

my best friend is a vampire

My Best Friend Is a Vampire: Navigating Life with the Undead

my best friend is a vampire, and honestly, it's been one of the most fascinating and challenging experiences of my life. You may be wondering how someone can have a vampire as their closest companion. Is it a story from a gothic novel or some supernatural fantasy? Well, let me tell you, it's very real in my world, and it has completely changed my perspective on friendship, trust, and even the night itself.

In this article, I want to take you on a journey through what it means to have a vampire as a best friend. From the unique challenges we face to the incredible insights I've gained, I'll share everything you need to know about living alongside someone from the shadows. Whether you're a fan of vampire lore or just curious about this otherworldly bond, there's plenty here to pique your interest.

Understanding the Reality: What It Means When My Best Friend Is a Vampire

When you say "my best friend is a vampire," it's easy to imagine the clichéd image of a pale, nocturnal creature with fangs and an aversion to sunlight. But vampires, in the way I know them, are far more complex and human than those spooky stereotypes suggest.

The Modern Vampire: Beyond Myths and Legends

Contrary to popular belief, vampires aren't just mythical monsters lurking in castles or haunted forests. Many modern vampires blend into society, hiding their true nature while leading seemingly ordinary lives. This means my best friend navigates the same social spaces as I do but has to carefully manage certain limitations, like avoiding daylight or refraining from consuming conventional food and drink.

Understanding this modern vampire lifestyle has helped me appreciate the layers of secrecy, discipline, and adaptation required. It's not just about the supernatural powers or immortality; it's about maintaining relationships, work, and daily routines without revealing their true identity.

How Our Friendship Works

When my best friend is a vampire, our friendship is built on trust and confidentiality. There's an unspoken agreement to respect boundaries, especially regarding their need for privacy and safety. We've developed unique communication routines—like late-night meetups or using coded messages—to accommodate their nocturnal habits.

This friendship has taught me patience and empathy. It's a constant balancing act between normalcy

and the extraordinary, but it's rewarding because it deepens my understanding of loyalty and acceptance.

The Challenges of Having a Vampire Best Friend

Having a vampire as a best friend isn't all glamorous or mysterious—it comes with real challenges that test both of us in different ways.

The Nighttime Lifestyle

One of the biggest adjustments is the nocturnal lifestyle. My best friend thrives after dark and often feels drained or even ill during daylight hours. This means our social activities revolve around late nights, which can sometimes be exhausting for me. But over time, I've learned to appreciate the quiet and calm of the nighttime world—the stars, the cool air, and the stillness that daylight often disrupts.

Dietary Restrictions and Health Concerns

Vampires, as you might expect, have very particular dietary needs. My friend doesn't consume regular food and depends on alternative sources to sustain themselves. This can be tricky when we hang out because traditional meals aren't an option for them. Sometimes we go to specialized restaurants or prepare meals that fit their requirements.

Health is another concern. Vampires may have unique vulnerabilities, such as sensitivity to sunlight, certain materials like silver, or emotional stress that can weaken their well-being. Helping my friend stay safe requires vigilance and a willingness to adapt plans on the fly.

Keeping Their Secret Safe

Perhaps the most critical challenge is protecting my friend's secret. If the world knew my best friend is a vampire, it could lead to fear, prejudice, or worse. This secrecy means I have to be extremely careful about what I share and with whom. It's a responsibility that weighs on me, but it also reinforces our bond.

What I've Learned From My Vampire Best Friend

Having a vampire best friend has been a powerful learning experience. It's reshaped how I view friendship, identity, and the world around me.

The Value of Empathy and Understanding

Vampires often face misunderstanding and stigma in stories and culture. Being close to someone who embodies this archetype in real life has taught me the importance of empathy—not just for supernatural beings, but for anyone who feels different or marginalized. It's about seeing beyond surface differences and embracing true connection.

Living with Dual Realities

Our friendship exists at the intersection of the ordinary and the extraordinary. This duality has helped me become more open-minded and adaptable. Whether it's discussing existential questions about immortality or navigating everyday challenges, living with a vampire best friend has expanded my worldview.

