Freaks Alive on the Inside: Embracing Your True Self in a Conformist World

freaks alive on the inside is a phrase that resonates deeply with anyone who has ever felt different, misunderstood, or out of place in a world that often rewards conformity. It speaks to the vibrant, unique spirit that refuses to be dimmed, even when society pressures us to fit into neat little boxes. Whether you're an artist, a thinker, a dreamer, or someone who simply marches to the beat of their own drum, acknowledging that you have freaks alive on the inside can be both liberating and empowering. This article explores what it means to live authentically, the challenges that come with it, and how to celebrate your inner freak without fear.

Understanding the Concept of "Freaks Alive on the Inside"

The phrase "freaks alive on the inside" captures the essence of individuality that exists beneath the surface. Everyone has quirks, passions, and aspects of their personality that might not align with societal norms, but these are what make us truly human. This inner freak is often the source of creativity, innovation, and emotional depth.

Why Embracing Your Inner Freak Matters

Many people suppress their true selves to fit in, leading to feelings of isolation and dissatisfaction. Embracing your inner freak is about accepting and celebrating those unique traits that set you apart. It encourages self-expression and resilience in the face of judgment.

Living with freaks alive on the inside can enhance your mental well-being by reducing the internal conflict that arises from trying to be someone you're not. It fosters authenticity, which is linked to higher self-esteem and more meaningful relationships.

The Role of Society and Cultural Norms

Society often promotes a narrow definition of "normal," which can make those with unconventional interests or lifestyles feel alienated. Cultural norms influence what is considered acceptable, shaping behaviors and self-perceptions. However, history shows that many individuals labeled as "freaks" or outsiders later became pioneers and visionaries.

Understanding this context helps in seeing why it's natural to feel like a freak sometimes—and why holding onto that inner uniqueness is crucial for progress and personal fulfillment.

How to Keep Your Freaks Alive on the Inside Thriving

Living authentically requires courage, self-awareness, and sometimes a bit of rebellion. Here are some ways to nurture your inner freak and let it shine.

1. Cultivate Self-Awareness

The first step to embracing your freaks alive on the inside is understanding who you really are. Reflect on what excites you, what makes you feel alive, and what you're naturally drawn to—even if it's not mainstream.

Journaling, meditation, or talking with trusted friends can help you uncover these aspects of yourself. The more aware you are of your unique traits, the easier it becomes to nurture them.

2. Find Your Tribe

Surrounding yourself with people who appreciate your quirks and passions is vital. Whether it's through niche communities, creative groups, or online forums, finding like-minded individuals can provide support and encouragement.

Being part of a community where freaks alive on the inside are celebrated helps reduce feelings of isolation and boosts confidence.

3. Express Yourself Creatively

Creative expression is one of the most effective ways to keep your inner freak alive. Whether through art, writing, music, fashion, or any other outlet, expressing your individuality not only nourishes your soul but also inspires others.

Don't be afraid to experiment and push boundaries—your creative freak is a powerful force that thrives on originality.

4. Challenge Social Norms

Questioning and sometimes defying societal expectations can be daunting, but it's essential for living authentically. This might mean pursuing an unconventional career, adopting a unique style, or simply refusing to conform to stereotypes.

Remember, many cultural icons were once considered freaks because they dared to be different.

Common Misconceptions About Being a Freak

The word "freak" has often been used negatively, but reclaiming it can shift its meaning to something empowering.

Freaks Are Not Broken or Abnormal

One of the biggest myths is that freaks are somehow flawed or less than others. In reality, freaks alive on the inside often possess heightened creativity, empathy, or insight. Their differences are strengths that contribute to diversity and innovation.

Being a Freak Doesn't Mean You're Alone

Feeling like a freak can sometimes lead to loneliness, but many others share similar feelings. Recognizing that you are part of a broader spectrum of unique individuals can be comforting and motivating.

Real-Life Examples of Freaks Alive on the Inside

History and contemporary culture are full of people who had freaks alive on the inside and who changed the world because of it.

