoo derives its roots from African traditional religions that were initially brought to North America by enslaved people during the transatlantic era, many aspects of the craft parallel African-Caribbean practices, such as Santeria and Haitian Vodou. Miss Aida teaches readers how to honor their ancestors in a traditional manner and petition honored entities. By offering magical baths, 25 traditional rituals, 125 spells, 50 recipes, and 40 prayers, readers will develop a deeper understanding of Hoodoo while becoming knowledgeable and formidable spellcasters.

hoodoo herb and root magic by catherine yronwode: *The Voodoo Hoodoo Spellbook* Denise Alvarado, 2009-03-25 The term voodoo hoodoo is used by Louisiana locals to describe the unique variety of Creole Voodoo found in New Orleans. In this book, you will find a plethora of authentic Voodoo and hoodoo rituals for love, justice, gambling luck, luck in court, prosperity, health, crossing, hexes, curse removal, and much more. The author has stripped the shroud of secrecy that has always surrounded Voodoo, and provides detailed instructions on everything from making gris-gris, magickal oils, talismans, and powders, to casting hexes.

hoodoo herb and root magic by catherine yronwode: *Hoodoo Justice Magic* Miss Aida, 2021-11-01 Hoodoo spellwork and rituals for self-protection and how to get “payback” when you’re wronged. Features 129 spells, 32 recipes, and numerous rituals. Historically, Hoodoo was the magic of the disenfranchised, marginalized, and vulnerable. It was born of the need to obtain justice, power, and protection, as these were not typically naturally forthcoming. The ancestors and earliest practitioners of Hoodoo were enslaved African Americans, followed by their descendants and neighbors. How does one obtain justice if the system is inherently skewed against you? Hoodoo has developed a vast arsenal of justice and payback spells—spells intended to create a balance of power, punish victimizers, and protect victims from further victimization. It also empowers the victimized, so that they are able to rise above their situations, restore self-esteem, and create better, happier lives for themselves. The spells vary from mild to aggressive, depending on the personal level of justification. *Hoodoo Justice Magic* contains a diverse collection of these spells, as well as an exploration of their ethics. (Are you really justified? And what happens if you’re not?) Featuring 129 spells, 32 recipes, and numerous rituals, there are also 27 prayers for people who fear actually performing spellwork. The spells incorporate common household articles, such as salt and spices, as well as candles, tarot cards, and recitation of Psalms. Learn how to protect yourself and avoid trouble by recognizing the signs indicating predatory behavior. (Although several spells incorporate specific tarot cards, no previous knowledge or experience of them is required, as they are used as materials or objects that radiate magic power.)

hoodoo herb and root magic by catherine yronwode: *Hoodoo, Voodoo, and Conjure* Jeffrey

E. Anderson, 2008-10-30 Hoodoo, voodoo, and conjure are part of a mysterious world of African American spirituality that has long captured the popular imagination. These magical beliefs and practices have figured in literary works by such authors as Toni Morrison, Alice Walker, and Ishmael Reed, and they have been central to numerous films, such as *The Skeleton Key*. Written for students and general readers, this book is a convenient introduction to hoodoo, voodoo, and conjure. The volume begins by defining and classifying elements of these spiritual traditions. It then provides a wide range of examples and texts, which illustrate the richness of these beliefs and practices. It also examines the scholarly response to hoodoo, voodoo, and conjure, and it explores the presence of hoodoo, voodoo, and conjure in popular culture. The volume closes with a glossary and bibliography. Students in social studies classes will use this book to learn more about African American magical beliefs, while literature students will enjoy its exploration of primary sources and literary works.

hoodoo herb and root magic by catherine yronwode: *Ganzheitsmedizin: Die Ganzheitlichkeit von Gesundheit und Heilung – Konzepte von Körper, Geist und Seele, Erde und Kosmos* Christine Herrera Krebber, 2016-01-07 „Stehen Sie nicht am Ufer ihres Lebensstromes, sondern steigen Sie in den Fluss, und Sie werden spüren, wie Sie getragen werden von den Gegensätzen des heranströmenden und wegfließenden Wassers. Ruhen Sie sich aus in diesem Fluss, und Sie werden den Wendepunkt heran- und wegstrebenden Wassers erfahren. Hier liegt eine eigentümliche Ruhe, die bereit macht, das Geheimnis von Sein und Werden zu entziffern“ verrät Heraklit, denn es wurde erst vor rund hundert Jahren in der ärztlichen Ausbildung das „Philosophicum“ durch das „Physicum“ ersetzt. Seitdem ist der Mensch der Biotechnik zuzuordnen, der ursprünglich biopsychosozial-geistige Kontext wurde abgelöst. Aber auch hier wurde bewiesen, dass 100.000 biochemische Prozesse pro Sekunde in rund 60 Billionen Körperzellen unaufhörlich an der Selbstheilung arbeiten. Mit Gegensätzen arbeiten auch die Q'ero-Heiler aus den peruanischen Anden, eine der ältesten Heil-Kulturen unserer Welt, die der Pachakuti Inka. Der Q'ero-Heiler verwandelt schwere Energie in leichte und gibt die schwere Energie an Pachamama, Mutter Erde, zurück. Nur so kann Heilung stattfinden, wenn die schwere Energie nicht mehr auf dem kranken Menschen lastet. Denn Medizin heißt eigentlich lateinisch „in mediam ducere“, „in die Mitte führen“ und nach Hippokrates ist Gesundheit ein Zustand von Lebensqualität, Gleichgewicht, Harmonie und innerer Stabilität.