Trust and Loyalty in Unique Circumstances

Trust is the foundation of any friendship, but when my best friend is a vampire, it takes on new dimensions. There's a constant need for discretion and mutual support that goes beyond typical friendships. This experience has shown me the depth of loyalty and how it can thrive even under unusual and sometimes dangerous circumstances.

Tips for Being a Good Friend to a Vampire

If you ever find yourself in the extraordinary situation where your best friend is a vampire, here are some insights that can help you nurture that relationship:

- **Respect Their Privacy:** Understand and honor their need for secrecy and safety.
- **Adjust Your Schedule:** Be flexible with timing, especially since vampires tend to be nocturnal.
- **Learn About Their Needs:** Educate yourself on their dietary requirements, sensitivities, and lifestyle limitations.
- **Communicate Openly:** Keep lines of communication clear and honest to build trust and avoid misunderstandings.
- **Be Supportive:** Offer emotional support, especially since they might feel isolated due to their unique condition.
- **Maintain Discretion:** Keep their secret safe to protect them from potential harm or social backlash.

These tips aren't just for vampire friends—they can be applied to any close relationship where understanding and accommodation are key.

Exploring Vampire Mythology Through a Personal Lens

One of the most fun parts about having a vampire best friend is diving into vampire mythology together. We often discuss the origins of vampire legends, from ancient folklore to contemporary pop culture, and how these stories compare to their real-life existence.

It's fascinating to see how much of vampire mythology is exaggerated or misunderstood. For example, the traditional weaknesses like garlic, crosses, or holy water might not apply to every vampire. These conversations have deepened my appreciation for storytelling and the power of myth in shaping how societies view "the other."

The Impact of Pop Culture on Perceptions

Movies, books, and TV shows have created a vibrant and sometimes misleading image of vampires. While these stories are entertaining, they don't always capture the nuanced realities of vampire life. Sharing these cultural touchstones with my friend helps us bond but also serves as a reminder to question stereotypes and recognize individuality.

Living with a Secret That Changes Everything

Having a best friend who is a vampire means living with a secret that can't be shared lightly. It's a heavy responsibility but also a unique privilege. Our friendship thrives on the understanding that, despite the supernatural elements, at the core, we are simply two people navigating life together.

This secret has made me more conscious of the power of trust and the importance of acceptance in all forms. It's a reminder that true friendship transcends differences—whether they're supernatural or simply a matter of perspective.

In the end, saying "my best friend is a vampire" is more than a statement about the supernatural; it's a testament to the extraordinary connections we can form when we open our hearts and minds to those who are different from us.

Frequently Asked Questions

What is the main plot of 'My Best Friend is a Vampire'?

The story revolves around a teenager who discovers that his best friend is a vampire, leading to humorous and adventurous situations as they navigate their unusual friendship.

Is 'My Best Friend is a Vampire' a book, movie, or TV show?

My Best Friend is a Vampire is a 1987 comedy-horror movie that blends teenage coming-of-age themes with supernatural elements.

Who are the main characters in 'My Best Friend is a Vampire'?

The main characters include Jeremy, the teenager who becomes a vampire, and his best friend, who helps him adjust to his new life.

What genre does 'My Best Friend is a Vampire' belong to?

It belongs to the comedy-horror and teen supernatural genres.

How does 'My Best Friend is a Vampire' portray vampire mythology?

The film presents vampires with traditional traits like aversion to sunlight and a thirst for blood but adds a comedic twist by focusing on the protagonist's awkward teenage experiences.

Is 'My Best Friend is a Vampire' appropriate for all ages?

The movie is generally suitable for teens and older audiences due to its mild horror elements and comedic themes.

Are there any sequels or adaptations of 'My Best Friend is a Vampire'?

There are no direct sequels, but the film has a cult following and inspired similar vampire-themed teen comedies.

Where can I watch 'My Best Friend is a Vampire'?

The movie is available on various streaming platforms for rent or purchase and may also be found on DVD or Blu-ray.

What makes 'My Best Friend is a Vampire' stand out among vampire movies?

Its blend of humor, teenage coming-of-age struggles, and supernatural elements creates a unique and lighthearted take on vampire lore.