- **Frida Kahlo:** Known for her bold self-expression through art and fashion, Frida embraced her unique identity despite personal challenges.
- **David Bowie:** His ever-changing persona and fearless creativity made him a symbol of embracing one's freakishness.
- **Lady Gaga:** An advocate for individuality and self-love, she encourages fans to celebrate their inner freaks without shame.

These figures remind us that the freaks alive on the inside have the power to inspire and lead cultural shifts.

Tips for Parents and Educators to Nurture Freaks Alive on the Inside in Children

Encouraging children to embrace their uniqueness from a young age can set them up for a fulfilling life.

Create a Safe Environment

Allow kids to explore different interests and express themselves without fear of judgment. Celebrate their creativity and curiosity.

Model Authenticity

Adults who live authentically inspire children to do the same. Share your own experiences and encourage honesty about feelings and interests.

Encourage Critical Thinking

Help children question societal norms and think independently. This fosters resilience and confidence in their unique identities.

The Psychological Benefits of Keeping Your Freaks Alive on the Inside

Embracing your inner freak has several mental health advantages:

- **Reduced Stress:** When you stop hiding parts of yourself, the mental strain decreases.
- **Improved Self-Esteem:** Accepting your uniqueness builds confidence.
- **Greater Life Satisfaction:** Living authentically leads to a more meaningful and joyful life.

These benefits highlight why nurturing freaks alive on the inside is not just a personal choice but a crucial aspect of well-being.

Living with freaks alive on the inside is about honoring the complex, colorful nature of our identities. It means daring to be different, seeking connection with those who see you, and expressing your truth in a world that too often values sameness. Whether you're quietly nurturing your uniqueness or boldly sharing it with the world, remember that your inner freak is a vital part of what makes you, you—and that is something to be celebrated every day.

Frequently Asked Questions

What is the meaning behind the phrase 'freaks alive on the inside'?

The phrase 'freaks alive on the inside' refers to individuals who feel

different or unconventional internally, embracing their unique traits despite outward appearances.

Is 'freaks alive on the inside' related to a song or a book?

Yes, 'Freaks Alive on the Inside' is a song by a band called The Underachievers, which explores themes of individuality and hidden emotions.

How can embracing being a 'freak alive on the inside' benefit mental health?

Embracing one's inner uniqueness or 'freak' can promote self-acceptance, reduce feelings of isolation, and encourage authentic self-expression, which benefits mental health.

Are there communities or groups that celebrate being 'freaks alive on the inside'?

Yes, many online and offline communities celebrate individuality and uniqueness, encouraging people to embrace their inner 'freak' and connect with like-minded individuals.

Can 'freaks alive on the inside' be interpreted as a form of self-empowerment?

Absolutely. Recognizing and accepting one's inner 'freak' can be a powerful form of self-empowerment, fostering confidence and resilience against societal norms.

How is the concept of 'freaks alive on the inside' portrayed in popular culture?

Popular culture often portrays 'freaks alive on the inside' as misunderstood but creative and authentic individuals, highlighting themes of acceptance and diversity.

What psychological theories support the idea of embracing one's 'freaks alive on the inside'?

Psychological theories like Carl Jung's individuation and humanistic psychology emphasize embracing the true self, which aligns with the idea of accepting one's inner 'freak.'

How can someone start embracing their 'freaks alive on the inside'?

Starting with self-reflection, surrounding oneself with supportive people, and engaging in creative or expressive activities can help individuals embrace their inner uniqueness or 'freak.'

Freaks Alive on the Inside: An Exploration of Identity, Subculture, and Expression

freaks alive on the inside is a phrase that resonates deeply within various subcultures and artistic communities, encapsulating the idea of embracing one's inner uniqueness despite external conformity. This concept, while seemingly abstract, reflects a powerful narrative of self-acceptance and rebellion against societal norms. As cultural landscapes evolve, understanding what it means to be a "freak" internally—alive with individuality and unconventional spirit—offers valuable insight into contemporary identity politics and creative expression.

The phrase "freaks alive on the inside" is often invoked in music, literature, and social discourse, highlighting a paradox between outward appearances and inner realities. It challenges the conventional definitions of normalcy, urging a reevaluation of what is considered acceptable or mainstream. This article delves into the multifaceted implications of this phrase, examining its cultural significance, psychological underpinnings, and representation in media and art.

