

frank sinatra has a cold

Frank Sinatra Has a Cold: The Legendary Voice and the Battle with a Common Cold

frank sinatra has a cold—these simple words might seem trivial at first glance, but for fans and historians of music, they represent much more than a routine illness. This phrase famously titles a landmark 1966 Esquire magazine article by Gay Talese, which not only captured a unique moment in the life of the iconic singer but also provided an intimate portrait of Sinatra's complex personality and the pressures behind his public persona. Beyond the literal meaning, "Frank Sinatra has a cold" has become a cultural reference to the vulnerability of even the greatest performers.

In this article, we will explore the significance of this phrase, the context in which Sinatra faced this minor yet impactful setback, and the insights it offers about the nature of show business, celebrity, and human frailty. Whether you're a fan of classic American music, interested in cultural history, or curious about how a simple cold can affect even the most talented individuals, there's plenty to uncover.

The Story Behind "Frank Sinatra Has a Cold"

When Gay Talese set out to interview Frank Sinatra in 1966, he encountered a man who was famously difficult to pin down. Sinatra was known for his charm, but also for his mercurial mood and exacting standards. On the day Talese planned to meet him, Sinatra was suffering from a cold, which significantly altered the dynamic of the interview.

Rather than focusing on a traditional Q&A, Talese's article took a novel approach, painting a rich, detailed portrait of Sinatra's world through observations and anecdotes from those around him. The title, "Frank Sinatra Has a Cold," underscored how something as ordinary as a cold could impact a superstar's demeanor and professional life.

Why a Cold Mattered to Sinatra

For most people, catching a cold is a minor inconvenience. However, for Sinatra, whose career depended heavily on his impeccable vocal performance and charismatic presence, even a slight illness was a serious matter. His voice—often described as smooth, emotive, and powerful—was his greatest asset. A cold could threaten to weaken his singing ability, affect his tone, and diminish his confidence.

Moreover, Sinatra's reputation as a consummate professional meant that showing any sign of vulnerability was unusual. His fans expected perfection, and behind the scenes, he was known for his relentless pursuit of excellence and control over his image. This made "having a cold" not just a physical issue but a

psychological challenge.

How Illness Affects Vocal Performance

It's worth taking a moment to understand why even a common cold can be so detrimental to a singer's craft. The symptoms of a cold—nasal congestion, sore throat, coughing, and fatigue—directly interfere with vocal quality. Here's how:

- **Nasality and Congestion:** Blocked sinuses and nasal passages change the resonance of the voice, making it sound muffled or “stuffy.”
- **Vocal Cord Irritation:** Postnasal drip and throat inflammation can cause hoarseness or a scratchy voice.
- **Reduced Lung Capacity:** Fatigue and chest congestion limit breath control, essential for sustaining notes and dynamic singing.

For a performer like Sinatra, whose style relied on smooth phrasing and emotional nuance, these symptoms could seriously undermine a live performance or recording session.

Managing Voice Health: Lessons from Sinatra's Experience

Although Sinatra's era lacked some of the advanced vocal health knowledge available today, his experience highlights key strategies that singers and performers can use to protect their voices:

1. **Rest and Hydration:** Giving the vocal cords time to recover and keeping them moist is crucial.
2. **Avoiding Irritants:** Smoking, alcohol, and loud environments can worsen symptoms.
3. **Using Vocal Warm-ups:** Gentle exercises help maintain flexibility and reduce strain.
4. **Adjusting Performance Schedules:** When possible, rescheduling or modifying performances during illness can prevent long-term damage.

Sinatra's occasional struggles with his voice, especially when under the weather, remind us that even the greatest talents must respect the fragility of their instrument—the human voice.

The Cultural Impact of “Frank Sinatra Has a Cold”

Beyond the immediate circumstances of Sinatra’s illness, the Esquire article became a seminal piece of music journalism and a cultural artifact. It was one of the first times a writer captured a celebrity’s life not through direct quotations but through immersive storytelling and observation. This approach influenced generations of journalists and biographers.

Humanizing an Icon

The article revealed Sinatra not just as the glamorous “Chairman of the Board” but as a flawed, vulnerable human being. Readers saw his impatience, his need for control, and his moments of tenderness and frustration. This nuanced portrayal helped fans understand the pressures behind fame and the personal costs of maintaining a public image.

It also showed that even legends are not immune to everyday challenges like illness—a reminder that vulnerability is universal.