My Best Friend Is a Vampire: A Closer Look at Friendship Beyond the Ordinary

my best friend is a vampire — a statement that might evoke curiosity, skepticism, or intrigue depending on one's perspective. While it may sound like the premise of a supernatural novel or a popular TV series, this phrase also invites us to explore the cultural, psychological, and social dimensions of friendships that transcend the conventional. In this investigative review, we delve into the phenomenon of having a vampire as a best friend, examining its implications, the symbolism behind such relationships, and how this narrative has evolved in modern media and society.

The Vampire Archetype in Friendship Dynamics

The idea that "my best friend is a vampire" taps into a rich vein of folklore and myth that has been reinvented countless times. Vampires, as creatures of the night, symbolize mystery, immortality, and often, an outsider status. When applied to friendship, these traits can represent relationships that are unconventional, enduring, or marked by a sense of otherness.

From a psychological standpoint, the vampire archetype can be interpreted metaphorically. Friends who drain emotional energy or, conversely, those who provide a timeless, unwavering presence might be seen through this lens. Thus, the phrase "my best friend is a vampire" might not only be literal in fantasy contexts but also figurative, describing complex interpersonal dynamics.

Historical and Cultural Context

The vampire myth originated in Eastern European folklore, but its depiction has shifted dramatically over centuries. Early vampires were often malevolent beings—symbols of death and disease—while contemporary portrayals tend to imbue vampires with romanticism and depth. This evolution shapes how audiences relate to the concept of "having a vampire friend."

In literature and film, vampires have served as metaphors for alienation, forbidden desires, and eternal companionship. The shift from monstrous villains to nuanced characters mirrors broader societal changes in how we understand difference and connection. As such, when individuals say, "my best friend is a vampire," it might reflect a fascination with the eternal and the enigmatic qualities that such a friend embodies.

Modern Media and the Popularity of Vampire Friendships

The resurgence of vampires in popular culture—through franchises like *Twilight*, *The Vampire Diaries*, and *True Blood*—has cemented the vampire figure as a staple of friendship and romance narratives. These stories often explore themes of loyalty, secrecy, and the challenges of coexisting with supernatural traits.

Portrayal of Vampire Friendships in Entertainment

In many contemporary stories, vampire friendships are portrayed with a blend of tension and devotion. Vampires, with their immortality and unique abilities, often serve as protectors or guides to human friends. This dynamic adds layers of complexity to the traditional friendship model, emphasizing trust amidst secrecy and difference.

- **Trust and Secrecy:** Vampire friendships often hinge on concealed identities, which tests the boundaries of honesty and trust.
- **Longevity and Change:** Vampires' immortality contrasts with human mortality, raising questions about how friendships evolve over time.
- **Power Imbalance:** The supernatural abilities of vampires can create dynamics of protection or dominance within friendships.

These themes resonate with audiences because they reflect real-life friendship challenges, albeit through a supernatural filter.

Impact on Audience Perception

The phrase “my best friend is a vampire” also invites audiences to reconsider what constitutes friendship. It encourages acceptance of differences, whether literal or metaphorical, and highlights the value of loyalty in the face of adversity. The popularity of vampire friendships in media suggests a collective fascination with the idea of bonds that transcend ordinary human limitations.

Symbolism and Psychological Implications

Beyond entertainment, the concept of “my best friend is a vampire” can serve as a metaphor for various psychological and social phenomena. Vampires often represent the “other” — someone who exists on the fringes of society or who embodies traits that are simultaneously alluring and threatening.

Friendship as a Mirror to Inner Conflict

In some cases, identifying a friend as a “vampire” might symbolize internal struggles such as dependency, emotional exhaustion, or the need for renewal. The vampire's dual nature—both captivating and dangerous—can mirror the complexities of human relationships, where affection and conflict coexist.

Social Outsiders and Acceptance

Conversely, a best friend who is a vampire can represent the experience of social outsiders finding acceptance. This aligns with the vampire's traditional role as an immortal being isolated from normal society. Friendships that embrace difference, including unconventional identities or lifestyles, reflect broader social themes of inclusion and diversity.