The Cultural Significance of "Freaks Alive on the Inside"

Historically, the term "freak" has carried negative connotations, often used to marginalize or stigmatize individuals who deviate from societal norms in appearance, behavior, or beliefs. However, in recent decades, there has been a reclamation and redefinition of the term within various communities. Today, being a "freak" is frequently associated with authenticity, creativity, and resistance to homogenization.

This shift aligns with contemporary movements that celebrate diversity and challenge traditional hierarchies. Subcultures such as punk, goth, and alternative art scenes prominently feature the idea of "freaks alive on the inside" as a badge of honor rather than an insult. These groups emphasize the importance of inner vitality and self-expression, suggesting that true identity is found beneath surface-level conformity.

Moreover, this concept speaks to a universal human experience: the tension between societal expectations and personal authenticity. Many individuals feel compelled to mask their true selves to fit in, yet internally nurture a vibrant, often misunderstood identity. Recognizing and validating this internal "freakishness" is crucial in fostering inclusive environments where diversity is not only accepted but celebrated.

Psychological Dimensions: Identity and Inner Authenticity

From a psychological perspective, "freaks alive on the inside" can be interpreted as an expression of the authentic self that persists despite external pressures to conform. Theories of self-concept and identity formation highlight the struggle individuals face when their internal experiences clash with external demands.

Carl Jung's concept of the shadow self is particularly relevant here. The shadow comprises aspects of personality that are hidden or rejected by the conscious mind, often due to societal disapproval. Embracing the "freaks alive on the inside" is akin to acknowledging and integrating these shadow elements, leading to greater psychological wholeness and self-acceptance.

Additionally, research on authenticity suggests that individuals who live in alignment with their inner selves tend to experience higher well-being and resilience. This reinforces the empowering nature of the phrase, which encourages people to honor their internal uniqueness rather than suppress it.

Representation in Media and Art

The theme of "freaks alive on the inside" has been explored extensively in various artistic mediums. Music artists, filmmakers, and writers often use this motif to challenge societal norms and celebrate individuality.

For instance, the alternative rock and indie music scenes frequently embrace this idea, producing lyrics and visuals that highlight the inner vitality of those who feel marginalized. Bands such as My Chemical Romance and The Cure have cultivated fan bases that identify strongly with the notion of being "freaks" in a society that prizes conformity.

In literature, characters who embody the "freaks alive on the inside" ethos often serve as protagonists who navigate alienation and ultimately find empowerment through self-acceptance. This narrative arc resonates with readers who grapple with similar feelings of otherness.

Visual arts and fashion also play significant roles in expressing this concept. Avant-garde designers and artists create bold, unconventional works that challenge aesthetic standards and invite viewers to reconsider their definitions of beauty and normality. The use of striking imagery—tattoos, piercings, eccentric clothing—serves as a physical manifestation of the internal "freak" spirit.

Impact on Contemporary Subcultures

Modern subcultures have embraced the mantra of being "freaks alive on the inside" as a form of identity and community building. Online platforms and social networks have amplified these voices, creating spaces where individuals can share their experiences and celebrate their differences.

Some notable aspects include:

- **Inclusivity and Diversity:** Many subcultures prioritize acceptance of diverse identities, fostering environments where members feel safe to express their true selves.
- **Creative Expression:** Art, music, and fashion are essential outlets for embodying the "freak" ethos, encouraging experimentation and innovation.
- **Resistance to Norms:** These groups often challenge mainstream cultural expectations, advocating for alternative lifestyles and values.

However, the embrace of “freaks alive on the inside” is not without challenges. Some subcultures risk becoming insular or commodified, where the original message of authentic self-expression is diluted by commercialization or social gatekeeping.

Why “Freaks Alive on the Inside” Matters Today

In an era marked by increasing digital connectivity yet pervasive social pressure, the concept of “freaks alive on the inside” holds particular relevance. It invites a critical examination of how individuals navigate identity in complex social landscapes and highlights the importance of nurturing internal authenticity.

This phrase also intersects with broader discussions about mental health, as embracing one’s inner self can be a crucial step toward healing and empowerment for those who feel alienated or misunderstood. Educational and social initiatives that promote self-acceptance and diversity often echo this sentiment, underscoring its societal value.