Legacy in Music and Journalism

“Frank Sinatra Has a Cold” is often cited in discussions about music history, celebrity culture, and the evolution of long-form journalism. It set a high standard for feature writing and demonstrated how a simple premise—Sinatra’s cold—could open a window into broader themes of artistry, personality, and media.

For those interested in the intersection of music and storytelling, this article remains a must-read and a reference point for understanding Sinatra’s enduring influence.

Frank Sinatra’s Health and Career: The Bigger Picture

While a cold might seem like a small incident, Sinatra’s health was a recurring theme throughout his life. He battled various ailments, including heart problems and the effects of a demanding career that spanned decades. Each health challenge shaped his performances and, ultimately, his legacy.

Resilience and Dedication

Despite occasional illnesses, Sinatra’s commitment to his craft never wavered. He continued to record,

perform, and evolve as an artist well into his later years. His resilience serves as an inspiration, showing how passion and professionalism can overcome temporary setbacks.

The Human Side of a Superstar

The phrase “Frank Sinatra has a cold” reminds us that behind the polished performances and legendary recordings was a man who faced the same everyday struggles as anyone else. It’s a poignant reminder that even icons are human, with vulnerabilities and challenges that shape their journeys.

Whether you’re revisiting the classic Esquire article or discovering Sinatra’s story for the first time, the phrase “frank sinatra has a cold” offers a fascinating glimpse into the complexity of an extraordinary artist. It teaches us about the intersection of talent, health, and humanity—and the delicate balance required to keep a legendary voice singing through the ups and downs of life.

Frequently Asked Questions

What is 'Frank Sinatra Has a Cold' about?

'Frank Sinatra Has a Cold' is a famous article by Gay Talese that profiles the singer Frank Sinatra during a time when he was ill, offering deep insight into his personality and the music industry.

Who wrote the article 'Frank Sinatra Has a Cold'?

The article was written by journalist Gay Talese and published in Esquire magazine in 1966.

Why is 'Frank Sinatra Has a Cold' considered a landmark in journalism?

It is considered a landmark because it exemplifies narrative journalism and profile writing, focusing on detailed observation and indirect storytelling rather than direct interviews.

When was 'Frank Sinatra Has a Cold' published?

The article was published in the April 1966 issue of Esquire magazine.

What makes 'Frank Sinatra Has a Cold' unique compared to other

celebrity profiles?

Gay Talese wrote the article without interviewing Sinatra directly, instead relying on interviews with people around him and detailed observation, which was an innovative approach at the time.

How did Frank Sinatra react to the article 'Frank Sinatra Has a Cold'?

Frank Sinatra reportedly appreciated the article for its honest and nuanced portrayal, though he was known to be a private and complex individual.

What does the title 'Frank Sinatra Has a Cold' signify?

The title highlights that Sinatra was ill during the time Talese was covering him, which affected his mood and interactions, providing a unique lens into his character.

Is 'Frank Sinatra Has a Cold' available to read online?

Yes, the article is available through various literary and journalistic archives online, often on Esquire's official website or other reputable sources.

How did 'Frank Sinatra Has a Cold' influence later journalism?

The article influenced narrative and literary journalism by showing the power of immersive storytelling and detailed character study without relying on direct quotes from the main subject.

What themes are explored in 'Frank Sinatra Has a Cold'?

The article explores themes of celebrity, vulnerability, fame, and the persona versus the private individual.

Additional Resources

Frank Sinatra Has a Cold: An Iconic Moment in Music Journalism

frank sinatra has a cold. This simple yet evocative phrase opens one of the most celebrated pieces of music journalism ever written: Gay Talese's 1966 article "Frank Sinatra Has a Cold," published in Esquire magazine. Far more than a report on the singer's temporary illness, the piece captures the complex personality of one of the 20th century's most enduring cultural icons. It remains a landmark in feature writing, blending meticulous observation with nuanced storytelling to reveal the man behind the public persona.

The Genesis of a Legendary Profile

In the mid-1960s, Frank Sinatra was at a crossroads. His career had seen phenomenal highs and some uneven phases, but his influence on music and popular culture was unquestionable. When Gay Talese embarked on writing a profile of Sinatra, he faced a unique challenge: Sinatra was notoriously private and guarded, especially when unwell or irritable. The title phrase “frank sinatra has a cold” refers to the singer’s actual condition during the time Talese was reporting, which paradoxically offered Talese a rare window into Sinatra’s more vulnerable side.