Practical Considerations and Real-World Analogies

While the literal existence of vampires remains within the realm of fiction, the metaphorical idea of "my best friend is a vampire" offers practical insights into relationships marked by uniqueness or challenges.

Pros and Cons of Having a "Vampire" Friend

- **Pros:**

- Enduring loyalty and support, symbolizing timeless friendship.
- Exposure to different perspectives and experiences.
- A sense of mystery and excitement that enriches social interactions.

- **Cons:**

- Potential emotional draining or imbalance in the relationship.
- Challenges in communication due to differences or secrecy.
- Risk of social isolation if the friendship diverges greatly from norms.

These considerations mirror those found in any close friendship where partners must navigate differences and maintain mutual respect.

Comparisons with Other Supernatural Friendships

Similar dynamics appear in friendships involving other supernatural archetypes, such as werewolves, witches, or ghosts. Each carries its own symbolism and challenges but shares the common theme of negotiating difference and loyalty. The vampire friend, however, often stands out for the intensity of its mythos around immortality and the night, which can deepen the metaphorical

resonance.

In this context, “my best friend is a vampire” becomes not only a statement about a unique companionship but also a lens through which to examine how people relate to the unfamiliar or the extraordinary in their social circles.

The Enduring Appeal of Vampire Friendships

The continuing fascination with vampire friendships highlights a broader human interest in connections that defy ordinary boundaries. Whether through the lens of fiction, psychology, or social interaction, the idea that “my best friend is a vampire” challenges us to rethink friendship’s possibilities.

It invites a deeper appreciation for relationships that endure across time, adapt to change, and embrace difference. This phrase, rich with symbolic meaning and cultural significance, remains a compelling motif in storytelling and real-life reflections on companionship.

my best friend is a vampire: New York Magazine , 1988-06-06 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

my best friend is a vampire: Spoofing the Vampire Simon Bacon, 2022-10-24 Famous for being deathly serious, the vampire genre has a consistent yet often critically overlooked subgenre--the comedic spoof and satire. This is the first book dedicated entirely to documenting and analyzing the vampire comedy on film and television. Various types of comedy are discussed, outlining the important differences between spoofing, serious-spoofing, parody and satire. Seminal films such as Abbott and Costello Meet Frankenstein, Love at First Bite, Vampire in Brooklyn, Dracula: Dead and Loving It and What We Do In the Shadows are featured. More importantly, this book demonstrates how comedy is central to both the common perception of the vampire and the

genre's ever-evolving character, making it an essential read for those interested in the laughing undead and creatures that guffaw in the night.

my best friend is a vampire: Bitten: A Vampire Romance Collection (Paranormal Romance Bundle) Tasha Sorensen, *Bitten: A Vampire Romance Collection* is a paranormal romance bundle of three steamy vampire romances from Tasha Sorensen. Follow three sexy couples and experience them find passion in the night, and love in the bite, as they defy all odds, and find their happily ever after. These three full-length vampire romance novels contain plenty of sexy steam, and all end with happy endings and no cliffhangers. * *Bad Boy Vampire Tattoos*. Rude. Cocky. Arrogant. Drop-dead gorgeous. Oh... and fangs...? Kathleen didn't know what to expect when she met famous nightclub owner Piotr. She of him only by reputation... He was a bad boy. A player. A womanizer. A man unusually assertive... with a dominating personality. She suspected there was something more to him... something darker. But nothing could have prepared her for the truth... For when he claimed her... Made her his... Made her sweat... Made her scream... Sunk his fangs deep into her neck... * *Vampire's Baby* Shantal King was no stranger to bad luck... and bad men. She'd seen more than her fair share's worth, and it was an effort not to feel jaded day in and day out. Cue Vincenzo Titus, a man promising to shatter every of her preconceptions. He was gorgeous in a dark way, and she knew beneath that tight body and endless eyes there was a danger to him, something she couldn't put her finger on. Of course, promises almost never deliver. After a night of blood-hot bliss, she found herself alone. They were all the same! Little did Shantal know that she was carrying Vincenzo's baby. Little did Shantal know that Vincenzo was no ordinary man... no, he was a creature not of this mortal world... And this sexy man would re-enter her life demanding to know just one thing... ...Where was his blood-heir? * *Bite of a Vampire* When Colleen Bistly got the job working for mysterious CEO Mikael Andreas, she knew she had to be ready for anything. These corporate types, powerful men in charge of powerful companies, were very demanding, and Mikael Andeas in particular had a reputation for accepting only excellence. But Colleen was up to the task. She was eager, enthusiastic, and best of all, she knew she was capable. She would do any job asked for her, and she would do it well. The enigmatic Mikael is every bit the personality she expected. Alpha, dominating, demanding. But what she didn't expect was to find that he was a gorgeous man with a body that made her draw breath. If it weren't for the shroud of secrecy that obscured him from the public eye, he'd be the country's most eligible bachelor. But there's something else to Mikael that attracts Colleen, something more. Something dangerous. He's not just an Alpha billionaire who needs a good employee. No, she's more to him than that. The last thing she ever expected was to learn that Mikael was a vampire, and that she'd be serving his every whim both inside and outside the workplace... * Authors note: This bundle also contains an additional bonus extra vampire novel, "The Hunt".