Furthermore, as cultural norms continue to evolve, the idea of being “freaks alive on the inside” challenges institutions—whether in media, education, or workplace environments—to reconsider rigid definitions of normalcy and competence. Encouraging this internal vitality can foster innovation, empathy, and richer social interactions.

The exploration of “freaks alive on the inside” ultimately reveals a dynamic interplay between individual identity and collective culture. It underscores that beneath the surface of everyday appearances lies a vibrant spectrum of human experience worthy of recognition and respect.

freaks alive on the inside: Media, Performative Identity, and the New American Freak Show Jessica L. Williams, 2017-10-04 This book traces how the American freak show has re-emerged in new visual forms in the 21st century. It explores the ways in which moving image media transmits and contextualizes, reinterprets and appropriates, the freak show model into a “new American freak show.” It investigates how new freak representations introduce narratives about sex, gender, and cultural perceptions of people with disabilities. The chapters examine such

representations found in horror films, including a prolonged look at Freaks (1932) and The Texas Chainsaw Massacre (1974), documentaries such as Murderball (2005) and TLC's Push Girls (2012-2013), disability pornography including the pornographic documentary Sick: The Life and Death of Bob Flanagan Supermasochist (1997), and the music icons Marilyn Manson and Lady Gaga in their portrayals of disability and freakishness. Through this book we learn that the visual culture that has emerged takes the place of the traditional freak show but opens new channels of interpretation and identification through its use of mediated images as well as the altered freak-norm relationship that it has fostered. In its illumination of the relationship between normal and freakish bodies through different media, this book will appeal to students and academics interested in disability studies, gender studies, film theory, critical race theory, and cultural studies.

freaks alive on the inside: Book Crush Nancy Pearl, 2009-09-29 Do you remember your first book crush? You know, the first time a book completely captured your imagination, transported you to a magical place, or introduced you to a lifelong friend you will never forget? In Book Crush, popular librarian and reading enthusiast Nancy Pearl reminds us why we fell for reading in the first place—how completely consuming and life-changing a good book can be. Pearl offers more than 1,000 crush-worthy books organized into over 100 recommended reading lists aimed at youngest, middle-grade, and teen readers. From picture books to chapter books, YA fiction and nonfiction, Pearl has developed more smart and interesting thematic lists of books to enjoy. Parents, teachers, and librarians are often puzzled by the unending choices for reading material for young people. It starts when the kids are toddler and doesn't end until high-school graduation. What's good, what's not, and what's going to hold their interest? Popular librarian Nancy Pearl points the way in Book Crush.

freaks alive on the inside: Carny Sideshows Tony Gangi, 2012-03-01 Step right up, Ladies and Germs, and feast your eyes on the incomparable wonders of a hidden world! Be astonished! amazed! disgusted! by brazen acts of self-destruction that no natural human body should be able to withstand! Tony Gangi, professional magician, lifelong sideshow devotee, and card-carrying graduate of Coney Island's famed Sideshow School, guides you through the stupendous techniques and proud traditions of this shocking and fascinating realm of entertainment. • Learn the secrets behind Breathing Fire! Sword Swallowing! The Bed of Nails! Pounding Spikes into the Head! • Enter the mysterious worlds of the Snake Lady, the Human Blockhead, and more! • Meet sideshow greats like Melvin Burkhardt and Ward Hall. • Discover today's dedicated entertainers, like Todd Robbins, Harley Newman, Tyler Fyre, Thrill Kill Jill, Donny Vomit, The Black Scorpion, and more! • See what it takes to enter this underground yet welcoming world as a performer. Features interviews with Penn Jillette and Todd Robbins and Penn Jillette's ode to the sideshow, the 10 in 1 monologue as performed by Penn & Teller Editors's Note: Not for the faint of heart, weak of stomach or easily grossed out. So go ahead, how can you resist?! Tony Gangi, a Philadelphia native, never actually intended to make his living by shoving nails up his nose. He left the corporate world to become a professional magician and proprietor of one of the few flea circuses remaining in the world (Live fleas do, in fact, perform circus tricks, he says. They just need to be trained the right way and treated with kindness.) He's now mastered straightjacket escapes, fire-eating, and napping on a bed of nails. He is currently working on his presentation for walking barefoot on broken glass. This is his first book. He hopes it is not his last.

