The Western Movie Trivia Quiz and Fact Book is an affectionate tribute to a much loved and enduring cinematic art form. With questions ranging from the very easy to 'expert' covering subjects, the book is a comprehensive history of the Western. All the classic Westerns from over a century of movie making, as well as more obscure 'oaters' are covered, and the icons of the genre - the great directors, stars and locations are an integral part of the book. The recent critical and box office success of True Grit and Cowboys and Aliens has demonstrated that there is still an audience for the Western, and with Quentin Tarantino's entry into the Western canon Django Unchained, making the genre fashionable again, the timing of The Western Movie Trivia Quiz and Fact is perfect.