This article broke conventional music journalism molds by focusing less on routine concert reviews or superficial celebrity interviews and more on the subtleties of Sinatra’s behavior, his entourage, and the atmosphere surrounding him. Talese’s refusal to interview Sinatra directly, a decision imposed by Sinatra’s own reticence, led to a creative approach that relied heavily on third-party observations, anecdotes, and contextual details.

Why “Frank Sinatra Has a Cold” Resonates Decades Later

The enduring appeal of “frank sinatra has a cold” as a phrase and a story lies in its ability to humanize a larger-than-life figure. Readers get a sense of Sinatra’s moods, his need for control, and his vulnerability—all framed by the fact that something as mundane as a cold can disrupt a star’s carefully curated aura.

Talese’s article is frequently cited in journalism schools as a masterclass in immersive reporting. It exemplifies how absence of direct access need not limit narrative depth; instead, it can inspire innovative storytelling techniques. The piece also highlights the importance of context and atmosphere, painting a vivid picture of the 1960s entertainment industry and the cult of celebrity.

LSI Keywords and Their Relevance

In exploring the phrase “frank sinatra has a cold,” several related keywords naturally emerge: music journalism, celebrity profiles, Gay Talese, Esquire magazine, 1960s pop culture, Frank Sinatra biography, and immersive reporting. Each term enriches the understanding of why this article remains a benchmark in its field.

For instance, “music journalism” is a broad category that often struggles to balance access with authenticity. Talese’s work is a textbook example of overcoming barriers to access through observation rather than direct interviews. Similarly, “celebrity profiles” typically risk superficiality, but “frank sinatra has a cold” demonstrates how depth and nuance can be achieved by focusing on humanizing details.

Comparisons with Other Celebrity Profiles

When compared to other hallmark music profiles, such as Hunter S. Thompson's coverage of rock stars or Lester Bangs' reviews, Talese's article stands out for its literary quality and subtlety. While Thompson's gonzo approach injected humor and exaggeration, and Bangs often conveyed raw emotion, Talese's piece reads like a novelistic portrait, rich with psychological insight.

This difference underscores the multiplicity of styles in music journalism and the unique contribution of "frank sinatra has a cold" in expanding the genre beyond typical reportage.

Features of Talese's Reporting Style

Gay Talese's approach to writing this article is notable for several features:

- **Indirect Access:** Without interviewing Sinatra, Talese relied on interviews with friends, family, and associates, crafting a mosaic of perspectives.
- **Atmospheric Detail:** The article uses sensory and environmental descriptions to evoke the mood and setting, from hotel rooms to recording studios.
- **Psychological Insight:** Talese explores Sinatra's personality traits—his pride, irritability, and charisma—through anecdotes and observed behavior.
- **Subtle Narrative:** The cold Sinatra suffers becomes a metaphor for vulnerability and the fragility of stardom.

These features contribute significantly to the article's lasting impact, setting it apart from more straightforward celebrity interviews or promotional pieces.

The Role of Context in Shaping the Story

Understanding the cultural and historical context of the 1960s is essential to appreciating the significance of "frank sinatra has a cold." This was an era when traditional pop icons like Sinatra were competing with the emerging wave of rock and roll. Sinatra's image was carefully managed, and his temperamental reputation was well-known in industry circles.

The article captures the tension between the public's adoration and the private realities of celebrity life. It also reflects broader societal themes, such as the commodification of fame and the pressures placed on public figures to maintain an unblemished image.

Impact on Contemporary Music Journalism

The influence of "frank sinatra has a cold" on subsequent generations of music journalists cannot be overstated. Its success helped elevate music journalism to a form of literary art, inspiring writers to delve beyond surface-level coverage. Many modern profiles and long-form features owe a debt to Talese's meticulous research and narrative style.

Moreover, the article's emphasis on mood, setting, and character study has influenced multimedia storytelling and documentary filmmaking, where the focus is often on creating an immersive experience rather than a mere recitation of facts.

Pros and Cons of the Reporting Approach

- **Pros:** Provides deep psychological insight, creates a richly textured narrative, avoids clichéd celebrity interviews, and innovates in journalism style.
- **Cons:** The absence of direct quotes from Sinatra may leave some readers wanting a more personal voice; reliance on secondary sources can risk subjective bias.