freaks alive on the inside: Silenced in the Library Zeke Jarvis, 2017-08-18 Censorship has been an ongoing phenomenon even in the land of the free. This examination of banned books across U.S. history examines the motivations and effects of censorship, shows us how our view of right and wrong has evolved over the years, and helps readers to understand the tremendous importance of books and films in our society. Books ranging from classics such as A Farewell to Arms, Lord of the Rings, The Catcher in the Rye, and The Color Purple as well as best-selling books such as Are You There, God? It's Me Margaret, titles in the Harry Potter series, and various books by bestselling novelist Stephen King have all been on the banned books list. What was the content that got them banned, who wanted them banned, and did the ban have the desired effect of minimizing the number

of people who read the title-or did it have the opposite effect, inadvertently creating an even larger readership for the book? *Silenced in the Library: Banned Books in America* provides a comprehensive examination of the challenges to major books as well as the final results of these selections being deemed unfit for public consumption. Included in its discussion are explanations of the true nature of the objections along with the motives of the authors, publishers, and major proponents of the books. Content is organized based on why the books were banned, such as sexual content, drug use, or religious objections. This approach helps readers to see trends in how people have approached the challenge of evaluating what is proper and shows how our societal consensus of what is acceptable has evolved over the years. Readers will come away with a fuller appreciation of the immense power of words on a page-or an eReader device-to inflame and outrage, influence opinion, incite thought, and even change the course of history.

freaks alive on the inside: Tantalizing Tidbits for Teens 2 Ruth Cox E. Clark, 2007-08-15 Volume II has more engaging, motivating, and meaningful titles and activities to share with your students. Impact literacy in your school by inspiring even the most reluctant students to pick up books and read. This popular book includes curriculum-related activities for educators to pick up and use right away to meet national standards and raise students' test scores. Find age-appropriate titles on the American Library Association (ALA) and International Reading Association (IRA) recommended reading lists for your students.

freaks alive on the inside: Freaks, Geeks, and Strange Girls Randy Johnson, 2004 This is a colourful history of the carnival sideshow and its distinctive banner art. With one hundred colour photographs, the book lovingly surveys this now vanished icon of early rural America, counterpointing classic freak show art with contemporary interpretations. Fifty archival black-and-white photos of sideshows provide a historical context for the banner illustrations.

freaks alive on the inside: Booklist's 1000 Best Young Adult Books since 2000 Gillian Engberg, Ian Chipman, 2014-05-15 With the explosion in YA publishing, it's harder than ever to separate good books from the rest. Drawing on the careful judgment of expert YA librarians, this book Includes a foreword by best-selling YA lit authority Michael Cart, who demonstrates how we have entered a new golden age of books for young adults Collects reviews which showcase the most stimulating contemporary YA titles Features an essay in each section, grouped by genre, presenting an overview and examining relevant trends Indexes selections by author, title, and genre for handy reference The thoughtful professional review coverage for which ALA's Booklist is known makes this volume an ideal tool for YA readers' advisory and collection development.

freaks alive on the inside: Freak Allison Kenney, 2013-03-05 Based in 2004 in New York City, Manhattan, eighteen-year-old Aaron Felix begins his first day at Martin High, his ninth high school in seven years. His family is crumbling apart, and he is bullied at every school that he attends because of his brains and his new student status. He becomes friends with a girl with Aperts syndrome, Freak, and a closeted gay, Adam. They change his life, and together they go through changes and drama, testing Aaron's instincts and emotions and clashing with the cruel head cheerleader, Justine, her boyfriend, Nick, and Aaron's workaholic and controlling father