my best friend is a vampire: Postmodern Vampires Sorcha Ní Fhlainn, 2019-04-25 *Postmodern Vampires: Film, Fiction, and Popular Culture* is the first major study to focus on American cultural history from the vampire's point of view. Beginning in 1968, Ní Fhlainn argues that vampires move from the margins to the centre of popular culture as representatives of the anxieties and aspirations

of their age. Mapping their literary and screen evolution on to the American Presidency, from Richard Nixon to Donald Trump, this essential critical study chronicles the vampire's blood-ties to distinct socio-political movements and cultural decades in the late twentieth and early twenty-first centuries. Through case studies of key texts, including *Interview with the Vampire*, *The Lost Boys*, *Blade*, *Twilight*, *Let Me In*, *True Blood* and numerous adaptations of *Dracula*, this book reveals how vampires continue to be exemplary barometers of political and historical change in the American imagination. It is essential reading for scholars and students in Gothic and Horror Studies, Film Studies, and American Studies, and for anyone interested in the articulate undead.

my best friend is a vampire: *New York Magazine*, 1988-05-30 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

my best friend is a vampire: *Queer Horror* Sean Abley, Tyler Doupé, 2024-08-20 From the beginning, horror has been part of the cinema landscape. Despite some of the earliest genre films with gay directors such as F.W. Murnau (*Nosferatu*) and James Whale (*Frankenstein*, *The Invisible Man*, *Bride of Frankenstein*), LGBTQIA characters have rarely been portrayed in full view. For decades, filmmakers have included coded content in their films with the homosexual experience translated into censor-friendly subtext for consumption by general audiences. Gradually, LGBTQIA characters and themes have moved from the background to the foreground as the horror genre has grown along with its audience's tastes and attitudes. Likewise, more and more LGBTQIA writers and directors have begun to offer their queer-centric takes on scary movies and today, queer horror is a thriving film genre. With more than 900 entries, this critical filmography is a comprehensive, critical, yet playful examination of the history of LGBTQIA content in horror films. Eight journalistic contributors dig into every era of scary movies, including the early silents, pre- and post-Hays Code content, grindhouse sleaze, LGBTQIA indies, and megaplex studio releases. From Whale's *The Old Dark House* (1932) to Don Mancini's *Chucky* films and everything in between, this collection explores what can be found at the intersection of LGBTQIA and horror in the film industry.

my best friend is a vampire: *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

my best friend is a vampire: *Horror* Georg Seeßlen, Fernand Jung, 2010-02-17 In diesem umfangreichen Werk gibt Georg Seeßlen einen umfassenden Überblick über das Genre des Horrorfilms. Dabei beschränkt sich seine Untersuchung keineswegs nur auf den klassischen Horrorfilm, sondern schließt auch dessen Vorläufer, den phantastischen Film als ihm verwandtes Genre mit ein. Gewalt und Angst kommen seit jeher gesellschaftliche und psychologische Funktionen zu, die sich auch die unterhaltenden Medien wie Literatur und Film zu Nutze machen. Woher aber kommt die Lust an dieser Angst? Seeßlen beschäftigt sich eingehend mit dem Phänomen Horror als Unterhaltungssujet und tut dies unter Einbeziehung unterschiedlicher Gesichtspunkte.