Despite these minor drawbacks, the article's balance of observation and storytelling remains a powerful example of effective magazine writing.

The Legacy of "Frank Sinatra Has a Cold" in Popular Culture

Beyond journalism, the phrase "frank sinatra has a cold" has entered popular lexicon as shorthand for the temperamental unpredictability of celebrities when under pressure. It symbolizes how even icons are susceptible to the common human experience of illness and vulnerability.

The article itself has been anthologized in collections of great American writing and continues to be studied for its craft and cultural insight. It also serves as a reminder that in the world of entertainment, the smallest personal details can reveal the most profound truths about identity and fame.

Thus, "frank sinatra has a cold" remains a touchstone not only for fans of Sinatra but for anyone interested in the art of storytelling, the complexities of celebrity, and the evolution of music journalism over the past half-century.

frank sinatra has a cold: *Frank Sinatra Has a Cold* Gay Talese, Phil Stern, 2015 Sinatra with a cold is Picasso without paint, Ferrari without fuel -- only worse. For the common cold robs Sinatra of that uninsurable jewel, his voice, cutting into the core of his confidence. --Gay Talese In the winter of 1965, writer Gay Talese set out for Los Angeles with an assignment from Esquire to write a major profile on Frank Sinatra. When he arrived, he found the singer and his vigilant entourage on the defensive: Sinatra was under the weather, not available, and not willing to be interviewed. Undeterred, Talese stayed on in L.A., believing Sinatra might recover and reconsider, and used the meantime to observe the star from a careful distance and to interview his friends, associates, family members, and hangers-on. Sinatra never did grant the one-on-one he had hoped for, but Talese's tenacity paid off: his profile *Frank Sinatra Has a Cold* went down in history as a tour de force of literary nonfiction and the advent of the New Journalism. Its incisive portrait of Sinatra in the recording studio, on location, out on the town, and with the eponymous cold, revealed as much about a singular star persona as it did about the Hollywood machine. In this Collector's Edition, *Frank Sinatra Has a Cold* is published in traditional letterpress, with an introduction by Gay Talese and facsimile reproductions of manuscript pages, correspondence, and original storyboard, revealing the making of this New Journalism marvel. To complete the Sinatra picture, the text and archival material is interwoven with photographs of Sinatra from the legendary lens of Phil Stern, the only photographer granted access to Sinatra over four decades, as well as from top photojournalists of the '60s including John Bryson, John Dominis, and Terry O'Neill. Reproduced in rich duotone, the photographs compliment Talese's character study by documenting the many complex facets of Sinatra: the voice, the showman, the doting father, the Hollywood magnet, and the man with, in his own words, an over-acute capacity for sadness as well as elation.

frank sinatra has a cold: The Greatest Story Ever Told Gay Talese, 2003

frank sinatra has a cold: *Hidden Genius* Polina Marinova Pompliano, 2024-01-21 Was unterscheidet die wirklich außergewöhnlichen, erfolgreichen und kreativen Menschen vom Durchschnitt? Es ist die Art und Weise, wie sie an Probleme herangehen, wie sie nach Lösungen suchen und sich neue Wege eröffnen, statt auf ausgetretenen Pfaden entlangzutrotten. Polina Marinova Pompliano hat bei Fortune mehr als 1300 der erfolgreichsten und interessantesten Menschen der Welt interviewt und beobachtet, wie sie Probleme durchdenken, ihre Kreativität entfesseln und unter extremem Druck Leistung bringen. Daraus ist ein einmaliges Kompendium der erfolgreichsten Strategien der erfolgreichsten Menschen der Welt entstanden. Pompliano tritt damit in die Fußstapfen von Napoleon Hill, dessen millionenfacher Bestseller *Think and Grow Rich* die Erfolgsgeheimnisse der 500 erfolgreichsten Menschen seiner Zeit erstmals zusammenfasste. Auch bei Pompliano zeigt sich: Die leistungsstärksten Menschen verwenden keine Tricks oder Hacks, um Großartiges zu erreichen. Sie nutzen mentale Konzepte, mit deren Hilfe sie die Welt auf eine

grundlegend neue Art wahrnehmen. Sie haben gelernt, wie sie ihre verborgene Genialität freisetzen können, um ihr volles Potenzial auszuschöpfen. Anhand der zahlreichen anschaulichen und unterhaltsamen Beispiele können alle Leser lernen, es den Genies unserer Zeit gleichzutun. Hier lernen sie, heikle Probleme zu lösen, Beziehungen erfolgreich zu pflegen und selbst unter Stressbedingungen kreativ zu arbeiten und die eigene Widerstandsfähigkeit zu nutzen.