freaks alive on the inside: American Sideshow Marc Hartzman, 2006-09-21 A fascinating look into the history of the American sideshow and its performers. Learn what's real, what's fake, and what's just downright bizarre. You've probably heard of Tom Thumb. The Elephant Man. Perhaps even Chang and Eng, the original Siamese twins. But what about Eli Bowen, the legless acrobat? Or Prince Randian, the human torso? These were just a few of the many stars that shone during the heyday of the American sideshow, from 1840 to 1950. *American Sideshow* chronicles the lives of truly amazing performers, examining these brave and extraordinary curiosities not just as sideshow performers but as people, delving into the lives they led and the ways they were able to triumph over and even benefit from their abnormalities. *American Sideshow* discusses the rise and

fall of the original sideshows and their subsequent replacement by today's self-made freaks. With the progress of modern medicine, technological advancements, and the wonderful world of body modification, abnormalities are being overcome, treated and even prevented: Siamese twins can now be separated, and in addition to this, tongues can be forked, horns surgically implanted, and earlobes removed. There are also, of course, modern-day giants, fire eaters, sword swallowers, glass eaters, human blockheads, and oh, so much more. These fascinating personalities are celebrated through intimate biographies paired with stunning photographs. Approximately two hundred performers from the past one hundred and sixty years are featured, giving readers a comprehensive and sometimes astonishing look into the history of the American sideshow

freaks alive on the inside: Teaching Young Adult Literature Today Judith A. Hayn, Jeffrey S. Kaplan, Karina R. Clemmons, 2016-11-02 *Teaching Young Adult Literature Today* introduces the reader to what is current and relevant in the plethora of good books available for adolescents. More importantly, literary experts illustrate how teachers everywhere can help their students become lifelong readers by simply introducing them to great reads—smart, insightful, and engaging books that are specifically written for adolescents. Hayn, Kaplan, and their contributors address a wide range of topics: how to avoid common obstacles to using YAL; selecting quality YAL for classrooms while balancing these with curriculum requirements; engaging disenfranchised readers; pairing YAL with technology as an innovative way to teach curriculum standards across all content areas. Contributors also discuss more theoretical subjects, such as the absence of lesbian, gay, bisexual, transgender and questioning (LGBTQ) young adult literature in secondary classrooms; and contemporary YAL that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen. This book has been updated to reflect the wealth of new YA literature that has been published since the first edition appeared in March 2012, and to reflect new trends in technology that influences how adolescents are reading and responding to literature.

freaks alive on the inside: Conjoined Twins Christine Quigley, 2015-09-17 When two human ova fail to fully separate during pregnancy, the result is conjoined twins. The twins may be connected by ligament, bone, or just flesh, and they often share organs, but what captures most people's interest is whether the twins share sensations, thoughts and even souls. This encyclopedia presents entries on conjoined twins throughout history, the biological causes and effects of twins being born conjoined, and ethical issues such as self-support and separation surgery. It also includes entries on the modern standardized terminology used when discussing conjoined twins, the categories into which conjoined twins have been sorted, doctors past and present who have performed separation surgeries, and hospitals, such as Children's Hospital of Philadelphia, that are known for the separation of conjoined twins. This book even covers fraudulent conjoined twins and fictional ones in books written by such authors as Mark Twain, Vladimir Nabakov, and Katherine Dunn. Other entries cover relevant films, websites, and institutions.

freaks alive on the inside: Freakery Rosemarie Garland-Thomson, 1996-10 A groundbreaking anthology that probes the disposition towards the visually different Giants. Midgets. Tribal non-Westerners. The very fat. The very thin. Hermaphrodites. Conjoined twins. The disabled. The very hirsute. In American history, all have shared the platform equally, as freaks, human oddities, their only commonality their assigned role of anomalous other to the gathered throngs. For the price of a ticket, freak shows offered spectators an icon of bodily otherness whose difference from them secured their own membership in a common American identity--by comparison ordinary, tractable, normal. Rosemarie Thomson's groundbreaking anthology probes America's disposition toward the visually different. The book's essays fall into four main categories: historical explorations of American freak shows in the era of P.T. Barnum; the articulation of the freak in literary and textual discourses; contemporary relocations of freak shows; and theoretical analyses of freak culture. Essays address such diverse topics as American colonialism and public presentations of natives; laughing gas demonstrations in the 1840's; Shirley Temple and Tom Thumb; Todd Browning's landmark movie *Freaks*; bodybuilders as postmodern freaks; freaks in *Star Trek*; Michael Jackson's

identification with the Elephant Man; and the modern talk show as a reconfiguration of the freak show. In her introduction, Thomson traces the freak show from antiquity to the modern period and explores the constitutive, political, and textual properties of such exhibits. Freakery is a fresh, insightful exploration of a heretofore neglected aspect of American mass culture.

