Seven Mountains of Society: Understanding the Pillars That Shape Our World

seven mountains of society is a concept that has gained considerable attention in cultural, social, and leadership discussions. At its core, it refers to the seven foundational spheres or domains that influence and shape society's direction, values, and development. These mountains represent the major areas where leadership and influence are exercised, and understanding them provides a clearer picture of how communities and nations evolve. Whether you're interested in social dynamics, cultural shifts, or leadership strategies, grasping the seven mountains of society offers valuable insight into the fabric that holds societies together.

What Are the Seven Mountains of Society?

The idea of the seven mountains of society originates from a framework used by community leaders and social activists to describe the primary systems that govern societal influence. These spheres are often identified as Religion, Family, Education, Government, Media, Arts and Entertainment, and Business. Each "mountain" represents a domain where cultural values are shaped, leadership is exercised, and societal norms are established.

These mountains are not isolated; they interact and influence one another in complex ways. For example, media can influence government policies, while education shapes the perspectives of future leaders in business and politics. Recognizing these interconnections helps people understand how changes in one domain ripple across society.

The Seven Mountains Explained

1. Religion

Religion has historically been a cornerstone of social structure. It influences moral values, community bonds, and ethical behavior. Even in increasingly secular societies, religious institutions and beliefs continue to impact public opinion and cultural identity. The religious mountain often serves as a guiding force for many individuals in their personal and communal lives.

Understanding the role religion plays can offer insights into why certain societal norms persist and how faith communities mobilize around social issues. Leadership within this mountain often involves spiritual guidance, community service, and advocacy.

2. Family

The family mountain represents the basic social unit where individuals first learn values, behavior,

and cultural traditions. Strong family structures contribute to societal stability and the transmission of culture from one generation to the next. Challenges such as changing family dynamics, parenting styles, and social policies related to family life often have profound societal implications.

Recognizing the importance of family emphasizes the need for supportive policies and community programs that help nurture healthy family environments.

3. Education

Education shapes the minds of the future and equips individuals with knowledge and skills. Schools, universities, and informal learning environments serve as the foundation for personal and professional development. Educational institutions are also arenas where societal values and ideologies can be challenged or reinforced.

The education mountain is crucial because it directly affects economic growth, social mobility, and civic engagement. Discussions around curriculum content, access to education, and the role of technology in learning often surface within this sphere.

4. Government

Government encompasses the political and legal frameworks that regulate society. It sets laws, policies, and systems for governance and public administration. The mountain of government influences every other domain by creating the rules and infrastructure that maintain order and justice.

Understanding government's role involves recognizing the balance between power and accountability, as well as the impact of leadership decisions on the daily lives of citizens.

5. Media

Media, including news outlets, social media platforms, and communications networks, plays a pivotal role in information dissemination and public opinion formation. The media mountain shapes how people perceive events, issues, and even each other.

With the rise of digital media, this mountain has become more dynamic and influential than ever, affecting everything from politics and culture to business and education. Media literacy and critical consumption of information are increasingly important skills in this domain.

6. Arts and Entertainment

The arts and entertainment mountain encompasses creative expressions such as music, film, literature, theater, and visual arts. This sphere reflects society's values, challenges norms, and provides a platform for cultural dialogue.

Artistic expression can inspire change, preserve heritage, and foster community identity. Leaders in this mountain often serve as cultural ambassadors who influence public sentiment and societal trends.

7. Business

Business represents the economic engine of society, encompassing industries, corporations, entrepreneurship, and commerce. This mountain drives innovation, employment, and wealth creation, influencing standards of living and economic policies.

Business leadership impacts ethical practices, corporate social responsibility, and community development. Understanding this domain helps in grasping how economic trends affect societal well-being and individual opportunities.

Why the Seven Mountains Matter

The concept of the seven mountains of society is more than just an academic model—it's a practical framework for leadership and social engagement. When leaders or activists focus on these spheres, they can create targeted strategies to influence societal change.

For example, addressing social issues requires understanding which mountain holds the key to leverage. Want to change public behavior? Media and education are crucial. Looking to promote ethical standards? Religion and family might be the starting points. Economic improvements often stem from innovations in the business mountain.

By analyzing these domains, communities can build more cohesive strategies for development, conflict resolution, and empowerment.

Integrating the Seven Mountains for Positive Change

One of the most powerful aspects of the seven mountains framework is its emphasis on integration. No mountain operates in a vacuum, and sustainable societal progress often requires collaboration across these spheres.