frank sinatra has a cold: Frank Sinatra Has a Cold Gay Talese, 2011-03-03 Gay Talese is the father of American New Journalism, who transformed traditional reportage with his vivid scene-setting, sharp observation and rich storytelling. His 1966 piece for Esquire, one of the most celebrated magazine articles ever published, describes a morose Frank Sinatra silently nursing a glass of bourbon, struck down with a cold and unable to sing, like ♦Picasso without paint, Ferrari without fuel ♦ only worse♦. The other writings in this selection include a description of a meeting between two legends, Fidel Castro and Muhammad Ali; a brilliantly witty dissection of the offices of Vogue magazine; an account of travelling to Ireland with hellraiser Peter O'Toole; and a profile of fading baseball star Joe DiMaggio, which turns into a moving, immaculately-crafted meditation on celebrity.

frank sinatra has a cold: Frank Sinatra Est Enrhumé Gay Talese, 2021 Le portrait cristallin de Frank Sinatra brossé par Gay Talese allie vérité des faits et récit saisissant pour livrer un modèle triomphant du «nouveau journalisme». Il est désormais présenté rehaussé de notes et de lettres issues des archives de l'auteur et des photographies de Phil Stern, seul photographe à avoir eu le droit d'approcher Sinatra pendant plus de quatre décennies exceptionnelles. Publié à l'origine en Édition collector signée, désormais disponible en édition non limitée.

frank sinatra has a cold: The Gay Talese Reader Gay Talese, 2009-05-26 As a young reporter for The New York Times, in 1961 Gay Talese published his first book, New York-A Serendipiter's Journey, a series of vignettes and essays that began, New York is a city of things unnoticed. It is a city with cats sleeping under parked cars, two stone armadillos crawling up St. Patrick's Cathedral, and thousands of ants creeping on top of the Empire State Building. Attention to detail and observation of the unnoticed is the hallmark of Gay Talese's writing, and The Gay Talese Reader brings together the best of his essays and classic profiles. This collection opens with New York Is a City of Things Unnoticed, and includes Silent Season of a Hero (about Joe DiMaggio), Ali in Havana, and Looking for Hemingway as well as several other favorite pieces. It also features a previously unpublished article on the infamous case of Lorena and John Wayne Bobbitt, and concludes with the autobiographical pieces that are among Talese's finest writings. These works give insight into the progression of a writer at the pinnacle of his craft. Whether he is detailing the unseen and sometimes quirky world of New York City or profiling Ol' Blue Eyes in Frank Sinatra Has a Cold, Talese captures his subjects-be they famous, infamous, or merely unusual-in his own inimitable, elegant fashion. The essays and profiles collected in The Gay Talese Reader are works of art, each carefully crafted to create a portrait of an unforgettable individual, place or moment.

frank sinatra has a cold: The Shakespeare and Company Book of Interviews Adam Biles, 2023-10-05 Shakespeare and Company, Paris, is one of the world's most iconic and beautiful bookshops. Located on the banks of the Seine, opposite Notre-Dame, it's long been a meeting place for anglophone writers and readers. In that tradition, determined for the bookshop to remain a place of meaningful and transformative conversation, owner Sylvia Whitman and novelist and literary director Adam Biles have hosted several hundred interviews with writers, ranging from prize-winning novelists to visionary non-fiction authors. The Shakespeare and Company Book of Interviews is a selection of the best of these interviews from the last decade. Packed with warmth, sensitivity and humour, it's a celebration of the greatest writers of our age and an insight into the lives and thoughts behind some of today's most talked-about books.

frank sinatra has a cold: Breaking Mic Wright, 2025-06-12 'Brimming with intelligence, energy, ethics and impeccable research' Samira Ahmed The modern media is breaking. Now, more than ever, the media is crucial in shaping what we know about the world around us. So what happens when this vital part of our society fails in its basic role and how can we even begin to

understand the mess it's in? From those who own the news and the battle for balance at the BBC, to the intricacies of political journalism and the trade's ethics, the modern media is as complex as it is flawed. Through personal experience of the newsrooms and insider interviews, journalist Mic Wright strips the engine of information, entertainment and propaganda back to its constituent parts and lays it bare. In this revealing deep-dive, *Breaking* shows how our news media works and, ultimately, how it doesn't. With his frank and comprehensive analysis, Mic equips the reader with the tools to better interrogate our media, separating the fair from the ethically dubious, the truths from the half-truths . . . and the down-right lies.