hoodoo herb and root magic by catherine yronwode: *The Voodoo Encyclopedia* Jeffrey E. Anderson, 2015-08-26 This compelling reference work introduces the religions of Voodoo, a onetime faith of the Mississippi River Valley, and Vodou, a Haitian faith with millions of adherents today. Unlike its fictional depiction in zombie films and popular culture, Voodoo is a full-fledged religion with a pantheon of deities, a priesthood, and communities of believers. Drawing from the expertise of contemporary practitioners, this encyclopedia presents the history, culture, and religion of Haitian Vodou and Mississippi Valley Voodoo. Though based primarily in these two regions, the reference looks at Voodoo across several cultures and delves into related religions, including African Vodun, African Diasporic Religions, and magical practices like hoodoo. Through roughly 150 alphabetical entries, the work describes various aspects of Voodoo in Louisiana and Haiti, covering topics such as important places, traditions, rituals, and items used in ceremonies. Contributions from scholars in the field provide a comprehensive overview of the subject from various perspectives and address the deities and ceremonial acts. The book features an extensive collection of primary sources and a selected, general bibliography of print and electronic resources.

hoodoo herb and root magic by catherine yronwode: *Divine Dirt* Charity L. Bedell, 2025-08-05 Turn Ordinary Soil into Magic with 120+ Spells and Exercises Combining witchcraft, Conjure, and other folk practices, Charity L. Bedell shows you how to work with the energy of various environments—from riverbanks to forests to graveyards. Build relationships with urban and nature spirits, use dirt from footprints and animal tracks in your spells, make protection charms to use at crossroads, and much more. *Divine Dirt* helps you understand and connect with the magical places all around you. In addition to numerous spells and exercises, this book teaches you how to create and charge potent magical powders that can be used in the moment or stored for later use.

Featuring extensive correspondences and resources, Divine Dirt is an indispensable guide. A great companion to Container Magic, this book includes spells and rituals for a wide variety of purposes, including: • Wellness • Justice • Protection • Money • Healing • Career • Fertility • Mental Health • Love • Luck • Spirit Communication • Cleansing • Ancestors and Guardians • New Opportunities • Karma • Beauty • Divination • Friendship • House and Home • Prosperity • Strength

hoodoo herb and root magic by catherine yronwode: Mountain Conjure and Southern Root Work Orion Foxwood, 2021-01-01 Traditional Southern root magic and conjure from someone who learned the old ways growing up in rural Appalachia. And many, many more!

hoodoo herb and root magic by catherine yronwode: Magic for the Resistance Michael M. Hughes, 2018-09-08 Inspires socially conscious magical practitioners to harness the power of our imaginations and collective will, reminding us where true power really resides: in the hands of the people.—Amanda Yates Garcia, the Oracle of Los Angeles Use Magic to Make the World a Better Place Today From the creator of the Spell to Bind Donald Trump and All Those Who Abet Him The resistance is growing, and it needs your help. This book provides spells and rituals designed to help you put your magical will to work to create a more just and equitable world. These magical workings can be used by activists of any spiritual or religious background. With ideas for altars, meditations, community organizing, self-care, and more, Magic for the Resistance offers a toolkit for magical people or first-time spellcasters who want to manifest social justice, equality, and peace. If you've ever felt disillusioned or burned out because of the slow progress of social change, this magical work can nurture and support you, sharpening your focus and resolve for more sustained, long-term activism. In addition to influencing the outside world, these rituals bring you in closer alignment with your higher spiritual consciousness—because transforming your society begins with transforming yourself. Includes spells for: Racial justice Women's rights LGBTQ+ rights Antifascism Environmentalism Immigration Refugee support Nonviolence Praise: Readers interested in the power of magic and dismayed by the tumultuous current political moment will want to give this

enticing guide a look.—Publishers Weekly Magic for the Resistance is a rabble-rousing battle cry for magical thinkers everywhere.—Amanda Yates Garcia, the Oracle of Los Angeles This wonderfully engaging guide—one part history, one part grimoire—demonstrates how and why to combine spell work and activism to heal our society and get rid of our heel.—Mitch Horowitz, PEN Award-winning author of Occult America This is rare combination of a how-to book that also gives a solid historical and cultural perspective on the uses of magic to resist political oppression. Sound and well-grounded both factually and magically, it's also well written and well informed.—Sabina Magliocco, Professor of Anthropology, University of British Columbia Vote. Organize. March. Protest. Boycott. Resist. Be an activist for your beliefs. Then...put your magic where your mouth is! You might want to start by reading Magic for the Resistance.—Lon Milo DuQuette, author of Low Magick Magic for the Resistance is a fascinating look at how the occult arts can be used to promote progressive politics and social change.—Gary Lachman, author of Dark Star Rising: Magick and Power in the Age of Trump An eminently necessary guidebook for the magic-workers of our time.—David Salisbury, author of A Mystic Guide to Cleansing & Clearing This book empowers the reader to liberate stagnancy and facilitate positive change, to feel/be heard, and to learn from obstacles and challenges that are encountered.—Fiona Horne, author of Witch Michael Hughes has drawn on his erudition as well as his quarter-century of experience as a practicing magician to offer a complete manual of 'Warrior Magic' in the service of justice.—Leonard George, PhD, author of Crimes of Perception