Consider the role of education and technology in transforming business practices or how media campaigns can support government health initiatives. Similarly, the arts can be used to highlight social justice issues, while religious organizations often provide social services that complement government efforts.

This interconnected approach encourages leaders to think holistically, fostering partnerships that transcend traditional boundaries.

Practical Applications of the Seven Mountains Framework

Whether you're a community leader, policymaker, educator, or entrepreneur, understanding the seven mountains can enhance your impact. Here are some practical ways to apply this concept:

- **Strategic Leadership:** Identify which mountain your influence aligns with and develop expertise in that domain.
- **Community Building:** Collaborate with leaders from different mountains to address complex problems.
- **Advocacy:** Use media and education to raise awareness and shift public opinion on key issues.
- **Personal Growth:** Reflect on how your values and actions align with these societal pillars.
- **Policy Development:** Consider the ripple effects across mountains when proposing new laws or regulations.

This multifaceted approach can help create more resilient and adaptable communities.

The Future of Society Through the Lens of the Seven Mountains

As society continues to evolve, the influence of each mountain may shift. The rise of digital media has transformed communication, while globalization affects business practices and cultural exchange in the arts. Meanwhile, changing demographics impact family structures and religious affiliations.

Understanding these trends through the seven mountains framework allows for better anticipation of challenges and opportunities ahead. It encourages proactive leadership that is responsive to societal shifts, fostering environments where all mountains can thrive in balance.

In essence, the seven mountains of society provide a timeless map for navigating the complexities of human communities, inspiring thoughtful engagement and purposeful action.

Frequently Asked Questions

What are the seven mountains of society?

The seven mountains of society refer to seven major spheres of influence that shape culture and

society: government, education, religion, media, arts & entertainment, business, and family.

Where did the concept of the seven mountains of society originate?

The concept originated from Christian cultural engagement teachings, particularly popularized by Loren Cunningham and later by Lance Wallnau, emphasizing the importance of influencing key societal areas.

Why are the seven mountains important in societal development?

They are considered the foundational pillars that influence values, beliefs, and behaviors in society, so impacting these areas can lead to significant cultural transformation.

How can individuals influence the seven mountains of society?

Individuals can influence these spheres by becoming active participants or leaders within government, education, religion, media, arts & entertainment, business, and family, promoting positive change.

What role does religion play in the seven mountains of society?

Religion shapes moral values, ethics, and community cohesion, making it a critical mountain influencing societal norms and individual behavior.

How does the media mountain affect society according to the seven mountains framework?

Media shapes public opinion, disseminates information, and influences cultural norms, making it a powerful tool for shaping societal perspectives.

Can the seven mountains of society framework be applied globally?

Yes, while originating from a Western Christian context, the framework's seven spheres are present in most societies worldwide, though cultural expressions may vary.

What criticisms exist regarding the seven mountains of society concept?

Critics argue that the concept can oversimplify complex societal dynamics and may be used to promote particular ideological agendas under the guise of cultural influence.

How has the seven mountains of society concept influenced modern cultural movements?

It has inspired various faith-based and cultural movements to strategically engage key societal institutions to promote their values and drive social change.

Seven Mountains of Society: An Analytical Review of Societal Pillars and Their Influence

seven mountains of society is a concept that delineates the fundamental spheres shaping culture, policy, and collective human experience. Originating from sociological and cultural studies, this framework segments society into seven critical domains—often referred to as "mountains"—each representing a field where influence and leadership converge. These mountains are typically identified as religion, family, education, government, media, arts and entertainment, and business. Understanding these sectors allows for a comprehensive grasp of how societal norms and values are constructed and maintained.

This article examines the seven mountains of society through a professional lens, investigating their interconnectivity, individual roles, and the implications they have on social development. By exploring these domains, we gain insight into the mechanisms that drive cultural evolution, power dynamics, and societal progress.

The Seven Mountains of Society: Defining the Framework

The conceptualization of society into seven mountains offers a structural approach to dissecting the complex fabric of human interaction. Each mountain symbolizes a domain of significant influence that shapes public opinion, policy, and cultural trends. The segmentation is not merely theoretical; it plays a practical role in leadership development, social movements, and strategic planning in various sectors.

1. Religion

Religion stands as one of the oldest and most pervasive mountains within society. It shapes moral frameworks, ethical guidelines, and community cohesion. Religious institutions often influence social behavior and legislative processes, particularly in societies where faith and governance intersect.

