Study Andrea Thom, 2020-04-14 A Christ-centered Bible study that challenges us to renounce hidden sin and purify God's church. The prophet Amos preaches astounding words from God that He is about to judge and destroy His own people. Amos wields his voice with surprising refinement and rich analogies from nature. He thunders against the selfishness that has birthed sinful addictions, violence, corrupt religion and injustice. The prophet provokes tough questions about private and public morality which challenges stubborn hearts and social structures. Yet God's tender concern for Israel aches within words such as, Seek me and live (5:4). The only cure? To repent and recommit to an all-consuming love for the Lord.

amos bible study jennifer rothschild: Amos Steven Wunderink, 2014-12-01 The ICON series

is a group of Bible Studies on the Minor Prophets. We have a crisis of DEPTH in our knowledge of scripture today and this series is meant to take you into the depths of scripture. An Old Testament prophet was not called to tell the future but to be the mouthpiece of God. Sometimes at a great cost. Like Hosea who had to marry a prostitute to symbolize Israel's relationship to God. I want to take you deeper into scripture than you have ever been before. You may know something about the Bible, but do you really know it? Really? This series will take you in deep. Sometimes what you see is not pretty

and it is not something we normally relate to the Holy Word. You will see God's anger and his destruction but you will also see that thread of hope and that love that God has for his people. We will find that we are not very different than Ancient Israel and Judah. We sin just as bad as they did we just call our sins by different names. So the Minor Prophets speak to us today as much as they did back then. I pray this Bible Study will give you a new and deeper look at our God and his relations to his people: US!