frank sinatra has a cold: The SAGE Encyclopedia of Journalism Gregory A. Borchard, 2022-02-22 Journalism permeates our lives and shapes our thoughts in ways that we have long taken for granted. Whether it is National Public Radio in the morning or the lead story on the Today show, the morning newspaper headlines, up-to-the-minute Internet news, grocery store tabloids, Time magazine in our mailbox, or the nightly news on television, journalism pervades our lives. The Encyclopedia of Journalism covers all significant dimensions of journalism, such as print, broadcast, and Internet journalism; U.S. and international perspectives; and history, technology, legal issues and court cases, ownership, and economics. The encyclopedia will consist of approximately 500 signed entries from scholars, experts, and journalists, under the direction of lead editor Gregory Borchard of University of Nevada, Las Vegas.

frank sinatra has a cold: Bartlett's Familiar Quotations Geoffrey O'Brien, 2022-10-25 From ancient Egypt to today, enjoy a sweeping survey of world history through its most memorable words in this completely revised and updated nineteenth edition. More than 150 years after its initial publication, Bartlett's Familiar Quotations now enters its nineteenth edition. First compiled by John Bartlett, a bookseller in Cambridge, Massachusetts, as a commonplace book of only 258 pages, the original 1855 edition mainly featured selections from the Bible, Shakespeare, and the great English poets. Today, Bartlett's includes more than 20,000 quotes from roughly 4,000 contributors. Spanning centuries of thought and culture, it remains the finest and most popular compendium of quotations ever assembled. While continuing to draw on timeless classical references, this edition also incorporates more than 3,000 new quotes from more than 700 new sources, including Alison Bechdel, Ta-Nehisi Coates, Pope Francis, Atul Gawande, Ruth Bader Ginsburg, Hilary Mantel, Lin-Manuel Miranda, Claudia Rankine, Fred Rogers, Bernie Sanders, Patti Smith, and Malala Yousafzai. Bartlett's showcases the thoughts not only of renowned figures from the arts, literature, politics, science, sports, and business, but also of otherwise unknown individuals whose thought-provoking ideas have moved, unsettled, or inspired readers and listeners throughout the ages. Bartlett's makes searching for the perfect quote easy in three ways: alphabetically by author, chronologically by the author's birth date, or thematically by subject. Whether one is searching for appropriate remarks for a celebration, comforting thoughts for a serious occasion, or simply to answer the question "Who said that?" Bartlett's offers readers and scholars alike a stunning treasury of words that have influenced

frank sinatra has a cold: High Notes Gay Talese, 2017-01-17 A selection of classic high points in the illustrious career of Gay Talese. "[High Notes] reminds us of the indefatigable reporting skills and inventive use of language that made Talese a paragon of the New Journalism." -New York Times Book Review Admired by generations of reporters, Gay Talese has for more than six decades enriched American journalism with an unmatched ability to inhabit the worlds of his subjects. From the article that germinated into *Thy Neighbor's Wife*, to indelible portraits of Frank Sinatra, Tony Bennett, and Lady Gaga, *High Notes* selects the highlights of Talese's signature mode, "the art of hanging out." It's a bold testament to enduring literary craftsmanship and unparalleled cultural observation from the most important nonfiction writer of his generation (David Halberstam).

Thompson, Jon Stewart, Elizabeth Kubler-Ross, Barack Obama, Che Guevara, Randy Pausch, Desmond Tutu, Julia Child, Fran Leibowitz, Harper Lee, Nassim Nicholas Taleb, Patti Smith, William F. Buckley, and Robert F. Kennedy. In the classic Bartlett's tradition, the book offers readers and scholars alike a vast, stunning representation of those words that have influenced and molded our language and culture.