The pros of this mountain include providing a sense of identity and community, promoting charitable activities, and underpinning ethical conduct. However, the cons include potential sectarianism, resistance to social change, and conflicts arising from doctrinal differences.

2. Family

The family mountain represents the foundational social unit responsible for nurturing future generations. It influences societal stability, value transmission, and emotional support systems. Changes in family structures—such as increases in single-parent households or multi-generational living—have significant social implications.

Family dynamics affect educational outcomes, mental health, and economic mobility. While a strong family unit promotes societal continuity, fragmentation can lead to social challenges, including poverty and crime.

3. Education

Education serves as the mountain dedicated to knowledge dissemination and skill development. It is a critical driver of social mobility and economic growth. The education sector shapes critical thinking, civic engagement, and innovation.

A well-functioning education system reduces inequality and prepares citizens for workforce demands. However, disparities in educational access and quality can perpetuate social stratification, highlighting the need for reform and inclusive policies.

4. Government

Government, as a mountain, embodies political authority and public administration. It enforces laws, manages resources, and safeguards citizens' rights. Its role is pivotal in balancing societal interests and maintaining order.

Effective governance promotes transparency, justice, and social welfare. Conversely, corruption, authoritarianism, or inefficiency within this mountain can undermine democratic institutions and public trust.

5. Media

The media mountain influences information flow, public discourse, and cultural narratives. In the digital age, media's reach has expanded exponentially, affecting perceptions and decision-making on a global scale.

Media's strength lies in its ability to inform and connect populations. Nonetheless, misinformation, bias, and sensationalism pose risks to societal cohesion and informed citizenship.

6. Arts and Entertainment

Arts and entertainment reflect and shape cultural identities, social values, and creative expression.

This mountain encompasses literature, music, theater, film, and digital content, serving both as a mirror and a mold of societal trends.

While fostering innovation and emotional connection, this sector can also propagate stereotypes or controversial themes. Its economic impact is significant, contributing to employment and tourism industries.

7. Business

The business mountain encapsulates commerce, industry, and economic activity. It is the engine of wealth creation, employment, and technological advancement. Corporate leadership often intersects with social responsibility and ethical considerations.

Businesses influence consumer behavior, environmental policies, and global trade patterns. However, challenges include income inequality, labor rights issues, and environmental degradation.

Interplay and Impact of the Seven Mountains

The seven mountains of society do not operate in isolation. Instead, they form an interconnected system where shifts in one domain ripple across others. For instance, educational reforms can influence economic productivity and political engagement, while media narratives can alter public perceptions of government policies.

Understanding these interactions is crucial for policymakers, community leaders, and social scientists. It enables the identification of leverage points for societal improvement and conflict resolution.

Comparative Influence and Modern Trends

In contemporary society, the media and business mountains have gained unprecedented influence due to digital transformation and globalization. Social media platforms, for example, have reshaped communication and activism, challenging traditional media's gatekeeping role.

Similarly, multinational corporations now wield significant sway over economic policies and social agendas, sometimes rivaling governmental power. This shift calls for renewed attention to ethical governance and corporate accountability.

Conversely, the family mountain faces evolving definitions and challenges amid cultural diversity and changing social norms. Education systems are increasingly tasked with bridging technological divides and preparing learners for an uncertain future.

Challenges and Opportunities

Each mountain presents unique challenges that require adaptive strategies. For example:

- **Religion:** Balancing tradition with inclusivity in pluralistic societies.
- **Family:** Supporting diverse family models while maintaining social support structures.
- **Education:** Addressing inequities and integrating lifelong learning.
- **Government:** Enhancing transparency and citizen participation.
- **Media:** Combating misinformation and promoting media literacy.
- **Arts and Entertainment:** Encouraging cultural diversity and responsible content.
- **Business:** Prioritizing sustainability and ethical practices.

Opportunities arise when leaders and stakeholders within these mountains collaborate to foster holistic societal progress.

The Seven Mountains in Strategic Leadership and Social Movements

The seven mountains framework is frequently employed in leadership development and social strategy, particularly within faith-based and civic organizations. By targeting these spheres, change agents seek to influence cultural values and public policy effectively.

For example, initiatives aimed at reforming education or promoting ethical business practices often consider the interplay between government policies, media narratives, and family engagement. Such integrated approaches have demonstrated greater impact compared to isolated efforts.

Data-Driven Insights

Recent studies underscore the importance of the seven mountains in shaping public opinion and societal outcomes. According to a 2023 Pew Research Center report, trust levels in these domains vary significantly; while family and education maintain higher trust, media and government experience greater skepticism.

