dr david jeremiah bible studies: Galatians Dr. David Jeremiah, 2019-12-17 God's grace cannot be earned... Follow Dr. Jeremiah through the letter of Galatians in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. Paul's letter is written to those who had been deceived into believing they had to practice the laws of the Old Testament to receive salvation. Paul is adamant that God's grace cannot be earned, regardless of how many commandments we try to obey. Only our faith in Jesus provides the way to eternal life. Man is not justified by the works of the law but by faith in Jesus Christ...for by the works of the law no flesh shall be justified (Galatians 2:16). In the book of Acts, we have a record of the most fertile period of outreach in the history of Christianity. Churches were planted near and far as Jesus' followers proclaimed the message of Christ. He blesses our efforts to make disciples of all nations, one person at a time, and sends us His Spirit to guide our words, give us wisdom, and bolster our courage. Follow Dr. Jeremiah through the letters of 1, 2, 3, John and Jude in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. The Christians of the first century were facing a difficult battle. False teachers had emerged in their churches who were spreading a gospel that was contrary to the one proclaimed by Jesus. The situation was so distressing to John that he wrote a series of letters to call them to remember that Jesus' greatest command was for them to love God and to love one another. dr david jeremiah bible studies: Mark Dr. David Jeremiah, 2019-06-18 Jesus is always at work and active... Follow Dr. Jeremiah through the gospel of Mark in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. Mark's gospel was likely the first written record of the life of Jesus Christ, and it's full of energy and action. The word immediately appears so often in the text that it's hard not to get caught up in the pace of the narrative as Jesus moves to establish his kingdom in a way that was completely unanticipated. However, Mark also begins his account with words from Isaiah the prophet, making it (immediately) clear that—had the religious leaders of the time been paying attention—they might have been a little more prepared for the arrival of the Messiah and for everything that happened next... dr david jeremiah bible studies: Colossians and Philemon Dr. David Jeremiah, 2021-03-23 Finding freedom in Christ... Follow Dr. Jeremiah through the letters of Colossians and Philemon in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. The apostle Paul may never have visited the small town of Colossae, located in modern-day Turkey, but he was linked to the congregation through a coworker named Epaphras. This man came to visit Paul while he was imprisoned in Rome to deliver troubling news about destructive teachings that had taken root in the Colossian fellowship. Paul penned a letter in response, urging the believers to experience the freedom they had found in Christ, recognize their salvation came through the Lordship of Jesus alone, and reflect the light of Christ in their lives. Paul also penned a short personal letter to a Colossian believer named Philemon, urging him to forgive a slave who had departed from him and receive him back as a fellow brother. Paul's words in these letters compel us to remember everything that Jesus has done for us and treat others as we want to be treated. dr david jeremiah bible studies: Luke Dr. David Jeremiah, 2019-06-18 Jesus is the Great Physician... Follow Dr. Jeremiah through the gospel of Luke in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. According to the apostle Paul, Luke was a beloved physician who traveled with him on several of his missionary journeys. However, Luke's real passion was in setting down an orderly account that detailed the birth, ministry, death, and resurrection of Jesus. This was a task for which Luke was well suited, for he was both a thoughtful man of science and a great observer of people. Luke took great care in relating the information he collected, but he also emphasized the care that Jesus, as the Great Physician, extended to people everywhere—both Jewish and Gentile alike. The apostle Paul founded many churches in the Roman Empire, but it is clear he did not do this work alone. Rather, he relied on trusted companions such as Timothy and Titus to support the ongoing work in these communities. As Paul neared the end of his life, he wrote personal letters to these men to encourage them in their ministry and provide final guidelines for how live and lead for Christ. In particular, we find him urging these men to maintain purity in the church, faithfully endure for the gospel, preach sound doctrine, pursue godliness, and maintain order as they built up other leaders. Paul's words compel believers today to also pursue their calling in the church . . . even when that means dealing with hardheaded and unruly fellow believers! Each of this study's twelve lessons is clearly organized to include: Getting Started: An opening question to introduce you to the lesson. Setting the Stage: A short reflection to explain the context of the study. Exploring the Text: The Scripture reading for the lesson with related study questions. Reviewing the Story: Questions to help you identify key points in the reading. Applying the Message: Questions to help you apply the key ideas to their lives. Reflecting on the Meaning: A closing reflection on the key teachings in the lesson. —ABOUT THE SERIES— The Jeremiah Bible Study Series captures Dr. David Jeremiah's forty-plus years of commitment in teaching the Word of God. dr david jeremiah bible studies: Philippians Dr. David Jeremiah, 2020-08-18 Experience joy in any situation... Follow Dr. Jeremiah through the letter of Philippians in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. The believers in Philippi were experiencing both concern for Paul while he was in prison and spiritual discouragement. Paul wrote this loving letter to encourage them in their faith and to remind them that there was a greater future in store for him and for them outside this world. Paul even admits the tension he feels between living to continue sharing the gospel and dying so he can be with Christ. This mindset allowed Paul to remain joyful in the midst of suffering and he knew the same would be true of the Philippi believers as well.