frank sinatra has a cold: Profile Pieces Sue Joseph, Richard Lance Keeble, 2015-10-14 This book examines the history, theory and journalistic practice of profile writing. Profiles, and the practice of writing them, are of increasing interest to scholars of journalism because conflicts between the interviewer and the subject exemplify the changing nature of journalism itself. While the subject, often through the medium of their press representative, struggles to retain control of the interview space, the journalist seeks to subvert it. This interesting and multi-layered interaction, however, has rarely been subject to critical scrutiny, partly because profiles have traditionally been regarded as public relations exercises or as 'soft' journalism. However, chapters in this volume reveal not only that profiling has, historically, taken many different forms, but that the idea of the

interview as a contested space has applications beyond the subject of celebrated individuals. The volume looks at the profile's historical beginnings, at the contemporary manufacture of celebrity versus the 'ordinary', at profiling communities, countries and movements, at profiling the destitute, at sporting personalities and finally at profiling and trauma.

frank sinatra has a cold: *A Dangerous Age* Kelly Killoren, Teresa DiFalco, 2017-02-28 Four best friends--Lucy, whose marriage is crumbling; Sarah, an actress in danger of losing her socialite standing; Billy, an aspiring cuisine artist; and Lotta, a party-girl art dealer--endure a sweltering Manhattan summer marked by self-destructiveness and the end of their carefree years.

frank sinatra has a cold: *The Origins of Cool in Postwar America* Joel Dinerstein, 2017-05-17 An "entertaining" study of the enduring concept of coolness, and the mix of cultures and historical events that shaped it (The New York Times). Cool. It was a new word and a new way to be, and in a single generation, it became the supreme compliment of American culture. *The Origins of Cool in Postwar America* uncovers the hidden history of this concept and its new set of codes that came to define a global attitude and style. As Joel Dinerstein reveals, cool began as a stylish defiance of racism, a challenge to suppressed sexuality, a philosophy of individual rebellion, and a youthful search for social change. Through portraits of iconic figures, he illuminates the cultural connections and artistic innovations among Lester Young, Humphrey Bogart, Robert Mitchum, Billie Holiday, Frank Sinatra, Jack Kerouac, Albert Camus, Marlon Brando, James Dean, and others. We eavesdrop on conversations among Jean-Paul Sartre, Simone de Beauvoir, and Miles Davis, and on a forgotten debate between Lorraine Hansberry and Norman Mailer over the "white Negro" and black cool. We come to understand how the cool worlds of Beat writers and Method actors emerged from the intersections of film noir, jazz, and existentialism. Out of this mix, Dinerstein sketches nuanced definitions of cool that unite concepts from African-American and Euro-American culture: the stylish stoicism of the ethical rebel loner; the relaxed intensity of the improvising jazz musician; the effortless physical grace of the Method actor. To be cool is not to be hip and to be hot is definitely not to be cool. "Eminently readable. Much more than just a history of cool, this book is a studied examination of the very real, often problematic social issues that popular culture responds to." —Publishers Weekly (starred review) "The kind of book that makes learning enjoyable." —The Wall Street Journal "Superb." —Times Higher Education

frank sinatra has a cold: *One Nation Under Baseball* John Florio, Ouisie Shapiro, 2017-04-01 Engaging and lively history of baseball in the 1960s--

frank sinatra has a cold: *The Fine Art of Literary Fist-Fighting* Lee Gutkind, 2024-01-01 An account of the emergence of creative nonfiction, written by the godfather of the genre When [Gutkind] stops to look back on his own evolving perspective . . . [and] reflects upon his writing career, the choices he made . . . he puts himself, and us, right back in the moment--and the results are vivid, ambiguous, emotionally resonant, fascinating.--Lucas Mann, Washington Post In the 1970s, Lee Gutkind, a leather-clad hippie motorcyclist and former public relations writer, fought his way into the academy. Then he took on his colleagues. His goal: to make creative nonfiction an accepted academic discipline, one as vital as poetry, drama, and fiction. In this book Gutkind tells the true story of how creative nonfiction became a leading genre for both readers and writers. Creative nonfiction--true stories enriched by relevant ideas, insights, and intimacies--offered liberation to writers, allowing them to push their work in freewheeling directions. The genre also opened doors to outsiders--doctors, lawyers, construction workers--who felt they had stories to tell about their lives and experiences. Gutkind documents the evolution of the genre, discussing the lives and work of such practitioners as Joan Didion, Tom Wolfe, Norman Mailer, James Baldwin, Zora Neale Hurston, Rachel Carson, Upton Sinclair, Janet Malcolm, and Vivian Gornick. Gutkind also highlights the ethics of writing creative nonfiction, including how writers handle the distinctions between fact and fiction. Gutkind's book narrates the story not just of a genre but of the person who brought it to the forefront of the literary and journalistic world.