Furthermore, economic analyses reveal that societies with balanced development across these mountains tend to exhibit higher social cohesion and economic resilience. This highlights the value of comprehensive strategies addressing multiple societal pillars concurrently.

The concept of the seven mountains of society remains a vital analytical tool for dissecting the complex matrix of cultural influence, leadership, and societal change. Its continued relevance lies in

providing a structured perspective on the multidimensional forces that shape our world.

seven mountains of society: *The Seven Mountain Mantle* Johnny Enlow, 2009-11-25 In this follow-up to his first release, *The Seven Mountain Prophecy*, Enlow explains how God revealed His plan to raise up Josephs--sons and daughters who would bear His favor, dream His dreams, and reclaim the seven mountains, or sectors, of society for His glory. Instead of the global meltdown seen in today's society, the Lord promises to send His grace on our nation, other nations, and the church. Enlow proceeds to explain to readers what they will have to do to become one of these Josephs and how they can discern the role God desires them to play in His vision for the days to come.

seven mountains of society: *Impacting the Seven Mountains from the Courts of Heaven* Robert Henderson, 2023-02-21 Robert Henderson started to explore the question, what would the seven mountains of culture look like in a reformed state? There is much talk in the apostolic and prophetic community about reformation and transformation, but sometimes, we don't have a clear vision of what it would actually look like for these spheres of influence to be...

seven mountains of society: Invading Babylon Lance Wallnau, Bill Johnson, 2013-07-16 You were transformed to transform your world! For too long, Christianity has been defined by a false concept of church. As a result, believers have built walls around their lives, keeping culture at a distance. As Christians have tried to keep culture out of the church, unfortunately, the church has kept itself out of the culture. This was never Jesus' design for your life! Before church was established as a place that people "came to," Jesus instituted it as an army that brought transformation to society, starting with salvation and continuing with seven spheres of influence: Church, family, education, government, media, arts, and commerce. Six revolutionary voices in the modern church deliver *Invading Babylon*. This essential guide will equip you to: Understand your vital role in shaping society. Release God's will in your sphere of influence. Become an unstoppable citizen in God's Kingdom. It's your time to arise and be a light in a dark world.

seven mountains of society: Krieg und Frieden Alexander Deeg, Christian Lehnert, 2022-07-26 Polarisierungen im politischen Alltag, Spannungen und neue globale Konfliktlagen und immer wieder Gewalt, die als Mittel zum Zweck dient oder als Exzess aufbricht! – Es ist schwieriger für Kirchen und Gemeinden geworden, Frieden zu verkündigen. Die christliche Friedensbotschaft ist stark und mehrdimensional, sie hat ethische, eschatologische und auch liturgische Aspekte. Eindeutig ist sie nicht, denn schon in der biblischen Tradition gehören Gewaltmetaphern zu religiöser Sprache. Sind unsere Gottesdienste Orte des Friedens? Die Beiträge in diesem Buch analysieren Lieder und Liturgien, schauen auf gesellschaftliche Kontexte und versuchen in einem weiten Bogen zu erkunden, was unsere Gottesdienste beitragen können zu einer friedlicheren Welt. Mit Beiträgen von Margareta Gruber, Stefan Heuser, OSF, Dirk Lange, Kerstin Menzel, Irene Mildemberger, Stefan Schweyer und Katharina Wiefel-Jenner. [War and Peace. Metaphors of

Violence and Reconciliation in Christian Church Service] Polarizations in everyday political life, tensions and new global conflicts, and violence again and again that serves as a means to an end or erupts as excess! It has become more difficult for churches and parishes to proclaim peace. The Christian message of peace is strong and multidimensional; it has ethical, eschatological and also liturgical aspects. It is not unambiguous, for metaphors of violence even belong to the language of religion in the biblical tradition. Are our church services places of peace? The contributions in this book analyze hymns and liturgies, examine social contexts, and attempt to explore in a broad manner what our church services can contribute to a more peaceful world.