freaks alive on the inside: Theme Park Landscapes Terence G. Young, Robert B. Riley, 2002 The prevalence and influence of theming increased so dramatically during the 1990s that theme parks have become a metaphor for postmodern urban life. But few scholarly studies focus on the landscapes in theme parks. This volume's authors examine themed landscapes in Asia, Europe, and North America in response to this worldwide development.

freaks alive on the inside: Books for the Teen Age, 2007 New York Public Library. Office of Young Adult Services, 2007

freaks alive on the inside: Freak Francine Pascal, 2013-03-12 Once upon a time, Uncle Oliver was Loki, Jake was just a friend, and Sam was dead. That was before things got complicated.

freaks alive on the inside: Fort Freak Wild Cards Trust, 2011-06-21 Soon to be a show on Hulu! Rights to develop Wild Cards for TV have been acquired by Universal Cable Productions, the team that brought you The Magicians and Mr. Robot, with the co-editor of Wild Cards, Melinda Snodgrass as executive producer. In 1946, an alien virus that rewrites human DNA was accidentally unleashed in the skies over New York City. It killed ninety percent of those it infected. Nine percent survived, mutated into tragically deformed creatures. And one percent gained superpowers. The Wild Cards shared-universe series, created and edited by New York Times #1 bestseller George R. R. Martin (called the American Tolkien by Time), is the tale of the history of the world since then—and of the heroes among the one percent. Now, in the latest Wild Cards mosaic novel, we get to know the hardbitten world of Manhattan's Fifth Precinct—or Fort Freak, as cops and malefactors alike call the cop-shop where every other desk sergeant, detective, and patrol officer is more than human. Featuring original work by writers such as Cherie Priest, author of the bestselling Boneshaker; Paul Cornell, Hugo-nominated comic book and Doctor Who writer; David Anthony Durham, winner of 2009's John W. Campbell Award for Best New Writer; and many others, Fort Freak is one of the strongest offerings yet in the ongoing Wild Cards project. The Wild Cards Universe The Original Triad #1 Wild Cards #2 Aces High #3 Jokers Wild The Puppetman Quartet #4: Aces Abroad #5: Down and Dirty #6: Ace in the Hole #7: Dead Man's Hand The Rox Triad #8: One-Eyed Jacks #9: Jokertown Shuffle #10: Dealer's Choice #11: Double Solitaire #12: Turn of the Cards The Card Sharks Triad #13: Card Sharks #14: Marked Cards #15: Black Trump #16: Deuces Down #17: Death Draws Five The Committee Triad #18: Inside Straight #19: Busted Flush #20: Suicide Kings The Fort Freak Triad #21: Fort Freak #22: Lowball #23: High Stakes The American Triad #24: Mississippi Roll #25: Low Chicago #26: Texas Hold 'Em At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

freaks alive on the inside: Mind*Riot Rule Jacobs, 2012-03-20 Rule Jacobs takes readers on a walk through his mind in his unique poetry collection, Mind*Riot. His strongly felt opinions, witty phrasing, and brutal honesty capture the essence of life today. While some of his poems conjure powerful images of the give and take that we face in our relationships, others are the lyrical musings of someone who knows and feels life intimately. His poetry is thought-provoking and at times inspirational, transporting anyone who reads it to a place of strong emotions. Jacobs gets to the heart of life and shakes it up with his genre of poetry called spitted word that is inspired by music. 7 Fathoms in Depth The art of painting ----- is the sketch of ones vision---- Thousands of lost soldiers Still trapped inside the cells of my brains prison No longer confined I miss you ... Every time I sneeze you bless me And in return I kiss you I have arrived colorless Yet I am all 16 shades of black 7 fathoms in depth with all I have left Carved in facts The fact that most are copycats Gives existence to the evidence of ignorance While creating your designs then sharing them Gives hope to a sign of intelligence