Ausgehend von den literarischen Wurzeln der Gothic Novels im 19. Jahrhundert erläutert Seeßlen einige Angstmuster und deren mediale Umsetzung in Muster der Angsterzeugung. Desweiteren ergeben sich in diesem Licht wiederkehrende Figuren, Gegenstände und Handlungsorte, die genretypisch sind und fast schon ikonenhafte Züge tragen: Vampire und Wiedergänger, die Burg des Schreckens oder Blut sind nur einige davon. Das Werk bietet zudem einen umfangreichen chronologischen Abriss der Geschichte des Horrorfilms, beginnend beim frühen deutschen phantastischen Stummfilm der 10er und 20er Jahre und dem klassischen Horrorfilm Hollywoods, über die ab Mitte des Jahrhunderts immer drastischer werdenden Monster-, Zombie- und Teenage-Horrorfilmen hin zu den Trash-, Gore- und Splatterfilmen, die sich ab den 70-er Jahren im Wesentlichen nur noch auf das genaue Zeigen blutiger Gewalt und wahrer Schlachtszenen spezialisieren. Darüber hinaus gibt Der Horrorfilm einen motivischen Querschnitt durch das Horror-Genre, der unter anderem wiederkehrende Themen wie Teufel und Dämonen, Tiere als Akteure des Terrors oder die Familie als Ort des Schreckens untersucht. Anhand vieler Filmbeispiele verfolgt Seeßlen die Zyklen und Wellen des Horror-Genres bis zur Jahrtausendwende.

my best friend is a vampire: The Vampire Book J Gordon Melton, 2010-09-01 The Ultimate Collection of Vampire Facts and Fiction From Vlad the Impaler to Barnabas Collins to Edward Cullen to Dracula and Bill Compton, renowned religion expert and fearless vampire authority J. Gordon Melton, PhD takes the reader on a vast, alphabetic tour of the psychosexual, macabre world of the blood-sucking undead. my best friend is a vampire: Real Vampires Don't Diet Gerry Bartlett, 2009-01-06 Real readers love this series and its vampire to die for (Kimberly Raye, USA Today bestselling author of Dead End Dating)—from the author of Real Vampires Get Lucky. Gloriana St. Claire—curvy, stylish, and undead—is spending New Year's Eve alone. And it's all because her boyfriend, Jeremy Blade, is traipsing off to parts unknown to rescue his supposed daughter from the clutches of dangerous radicals. But just as Glory settles in for the evening, a phone call from the bodyguard of a drunk, newly-undead rock star could end her year on a crazy note.

my best friend is a vampire: Vampires and the Making of the United States in the Twenty-First Century Simon Bacon, 2025-05-30 Vampires and the Making of the United States in the Twenty-First Century offers a unique and multifaceted study of how vampires on screen have shaped America and how specific environments here have shaped their vampires. Examining the figure of the vampire within the framework of uniquely American environments — both physical and immaterial — the book delves into the questions relating to American geography, identity, racial and ethnic tensions, American colonial past and its urban and environmental history. With contributions from a diverse and international team of authors, the collection follows the vampire across the geographical and ideological landscape of the US to consider what cultural and historical environments have gone towards creating the contemporary undead and why the post-Trump America of the twenty-first century is a truly vampiric one. This timely and truly innovative volume will resonate firmly with scholars and students of popular culture, film and media studies, horror, American studies and urban and environmental studies.

my best friend is a vampire: Leonard Maltin's 2014 Movie Guide Leonard Maltin, 2013-09-03 Summer blockbusters and independent sleepers; masterworks of Alfred Hitchcock, Billy Wilder, and Martin Scorsese; the timeless comedy of the Marx Brothers and Buster Keaton; animated classics from Walt Disney and Pixar; the finest foreign films ever made.