seven mountains of society: *Politischer Pentekostalismus* Leandro L. B. Fontana, Markus Lubert, 2023-04-25 Das zunehmende und weltweit neu wahrnehmbare Engagement pfingstkirchlicher Akteur*innen im Bereich der Politik und Öffentlichkeit steht im Fokus dieses Bandes. Dabei geht es nicht nur um eine religiöse Einfärbung politischer Diskurse, sondern auch um eine nachhaltige Veränderung im Selbstbild und Selbstverständnis dieser Akteur*innen. Vor diesem Hintergrund entsteht ein neues Spannungsverhältnis zwischen Religion und Politik, das sowohl die Wissenschaft, die Kirchen, die Politik als auch die Gesellschaft als ganze herausfordert. Expert*innen aus verschiedenen Disziplinen beleuchten dieses Phänomen umfassend und perspektivreich.

seven mountains of society: *The Rise of Network Christianity* Brad Christerson, Richard W. Flory, 2017 The Rise of Network Christianity explains social forces behind the fastest growing form of Christianity in the U.S., which the authors have labeled Independent Network Charismatic (INC). This form of Christianity, governed through networks, emphasizes aggressive engagement with the supernatural, including healing, direct prophecies from God, engaging in spiritual warfare against demonic spirits, and social transformation.

seven mountains of society: *American Evangelicals for Trump* André Gagné, 2023-12-01 This book introduces the American Evangelical movement and the role it played in the support of Donald Trump. Specifically, it focuses on the Neocharismatic-Pentecostal (NCP) leaders, their beliefs, and their political strategies. The author examines why 81% of white evangelicals voted for Trump in 2016, and why he still received between 76% and 81% of their vote in 2020 despite losing the presidency. Additionally, the book discusses how NCP leaders are part of the Christian Right, a religious coalition with a political agenda centered on controversial issues such as anti-abortion activism, opposition to LGBTQ+ rights, and the protection of religious freedom. Structured around the three main ideas inspiring NCP leaders who supported Trump in 2016 and 2020—Dominion, Spiritual Warfare, and Eschatology (the End Times)—the book examines how these ideas have sustained the evangelicals close to U.S. political power in the Trump era. In light of the potential for Trump's return to power in 2024, the book serves as a warning of what a renewed alliance between Trump and his former NCP supporters could bring. It is an essential read for all students and researchers of Evangelicalism, Religion in America, Political Theology, or Religion and Politics.

seven mountains of society: *Dominion!* C. Peter Wagner, 2022-06-21 We were made to change the world! Dr. C. Peter Wagner explains the urgent mandate for believers to get involved in every sphere of society in order to bring about Kingdom transformation.

seven mountains of society: *The Violent Take It by Force* Matthew D. Taylor, 2024 When charismatic believers wage spiritual battles, ideas can take tangible form. With scholarly precision and narrative force, religion scholar Matthew D. Taylor makes intelligible the language, leaders, and symbols of the New Apostolic Reformation, which has galvanized support for Trump and far-right leaders around the world.

seven mountains of society: *The Blossoming of Christianity* Fred Pride, 2011-05-04 I AM WRITING THIS BOOK BECAUSE GOD HAS ASSIGNED ME TO BRING A GOOD-NEWS MESSAGE

TO THE PEOPLE OF THE WORLD. THE GOOD NEWS THAT GOD HAS SENT ME TO GIVE TO THE PEOPLE ARE IN REGARD TO HIS PERSON AND HIS GLORIOUS WORKS, IN REGARD TO HIS SON WHO HAS THE ACTUAL POWER TO CLEANSE ALL PEOPLE OF SIN, AND IN REGARD TO HIS KINGDOM OF HEAVEN AND HOW THAT KINGDOM OF HEAVEN IS TO BE MANIFESTED ONTO THE PLANET EARTH. HOWEVER, JUST AS IT HAS BEEN FOR ALL THE OTHER PROPHETS AND MEN OF GOD THAT GOD HAS SENT INTO TO THIS WORLD TO BRING A GOOD-NEWS MESSAGE, INCLUDING JESUS, I AM BEING PERSECUTED. I AM TORMENTED BY UNGODLY NIGHTMARES AND I AM BEING BELEAGUERED BY UNGODLY PEOPLE. IF I CANNOT GET THE HELP I NEED FROM YOU, THE TRUE PEOPLE OF GOD, AND FROM THE GOVERNMENTS OF THE WORLD, INCLUDING THE GOVERNMENT OF THE UNITED STATES, TO STOP THESE VICIOUS ATTACK ON ME, I PROBABLY WILL NOT BE AROUND TO SEE THIS BOOK ON THE MARKET. I AM NOT A WELL-EDUCATED MAN, JUST A HUMBLE SON OF A COTTON SHARECROPPER THAT GOD HAS CHOSEN TO BRING GOOD NEWS TO HIS PEOPLE. SO, IF IN READING THIS BOOK YOU FIND SOME TECHNICAL OR GRAMMATICAL ERRORS, PLEASE FORGIVE ME FOR MY SHORTCOMING IN THOSE AREAS. MY HEALTH IS FAILING RAPIDLY AND I JUST DO NOT HAVE THE TIME OR ENERGY TO MAKE THIS BOOK PERFECT IN ALL RESPECT. IT IS MY CONVICTION THAT WHEN YOU, THE TRUE PEOPLE OF GOD, HAVE READ THIS BOOK, YOU WILL SURELY RECOGNIZE THIS GOOD NEWS AS AN AUTHENTIC MESSAGE FROM OUR FATHER. BUT, A RECOGNITION OF THIS FACT IS NOT ENOUGH, WE MUST THEN JOIN FORCES WITH GOD AND TAKE THE NECESSARY STEPS, AS THEY ARE LAID DOWN IN THIS BOOK, TO RID THE WORLD OF ALL EVIL AND ALL EVIL PEOPLE.... HAVE NO FEAR, FOR GOD WILL BE WITH YOU. get your unofficial number to signify that you want your place in THE KINGDOM OF HEAVEN go to: www.thegreatcensus.yolasite.com

seven mountains of society: *Flashpoint of Revival* Gene Bailey, 2021-11-16 Mobilize...Activate...Deploy! A call is going out for believers to rise up. It's time for action! It's time to get in your place, be who God says you are, and transform the world around you! We have taken our first steps into a great awakening, and Gene Bailey, host of Flashpoint and Revival Radio TV, sounds the alarm for...

seven mountains of society: *New Faces of God in Latin America* Virginia Garrard, 2020-11-01 Combining historical and ethnographic research methods, along with a thorough review of existing literature on the study of Latin American Christianity, *New Faces of God in Latin America* addresses the important question of how global religion and local culture interact, situating the experience of Latin American Christianity in the broader conversations in the field of world Christianity, particularly with respect to the growing understanding of Christianity as a non-Western religion.

seven mountains of society: Social Forms of Religion Maren Freudenberg, Astrid Reuter, 2024-09-03 Social forms of religion – the ways in which individuals and groups coordinate religious practice – produce community at the same time as they enable individual religious experiences. A mix of group, organization, market exchange, network, event, and/or other forms characterizes different traditions. Shifts in dominant social forms within a religious tradition are catalysts and expressions of religious transformation alike. The contributions to the volume test this argument by presenting Catholic, Protestant, Charismatic/Pentecostal, Orthodox, and Mormon case studies from Europe and the Americas.

seven mountains of society: *Leaders For Life* Will Meier, 2019-05-31 DISCOVER AND MASTER THE SECRETS OF C-LEVEL LEADERSHIP. Process is an often overlooked, but crucial element to the study and practice of leadership. Finding your point of reference and learning to recognize, navigate and integrate the different phases of the process are among the most important outcomes from embracing the 12C NOW Leadership model. Leaders for Life uniquely integrates biblical perspective along with contemporary and historic case studies that provide benchmarks to create champions who solve complex problems. This practical handbook introduces a disruptive paradigm for leadership and provides the blueprint for effective C-level leadership. It includes coaching exercises and action steps for how to develop the leaders our world so desperately needs.

seven mountains of society: Prayers that Avail Much for Leaders Germaine Copeland, Lane M. Holland, 2008 This unique edition, written just for leaders--in business, ministry, and public service--includes powerful quotes and encouragement from historical leaders, as well as Germaine Copeland's personal teaching on the effectiveness of scriptural prayer.

seven mountains of society: The Third Dimension Sunday A Popoola, 2023-03-28 The understanding of times and seasons is very crucial in maximizing our lives and acquiring our full redemption rights. Insight into God's times and seasons for our lives enables us to live effectively and purposefully. Using biblical insight, prophecy and contemporary events, Sunday Popoola lucidly examines scriptural truths that will help you to understand what God is doing today, locate where you fit into God's program, live purposefully and with the right priorities, stay at the cutting-edge of what God is doing in this season by His Spirit and help you to contribute in making this world a better place in a meaningful and tangible way.

seven mountains of society: The Love Awakening Leif Hetland, 2022-04-19 We were created to love and be loved supernaturally. So digging down into the human heart will not help us find what we're looking for. We need to look up, into the heart of God, the Creator of this universe who is love. This is how we truly experience being loved.
